Department Contact

Autumn David, Management Staff Assistant jobs@roseburgor.gov

Department Overview: The City of Roseburg Fire Department is dedicated to fostering a culture rooted in service, professionalism, and a strong commitment to rescue-centered firefighting. We proudly uphold a mission of providing excellent customer service to our community, backed by the latest in modern firefighting data. Our approach combines progressive and evidence-based tactics ensuring both efficiency and safety in every emergency response.

Our team operates out of three strategically located stations that enable us to respond swiftly to emergencies across the city. In 2024 we answered more than 7,400 calls for service, reflecting the essential role we play in the safety and well-being of our residents.

We recognize that the strength of our department lies in the dedication and expertise of our firefighters, which is why we emphasize:

- **Aggressive Firefighting Tactics:** Our approach to residential firefighting prioritizes victim survivability and rapid removal.
- **Support for Professional Growth:** The growth and development of our team members is a top priority. We provide continuous opportunities for advanced training, certifications, and leadership development, helping each firefighter achieve their personal and professional goals.
- **A Balanced Work Schedule:** Our firefighters benefit from a 48/96 schedule (48 hours on, 96 hours off), designed to optimize both performance on the job and work-life balance.
- **Quality Equipment:** We're committed to maintaining a fleet of modern and effective fire apparatus as well as the most up to date fire and rescue equipment.

Joining the City of Roseburg Fire Department means becoming part of an organization that's passionate about service, safety, and growth. If you're ready to make a difference and advance your career in a supportive, progressive environment, we invite you to take the next step and apply to join our team.

Mission Statement: The City of Roseburg Fire Department proactively and aggressively protects life, property, and the environment with a culture of safety and leadership. We serve all with integrity, respect, and professionalism.

City Information: Roseburg is the county seat and largest city in Douglas County. The population is 24,258 with an urban daytime population of approximately 60,000. Roseburg is the hub of retail, government activity and medical services for Central Douglas County. The City is served by Roseburg School District #4, which has an excellent reputation and community support. Umpqua Community College is 5 miles north of the City and offers a varied curriculum with extensive adult education and community oriented classes. Multiple locations at the college are available for cultural activities, and there is a thriving community theater group with its own venue in a city park.

The city boasts numerous park areas, including tennis courts, soccer and ball fields, a 9-hole golf course, skate park, disc golf course, dog park and walking trails. Roseburg is the location of choice for many who seek a high quality living environment at a reasonable price. Various community events, including Graffiti Week, Art and Wine Festivals and Music on the Half Shell, among others, are held throughout the year for local residents and tourists.
