DISCUSSION ITEM

Director Wiley presented the Circulation Policy update. She stated the policy was reviewed by the Library Commission and adopted by the City Council on September 24, 2018, and updated and reviewed by the Library Commission and adopted by the City Council on November 8, 2021.

At this time, there are several proposed revisions for the Library Commission to consider that will provide clarity for cardholders and their parents or guardians, establish circulation limits on electronic materials, provide staff with the authority to suspend or revoke borrowing privileges for violations not explicitly covered by the policy, and provide an appeal process for cardholders whose borrowing privileges have been suspended or revoked.

Director Wiley explained all of the proposed revisions and stated that the City Council has final approval of the amended Circulation Policy.

A discussion ensued around the monthly checkout limit for digital items. Director Wiley stated she prints a report and must manually go in and suspend digital checkouts when a patron has reached the monthly limit. She added the cloudLibrary platform does not allow a cutoff based on a checkout limit. Peter suggested submitting a development request to cloudLibrary.

In response to Commissioner Elder, Director Wiley stated patrons who reach the monthly electronic checkout limit are suspended from checking out additional electronic materials; however, they can still check out physical items as long as their library card is in good standing.

Commissioner Tassano moved that the Library Commission recommend the City Council approve the updated Circulation Policy. The motion was seconded by Commissioner Guyer and approved with the following vote: Commissioners Elder, Tassano, Lundy, Peter and Guyer voted yes. No one voted no.

BUSINESS FROM THE COMMISSION:

Commissioner Tassano reported the Friends of the Library was recently listed as a qualified non-profit organization through the Oregon Cultural Trust. This provides significant tax advantages to those who donate to the program. The Friends of the Library website will include a link to the Oregon Cultural Trust webpage.

NEXT MEETING DATE:

Tuesday, August 16, 2022, at 4:00 p.m. This will be a hybrid meeting.

INFORMATIONAL:

Monthly Statistics

Director Wiley presented the monthly statistics. She reported July's circulation of physical materials was 7,187, the first time the library exceeded 7,000 since February 2020. As expected, because of the Summer Reading Program, circulation of youth titles has increased, with Children's Room materials accounting for 26.4 percent, junior materials accounting for 24.9 percent, and teen materials accounting for 8.1 percent of physical checkouts.

Director Wiley noted the percentage of items checked out on July 7 was 7.2 percent. This statistic continues to improve. She added the door count of 5,113 was the highest since February 2020.

Director Wiley noted 106 sponsorships were issued in the fiscal year 2022. At this time, there are enough donations to issue 48 sponsorships. Sponsorships are issued on a first-come, first-served basis; both new cards and renewals are issued using sponsorships.

Library staff delivered many programs in June, and the statistics are shown based on the State Library of Oregon's annual report requirements. Director Wiley stated the State Library's annual report platform is open, and our statistics are due October 31.

Lunchbox Express has shown a significant increase; library staff are making connections with students and handing out free books and prizes weekly. The books were purchased with funds donated through the Friends of the Library as well as grant funds from the Oregon Association of Education Service Districts and the Roundhouse Foundation; they are new and contemporary and have been a huge hit.

Summer Reading Program

Director Wiley reported the Summer Reading Program for adults is going well with many adults taking the reading log. The weekly survey generates 15 to 20 responses.

Director Wiley reported she has been out to Fullerton IV each week to hand out free books and prizes to students.

Librarian Ropp reported in addition to her following the Lunchbox Express, staff has been going out to four different elementary schools each week to provide free books, craft kits, and summer reading logs. Staff has received many positive comments about the program and the quality of prizes.

Librarian Ropp reported she continues to provide in-person storytime on Wednesdays and a craft activity on Fridays at Stewart Park, and there is an activity at the library on Saturdays. There has been a slow response, but attendance is increasing. She added that two sets of tickets were given away to a Eugene Emeralds baseball game. Children who submitted their first reading log by July 5 were entered into the drawing.

Upcoming programs include Kids Safety Day at Costco on July 23 and Harry Potter Day at the Library on July 30.

Director Wiley reported that the library was to provide the pre-movie entertainment for two of the four Movies in the Park presented by the City of Roseburg Parks and Recreation. The movies were cancelled due to weather and have since been rescheduled. Library staff will now provide pre-movie entertainment on Friday, August 5. She added that the movie the last Friday in June did take place; however, the entertainment cancelled. The library stepped in and provided the pre-movie entertainment.

Commissioner Tassano thanked Director Wiley and Librarian Ropp for the hard work they put into these programs.

In response to Commissioner Guyer, Librarian Ropp reported storytime at Stewart Park will run through August 17; there are five more throughout the summer, and they take place each Wednesday at 10:30 a.m.

Programming

Director Wiley reported the Chicana Literature Series has been well received. The final session is Thursday, August 11 from 6:30-8 p.m. on Zoom. The reading material is available at the library front desk. UCAN AmeriCorps participant Lydia Rathe has scheduled several programs for the fall, and the library's book discussion groups meet monthly. The schedule is available on the library's website at www.roseburgpubliclibrary.org.

Librarian Ropp plans to take a break from programming in September and return with weekly storytime in October. She added staff intends to resume Girls Who Code in the fall and will continue to have a teen program once or twice a month, as well as additional elementary programs.

Library Wiley reported library staff reached out to the Horizons Foster Care Education program, and all children received a free book, reading log, and craft kit. Staff will reach out two more times throughout the summer and provide free books, crafts, and Summer Reading Program materials.

In response to Commissioner Tassano, Director Wiley stated that Rathe is finishing her last two weeks with the library; the continuation of the Maker Space will be contingent on if the library recruits a new AmeriCorps participant. She added the City currently is recruiting for the position.

Commissioner Tassano questioned if the library received funds from the County Commissioners. Director Wiley stated funds were received, but there is no plan on how or when the funds will be used; that will be determined based on if we recruit an AmeriCorps member.

Grants Update

Director Wiley reported the State Library of Oregon's Ready to Read grant is due in August. The library will again apply for funding to hire a temporary Summer Reading Program Aide. Staff intends to apply to Roundhouse Foundation for 2023 Summer Reading Program support.

In response to Commissioner Tassano, Director Wiley reported she has a grant report to write to The Ford Family Foundation for the Dolly Parton Imagination Library. Participants are holding steady at around 1,100.

Commissioner Guyer applauded library staff on the amount of programming offered throughout the year.

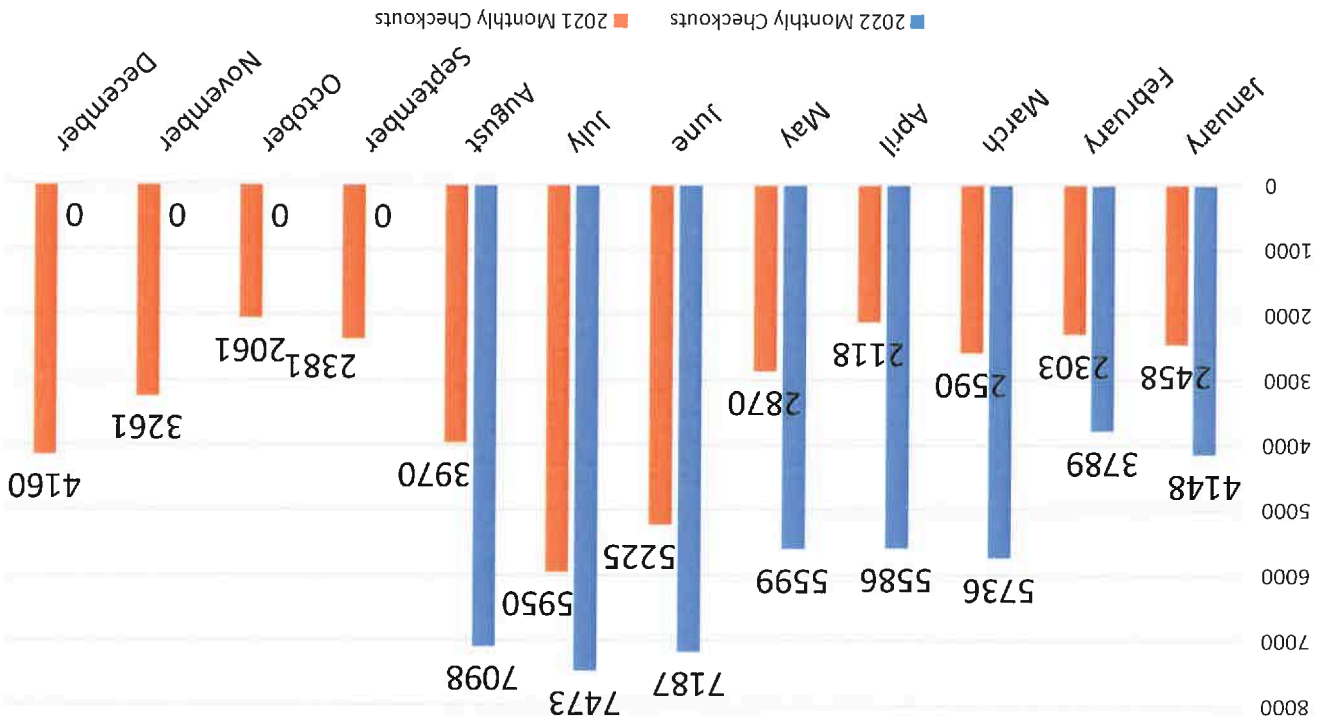

ADJOURNMENT:

The meeting adjourned at 4:38 p.m. The next meeting is scheduled for Tuesday, August 16, 2022, at 4:00 p.m.

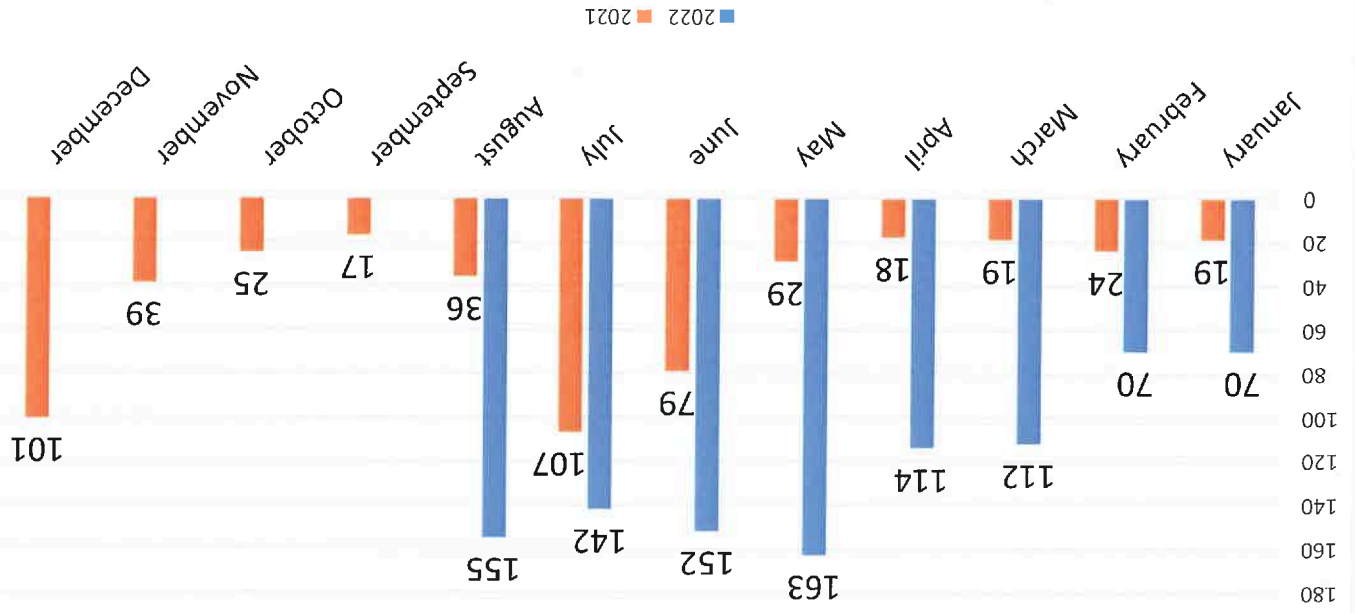

Respectfully submitted,

Autumn David
