CITY OF ROSEBURG URBAN RENEWAL AGENCY

URBAN RENEWAL AREA BACKGROUND

The maximum indebtedness established in 2018 for the Plan is \$72,800,000. The maximum indebtedness is the total amount of funds that can be spent on projects, programs, and administration in the urban renewal area over the life of the urban renewal plan. The Plan is projected to be in operation until FY 2048 / 2049. The boundary, shown in Figure 1, consists of approximately 711.54 total acres: 578.99 acres of land in 925 tax lots and 132.55 acres of public rights-of-way.

The frozen base assessed value (“Frozen Base”) of the Diamond Lake Urban Renewal Area (“Area”) is \$134,860,761. The FY 2022 / 2023 total assessed value is \$198,123,892. The excess value, or the value on which taxes are paid to the Roseburg Urban Renewal Agency (“Agency”) in FY 2023 / 2024 is \$63,263,131.¹

The Roseburg Urban Renewal Agency is a separate legal and financial entity, governed by the members of the City of Roseburg City Council.

Oregon state law allows cities to create urban renewal districts in size not to exceed twenty-five percent (25%) of the total assessed property value within the city limits. The Diamond Lake Urban Renewal Area does not exceed these limits.

The entire Diamond Lake Urban Renewal Plan and Report can be found on the City of Roseburg's website at, <https://www.cityofroseburg.org/your-government/urban-renewal-agency>.

Impact on Taxing Districts

The revenues foregone by local taxing districts due to urban renewal are shown in Table 5. This information is from Douglas County Assessor records, SAL Report, Table 4e.

Urban renewal agencies do not create an additional tax. Instead, during the urban renewal area’s lifespan, overlapping taxing districts “forego” a portion of their permanent rate. Once the urban renewal area is terminated, the taxing jurisdictions receive the full permanent rate of taxes. The Roseburg School District and the Douglas County Education Services District are funded through the State School Fund on a per pupil allocation. There is no direct impact of urban renewal on their funding. The State School Fund is funded through property tax allocations, but also through other state resources.
