### **CRIMINAL JUSTICE CODE OF ETHICS**

As a criminal justice officer, my fundamental duty is to serve humankind; to safeguard lives and property; to protect all persons against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all people to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. Without compromise and with relentlessness, I will uphold the laws affecting the duties of my profession courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence, and never accepting gratuities.

I recognize my position as a symbol of public faith, and I accept it, as a public trust to be held so long as I am true to the ethics of The Criminal Justice System. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession.

The purpose of this policy is to establish guidelines for the proper use and application of the Department's electronic mail (e-mail) system by employees of this Department. E-mail is a communication tool available to Department employees to enhance the efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law, such as the Oregon Public Records Law set forth in Oregon Revised Statutes 192.420.

### 204.2 E-MAIL RIGHT OF PRIVACY

All e-mail messages, including any attachments, that are transmitted over department networks are considered department records and therefore department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its e-mail system or that is stored on any department system. Employees are prohibited from receiving, sending or storing e-mail messages in personal files.

The e-mail system is not a confidential system and therefore is not appropriate for confidential communications. If a communication must be confidential, an alternative method to communicate the message should be used. Employees using the department e-mail system shall have no expectation of privacy concerning communications transmitted over the system.

Employees should not use personal accounts to exchange e-mail or other information that is related to the official business of the Department.

### 204.3 PROHIBITED USE OF E-MAIL

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, and harassing or any other inappropriate messages on the e-mail system is prohibited and may result in discipline.

E-mail messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's e-mail, name and/or password by others.

### 204.4 MANAGEMENT OF E-MAIL

Because the e-mail system is not designed for long-term retention of messages, e-mail that the employee desires to save or that becomes part of an official record should be printed and/or stored in another database. Users of e-mail are solely responsible for the management of their mailboxes. Messages shall be accessed and read each work day and should be reviewed and purged manually by the user at least once per week.

## **Administrative Communications**

### **205.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide members with the protocols and forms to be used for internal administrative communications. Administrative communications of this department are governed by the following policies.

### **205.2 MEMORANDUMS**

Memorandums may be issued periodically by the Chief of Police to announce and document all promotions, transfers, hiring of new personnel, separations, personnel and group commendations, or other changes in status.

### **205.3 CORRESPONDENCE**

In order to ensure that the letterhead and name of the Department are not misused, all external correspondence shall be on Department letterhead. Personnel should use Department letterhead only for official business and with approval of their supervisor.

### **205.4 SURVEYS**

All surveys made in the name of the Department shall be authorized by the Chief of Police or a Division Commander.

### **205.5 INFORMATIONAL MEMOS**

The Chief of Police, or designee may issue memoranda to department personnel from time to time for the purpose of disseminating information to the members.

### **205.6 USE OF CITY RESOURCES BY BARGAINING UNIT**

Association officers and Executive Board representatives may use City resources including phones, e-mail and fax machines for communication by and between the Executive Board, the Association attorney and management representatives. General meeting notices may be directed to all Association members. All e-mail constitutes a public record without any expectation of privacy.

## Retiree Concealed Firearms

### 206.1 PURPOSE AND SCOPE

The purpose of this policy is to outline the process and conditions associated with the issuance, revocation, and denial of a concealed weapon (CCW) endorsement for retired officers of this department.

Oregon law authorizes honorably retired peace officers from Oregon or other states to carry a concealed weapon in Oregon. This provision does not authorize Oregon retired peace officers to carry concealed weapons in other states (ORS 166.260).

A "CCW Approved" endorsement is not required for an honorably retired officer to carry a concealed weapon in Oregon. The endorsement is, however, required for retired officers who wish to carry concealed weapons in other states in accordance with the provisions of 18 USC § 926C and the Firearms and Qualification Policy.

### 206.2 QUALIFIED RETIREES

Any full time sworn officer of this department who was authorized to, and did, carry a concealed firearm during the course and scope of their employment may be issued an identification card with a "CCW Approved" endorsement upon honorable retirement.

- (a) For the purpose of this policy, "Honorably retired" includes all peace officers who have qualified for, and accepted, a service or disability retirement; however, shall not include any officer who retires in lieu of termination.

### 206.3 LEOSA (LAW ENFORCEMENT OFFICERS SAFETY ACT)

The Chief of Police may issue an identification card for LEOSA purposes to any qualified former officer of this department who (18 USC § 926C(c)):

- (a) Separated from service in good standing from this department as an officer.
- (b) Before such separation, had regular employment as a law enforcement officer for an aggregate of 10 years or more or, if employed as a law enforcement officer for less than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.
- (c) Has not been disqualified for reasons related to mental health.
- (d) Has not entered into an agreement with this department where the officer acknowledges that he/she is not qualified to receive a firearm qualification certificate for reasons related to mental health.
- (e) Is not prohibited by federal law from receiving or possessing a firearm.

### 206.4 IDENTIFICATION CARD FORMAT

The identification card issued to any qualified and honorably retired officer should, at a minimum, contain the following:

- (a) Photograph of the retiree

### *Retiree Concealed Firearms*

- (b) Retiree's name
- (c) Date of retirement
- (d) The Department name
- (e) A stamped endorsement "CCW Approved" (for out-of state CCW purposes, per 18 USC 926C ) along with the date by which the endorsement must be renewed (not more than one year).

#### **206.5 DENIAL OR REVOCATION OF CCW ENDORSEMENT**

The CCW endorsement for any officer retired from this department may be denied or revoked only upon a showing of good cause as determined by the department.

## **Chapter 3 - General Operations**

## Use of Force

### 300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

#### 300.1.1 DEFINITIONS

Definitions related to this policy include:

**Deadly force** - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

**Feasible** - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

**Force** - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

**Imminent** - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

**Totality of the circumstances** - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the use of force.

### 300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

#### 300.2.1 DUTY TO INTERVENE AND REPORT

Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intervene to prevent the use of unreasonable force (ORS 181A.681).

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances shall report these observations to a supervisor as soon as feasible (ORS 181A.681).

#### 300.2.2 STATE REPORTING REQUIREMENTS

A report of another member using excessive force must be made to a supervisor no later than 72 hours after the misconduct was witnessed (ORS 181A.681).

#### 300.2.3 PERSPECTIVE

When observing or reporting force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

### **300.3 USE OF FORCE**

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

### *Use of Force*

---

#### 300.3.1 USE OF FORCE - JUSTIFICATION

An officer is justified in using force upon another person only when and to the extent that the officer reasonably believes it necessary (ORS 161.233):

- (a) To make a lawful arrest or to prevent the escape from custody of an arrested person; or
- (b) For self-defense or to defend a third person from an imminent threat of physical injury.

#### 300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit.

These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness.
- (j) Seriousness of the suspected offense or reason for contact with the individual.
- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

#### 300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the officer.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved, or it becomes apparent that the technique being used is not effective.

#### 300.3.4 CAROTID CONTROL HOLD

A carotid control hold is a technique designed to control an individual by temporarily restricting blood flow through the application of pressure to the side of the neck and, unlike a chokehold, does not restrict the airway. The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is limited to those circumstances where deadly force is authorized and is subject to the following:

- (a) At all times during the application of the carotid control hold, the response of the individual should be monitored. The carotid control hold should be discontinued when circumstances indicate that the application no longer reasonably appears necessary.
- (b) Any individual who has had the carotid control hold applied, regardless of whether the individual was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until such examination occurs.
- (c) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the individual lost consciousness as a result.
- (d) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (e) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

#### 300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be

restricted. Officers are encouraged to use techniques and methods taught by the Roseburg Police Department for this specific purpose.

#### 300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

When circumstances reasonably permit, officers shall use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion) (ORS 161.233; ORS 161.242).

#### 300.3.7 VERBAL WARNING PRIOR TO USE OF FORCE

Prior to using physical force, if reasonable to do so, officers shall give a verbal warning that physical force may be used and provide a reasonable opportunity to comply (ORS 161.233; ORS 161.242).

#### 300.3.8 RESPIRATORY RESTRAINTS

The use of a respiratory restraint, also known as a chokehold, is limited to circumstances where deadly force is authorized and if applied, is subject to the same guidelines and requirements as a carotid control hold.

### **300.4 DEADLY FORCE APPLICATIONS**

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

Use of deadly force is justified in the following circumstances involving imminent threat or imminent risk (ORS 161.242):

- (a) An officer may use deadly force to protect themselves or others from what the officer reasonably believes would be an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the person has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the individual is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.
- (c) An officer may use deadly force to make a lawful arrest when the officer has probable cause to believe that the person has committed a violent felony as defined in ORS 419A.004.
- (d) An officer may use deadly force to prevent a person from escaping custody when the officer has probable cause to believe that the person has committed a violent felony as defined in ORS 419A.004.

However, an officer should not use deadly force against a person whose actions are a threat solely to themselves or property.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Use of Force*

---

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes that the individual has a weapon or is attempting to access one and intends to use it against the officer or another person. An imminent danger may also exist if the individual is capable of causing serious bodily injury or death without a weapon, and the officer believes the individual intends to do so.

#### **300.4.1 MOVING VEHICLES**

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force.

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

#### **300.5 REPORTING THE USE OF FORCE**

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

#### **300.5.1 NOTIFICATIONS TO SUPERVISORS**

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.

# Roseburg Police Department

### *Use of Force*

---

- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

#### **300.6 MEDICAL CONSIDERATIONS**

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe.

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

#### **300.7 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to a reported application of force resulting in visible injury, if reasonably available. When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.

# Roseburg Police Department

### *Use of Force*

---

- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived his/her *Miranda* rights, the following shall apply:
  - 1. The content of the interview should not be summarized or included in any related criminal charges.
  - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
  - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
  - 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
  - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

### **300.8 TRAINING**

Officers shall receive annual training on this policy and demonstrate their knowledge and understanding.

Subject to available resources, officers should receive periodic training on guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.

#### **300.8.1 TRAINING REQUIREMENTS**

Required annual training shall include:

- (a) Legal updates.
- (b) De-escalation tactics, including alternatives to force.
- (c) The duty to intervene.
- (d) The duty to request and/or render medical aid.

# Roseburg Police Department

- (e) Warning shots (see the Firearms Policy).
- (f) All other subjects covered in this policy (e.g., use of deadly force, chokeholds and carotid holds, discharge of a firearm at or from a moving vehicle, verbal warnings).

#### **300.9 USE OF FORCE ANALYSIS**

At least annually, the Administrative Sergeant should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

## Deadly Force Review

### 301.1 PURPOSE AND SCOPE

This policy establishes a process for the Roseburg Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

### 301.2 POLICY

The Roseburg Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

### 301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

### 301.4 ADMINISTRATIVE REVIEW

#### 301.4.1 ADMINISTRATIVE REVIEW PROCEDURE

The members of the administrative staff are empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The Chief, or designee will determine whether the review should be delayed until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges or any other action.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question the officer's decision regarding the use of force.

Any questioning of the involved employee will be in accordance with the department's disciplinary procedures, the current collective bargaining agreement and any applicable state or federal law.

When appropriate, the review should make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure

### *Deadly Force Review*

---

The Chief, or designee shall review any recommendations, make a final determination as to whether the employee's actions were within policy and procedure, and will determine whether any additional actions, investigations or reviews are appropriate.

## Handcuffing and Restraints

### 302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

### 302.2 POLICY

The Roseburg Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

### 302.3 USE OF RESTRAINTS

Only members who have successfully completed Roseburg Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

#### 302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

#### 302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety.

No person who is in labor shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary to prevent escape or injury.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Handcuffing and Restraints*

---

#### 302.3.3 RESTRAINT OF JUVENILES

A juvenile under 12 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

#### 302.3.4 NOTIFICATIONS

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

#### **302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

#### **302.5 APPLICATION OF SPIT HOODS**

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally.

Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid commingling those wearing spit hoods with other detainees.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Handcuffing and Restraints*

---

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

#### **302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES**

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

#### **302.7 APPLICATION OF LEG RESTRAINT DEVICES**

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

##### **302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS**

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Handcuffing and Restraints*

---

- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

#### **302.8 REQUIRED DOCUMENTATION**

If an individual is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If an individual is arrested, the use of restraints other than handcuffs shall be documented in the related report. The officer should include, as appropriate:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's behavior and any signs of physiological problems.
- (d) Any known or suspected drug use or other medical problems.

#### **302.9 TRAINING**

Subject to available resources, the Administrative Sergeant should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

## Control Devices and Techniques

### 303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

### 303.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Roseburg Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

### 303.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

### 303.4 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Operations Commander, or device instructor for disposition.

### 303.5 ADMINISTRATIVE RESPONSIBILITIES

The Operations Commander, or designee will control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by a designated instructor for a particular control device.

### 303.6 WATCH COMMANDER RESPONSIBILITIES

The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Control Devices and Techniques*

---

#### **303.7 BATON GUIDELINES**

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Otherwise, the baton shall be readily available for use in a gear bag or vehicle, etc. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

#### **303.8 TEAR GAS GUIDELINES**

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Watch Commander, Incident Commander or ERT Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

#### **303.9 OLEORESIN CAPSICUM (OC) GUIDELINES**

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public (ORS 181A.708).

##### **303.9.1 OC SPRAY**

Uniformed personnel shall carry OC spray in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

##### **303.9.2 TREATMENT FOR OC SPRAY EXPOSURE**

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

#### **303.10 POST-APPLICATION NOTICE**

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle, or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Control Devices and Techniques*

---

Information regarding the method of notice and the individuals notified should be included in related reports.

#### **303.11 CROWD CONTROL GUIDELINES**

For the purpose of this section, "crowd control" means an operation in which crowds are managed to prevent the outbreak of violence or physical harm to persons, or in which an assembly, protest, or demonstration is dispersed (ORS 181A.708).

Handheld chemical incapacitants and kinetic impact projectiles as defined by ORS 181A.708 shall not be used for crowd control. Tear gas may be used for crowd control when the Watch Commander, Incident Commander, or Emergency Response Team (ERT) Commander reasonably believes that the use is necessary to prevent death or serious bodily injury or to bring an objectively dangerous and unlawful situation under control (ORS 181A.708).

Prior to deploying tear gas for crowd control purposes, the Watch Commander, Incident Commander, or ERT Commander shall direct that the intent to use tear gas be announced twice via reasonable and available means, the second announcement occurring after a reasonable amount of time has elapsed to allow for crowd dispersal (ORS 181A.708).

##### **303.11.1 ADDITIONAL CROWD CONTROL CONSIDERATIONS**

Officers may not use electronically amplified noise-producing equipment for crowd control except to make announcements, facilitate movement of emergency vehicles, or as otherwise allowed by law. When possible, announcements shall be made both audibly and visually (ORS 181A.708).

After deploying chemical incapacitants, kinetic impact projectiles, or sound devices in a crowd control operation, and when it is possible to do so safely, officers shall (ORS 181A.708):

- (a) Attempt to take injured individuals to safety or allow them to seek medical help.
- (b) Allow emergency medical personnel to reach injured individuals.
- (c) Take reasonable action to accommodate individuals with disabilities when issuing or enforcing orders to disperse.
- (d) Coordinate the removal of visible debris caused by the use of tear gas and kinetic impact projectiles.
- (e) Make reasonable efforts to notify emergency departments in the vicinity of the type of chemical incapacitants and/or kinetic impact projectiles used.

#### **303.12 KINETIC ENERGY PROJECTILE GUIDELINES**

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

##### **303.12.1 DEPLOYMENT AND USE**

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Control Devices and Techniques*

---

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

#### 303.12.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others (ORS 181A.708).

#### **303.12.3 SAFETY PROCEDURES**

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not in use, the shotgun will be unloaded and properly and securely stored in the vehicle or the Department armory. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

#### **303.13 TRAINING FOR CONTROL DEVICES**

The Administrative Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor, if appropriate.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

#### **303.14 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES**

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

## Conducted Energy Device

### 304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

### 304.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

### 304.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Rangemaster should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon.

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

#### 304.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Rangemaster for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

#### **304.4 VERBAL AND VISUAL WARNINGS**

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances.

The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

#### **304.5 USE OF THE CED**

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

##### **304.5.1 APPLICATION OF THE CED**

The CED may be used when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

##### **304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS**

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Conducted Energy Device*

---

- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

#### 304.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

#### 304.5.4 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

#### 304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should

# Roseburg Police Department

### *Conducted Energy Device*

---

be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

#### 304.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

### **304.6 DOCUMENTATION**

Officers shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

#### 304.6.1 CED REPORT FORM

As applicable based on the device type, items that shall be included in the CED report form are:

- (a) The serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

The Administrative Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Administrative Sergeant should also conduct audits of CED device data downloaded to an approved location and reconcile CED report forms with recorded activations.

#### 304.6.2 REPORTS

The officer should include the following in the arrest/crime report:

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Conducted Energy Device*

---

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

#### **304.7 MEDICAL TREATMENT**

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes, who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

#### **304.8 SUPERVISOR RESPONSIBILITIES**

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Conducted Energy Device*

---

A supervisor should review each incident where a person has been exposed to a CED. The supervisor should ensure the device's internal logs are downloaded and saved with the related arrest/crime report. The supervisor should ensure photographs of probe sites are taken and witnesses are interviewed.

#### **304.9 TRAINING**

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Administrative Sergeant. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Administrative Sergeant is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Administrative Sergeant should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

## Officer-Involved Shootings and Deaths

### 305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

### 305.2 POLICY

The policy of the Roseburg Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

### 305.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- (a) A criminal investigation of the suspect's actions.
- (b) A criminal investigation of the involved officer's actions.
- (c) An administrative investigation as to policy compliance by involved officers.
- (d) A civil investigation to determine potential liability.

### 305.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

#### 305.4.1 ROSEBURG POLICE DEPARTMENT OFFICER WITHIN THIS JURISDICTION

The Roseburg Police Department may be responsible for the criminal investigation of the suspect's actions, the civil investigation and the administrative investigation. The criminal investigation of the officer-involved shooting will be conducted by this agency or an inter-agency team as designated in the Officer-Involved Shooting Protocol in conjunction with the District Attorney's Office.

#### 305.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will include at least one investigator from another law enforcement agency (ORS 181A.790).

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Officer-Involved Shootings and Deaths*

---

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

#### 305.4.3 ROSEBURG POLICE DEPARTMENT OFFICER IN ANOTHER JURISDICTION

The agency where the incident occurred has criminal jurisdiction and is responsible for the criminal investigation of the incident. That agency may relinquish its criminal investigation of the suspect(s) to another agency. The Roseburg Police Department will conduct timely civil and/or administrative investigations whenever possible and considering any pending criminal investigation.

### **305.5 THE INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting.

#### 305.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved RPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

#### 305.5.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved RPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
  1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any RPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
  1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
  2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Watch Commander and Dispatch. If feasible, sensitive information should be communicated over secure networks.

# Roseburg Police Department

### *Officer-Involved Shootings and Deaths*

As it relates to this mandatory session, "involved officer" means (ORS 181A.790):
  - 1. An officer whose official conduct, or official order to use deadly physical force, was a cause in fact of the death of a person.
  - 2. An officer whose official conduct was not a cause in fact of the death of a person, but who was present before or during the deadly use of force and was reasonably likely exposed to more than a minor degree of stress or trauma.
- (e) A mental health professional may also be provided to any other affected RPD members, upon request.
  - 1. Interviews with a mental health professional will be considered privileged.

The Department should not return an involved officer to a duty assignment in which the officer may have to use deadly force for at least 72 hours after an incident where the application of deadly force resulted in the death of a person. The Department shall maintain the regular pay and benefits for any involved officer whose assignment is adjusted pursuant to this section (ORS 181A.790). As it relates to this duty assignment restriction, "involved officer" means (ORS 181A.790):

- (a) An officer whose official conduct, or official order to use deadly physical force, was a cause in fact of the death of a person.
- (b) An officer whose official conduct was not a cause in fact of the death of a person, but who was present before or during the deadly use of force and was reasonably likely exposed to more than a minor degree of stress or trauma.

#### **305.6 CRIMINAL INVESTIGATION**

It shall be the policy of this department to utilize the District Attorney's Office to provide guidance in a criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

If available, investigative personnel from this department may be assigned to partner with investigators from the Douglas County Major Crimes Team, or outside agencies to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) RPD supervisors and appropriate supervisor personnel should not participate directly in any voluntary interview of RPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

#### **305.6.1 REPORTS BY INVOLVED RPD OFFICERS**

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved RPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved RPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements

of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved RPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

#### 305.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

#### 305.6.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Criminal Investigations Division supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Criminal Investigations Division supervisor for approval. Privileged reports shall

be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

#### **305.7 ADMINISTRATIVE INVESTIGATION**

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved RPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the appropriate supervisor and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws.

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
  - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/ her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
  - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
  - 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
  - 3. Administrative interviews should be recorded by the investigator. The officer may also record the interview.
  - 4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
  - 5. The appropriate supervisor shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.

6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Operations Commander, who will restrict their findings as to whether there was compliance with the Use of Force Policy.
7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

#### **305.8 AUDIO AND VIDEO RECORDINGS**

Any officer involved in an incident may be permitted to review available Mobile Audio Video (MAV) or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or District Attorney's Office as appropriate.

#### **305.9 DEBRIEFING**

Following an officer-involved shooting or death, the Roseburg Police Department should conduct both a critical incident/stress debriefing and a tactical debriefing.

#### **305.10 MEDIA RELATIONS**

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Watch Commander, Criminal Investigations Division Commander and Public Information Officer in the event of inquiries from the media.

It will be the policy of this department to not release the identities of involved officers absent their consent or as required by law.

No involved officer shall be subjected to contact from the media and no involved RPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Division Commander.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

#### **305.11 REPORTING**

If the death of an individual resulted from an officer use of deadly force and occurred in the Roseburg Police Department jurisdiction, the Operations Division Commander will ensure that the Records Supervisor is provided with enough information to meet the reporting requirements to the Department of Justice (ORS 181A.790).

## Robbery / Burglary Response

### 306.1 GENERAL

The purpose of this Policy is to provide direction and guidance when responding to either a "robbery" or "burglary in progress" call. The robbery and burglary in progress response is one of the most hazardous requests for police service.

To be successful in apprehension of the suspect(s), and in the prevention of injury to officers, victims and citizens in the immediate area, a coordinated approach is essential.

### 306.2 ROBBERY RESPONSE

Upon receipt of a "robbery in progress" call or an activated alarm, the first two (2) officers assigned will take a surveillance position where the building can be seen, and activities observed, while remaining as concealed as possible. The first two (2) officers should coordinate their arrival times and direct other units as required. Time delays in dispatch and response should be considered. In many cases, the other units should be assigned to monitor an extended area around the victim location watching for fleeing or suspicious vehicles and pedestrians.

The primary units will attempt to briefly observe from a concealed location to assess the activity. If the officers see something indicative of a robbery, all units shall be advised. Units will be observant for involved persons outside of the location in waiting vehicles, acting as look-outs, and so on.

If it is not possible to determine if a robbery is occurring during the initial observation, officers outside may contact the victim business by telephone. If the manager/employee indicates a false alarm, they should be directed to a safe location outside where they can meet with an officer.

The Watch Commander shall be notified as soon as possible upon receipt of the call and shall respond to the scene upon confirmation of an actual robbery.

If in progress, the priority will then become adjusting the perimeter and attempting to formulate a plan that incorporates as many of the following conditions as possible for contact and arrest:

1. keeping concealed until the suspect(s) exit;
2. afford the suspect(s) little in the way of cover, concealment, or escape routes;
3. preventing suspects from accessing potential hostages which may include preventing suspect's retreat back into the building, if possible;
4. officers have adequate cover
5. an environment that minimizes innocent pedestrian and vehicle exposure to gunfire.

It is the policy of this department to attempt to avoid a hostage situation by allowing the suspect(s) to leave the building before making an attempt to apprehend, if at all possible. At times, it may be prudent to allow the suspects to depart their current location altogether and attempt to make the contact at another location, which poses less risk to innocent persons and officers.

# Roseburg Police Department

## Roseburg PD Policy Manual

### Robbery / Burglary Response

---

If it appears that the police presence has been compromised and a hostage situation may be involved, the officers will establish a secure perimeter and begin making appropriate notifications.

#### **Weapons**

Special weapons may be deployed by officers, qualified to use them, inside the building. The Watch Commander or Emergency Response Team Commander (if on scene) must authorize their deployment.

**NOTE:** ORS 161.239 (2) states police are not exempt from criminal charges relating to reckless or criminally negligent conduct.

#### **Suspect has Left the Scene**

Upon determining that a robbery has occurred, the area car shall be assigned to the call. The closest officer shall make an immediate information broadcast as listed below. The Watch Commander shall assign additional units to strategic locations based on the initial information provided by the officers on the scene. Requests for assistance from the Douglas County Sheriff's Office or the Oregon State Police should come from the Watch Commander. Only those units that are assigned or directed shall respond to the scene.

#### **Delayed Calls**

When the delay is of such an appreciable time so as to make ineffective tactical police responses such as positioning of units in strategic locations, etc., the call shall be handled as any other priority type call.

#### **Notification by the Watch Commander**

The Criminal Investigations Division will be notified if they have not already been assigned. The Watch Commander will insure that the Douglas County Sheriff's Office, Oregon State Police and other agencies as necessary are provided with the appropriate information. The Watch Commander shall insure that teletypes be sent as necessary.

#### **Crime Information Broadcasts**

The first officer/detective to make contact with the victim or witnesses shall conduct a brief interview. Pertinent information shall be transmitted to Dispatch without delay. The following information should be included:

1. type of actual crime;
2. time of occurrence;
3. location of the occurrence;
4. number, gender, and descent of the suspect(s)
5. anything unusual about the suspect's appearance;
6. weapon used;

### *Robbery / Burglary Response*

---

7. direction of travel;
8. how the suspect departed (foot or vehicle);
9. description of vehicle used, if any; and
10. property taken (if appropriate for case integrity).

A supplemental broadcast shall be made as soon as practical. The second broadcast should include a detailed description of the suspect(s) and any additions or corrections to the first broadcast, as necessary.

#### **306.3 BURGLARY RESPONSE**

"Burglary in progress" calls should be approached with the same caution given to the aforementioned described robbery calls.

Two (2) officers should be assigned to any "burglary in progress" call and additional units as deemed necessary by the Watch Commander. The first two (2) officers should attempt to coordinate their arrival and attempt to avoid announcing their approach to the scene. Establishing a perimeter should be the initial priority. Upon assessment of the scene for additional units by the first officers or the Watch Commander, an approach to the building may be made when the perimeter is secured. Entry and searching of the building will be completed according to established procedures, keeping in mind both the officer's safety and the apprehension of the suspect.

All procedures outlined in the previous Robbery in Progress Section shall apply to "burglary in progress" calls with regard to:

1. weapons in the building;
2. notifications;
3. crime information broadcasts;
4. requests for outside agency assistance; and
5. hostage situations.

#### **306.4 EMERGENCY VEHICLE RESPONSE**

Officers responding to either "robbery" or "burglary in progress" calls will operate their emergency vehicles in compliance with the Oregon Vehicle Code outlined in 820.300 and 820.320.

Operation of an emergency vehicle does not relieve the driver of an emergency vehicle or ambulance from the duty to drive with due regard for the safety of all other persons. In most cases, it is advantageous to respond silently. An overly hasty response jeopardizes the officer's safety and reduces the possibility of officers observing fleeing suspects while en route. Excessive speed, tire noise, lights, and sirens can tactically compromise responding officers and should be avoided when at all possible, considering the circumstances.

## Firearms

### 307.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

At the end of the assigned officer's shift, the patrol rifle will be returned to the department armory.

Only unloaded patrol rifles are permitted inside the station. For purposes of this section, unloaded means no magazine in the well and no round in the chamber. Officers shall take the patrol rifle directly to the patrol vehicle upon removing the rifle from the armory. Rifle magazines shall be loaded into the rifle before being placed into the patrol vehicle at an approved location where a clearing barrel is located.

Officers checking out a patrol rifle shall ensure the chamber is clear prior to loading the magazine into the rifle. Patrol rifles shall not be left unattended in an unlocked vehicle unless the vehicle remains in sight and is easily accessible (i.e. traffic stop). When the rifle is returned to the station, officers shall use an approved clearing area to remove the magazine and ensure the chamber is clear.

An officer who has checked out a patrol rifle, may relinquish the rifle to another officer without returning it to the armory. The officer assuming control of the patrol shall immediately ensure the weapon is in the "patrol ready" and do so at approved clearing area.

#### **307.5 SAFE HANDLING, INSPECTION AND STORAGE**

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.
- (c) Members shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into the jail section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.
- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Rangemaster approved by the Department for inspection and repair. Any firearm deemed in need

of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

#### 307.5.1 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

#### 307.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty shall successfully complete required department training with their duty firearms. In addition to required training, all members will qualify at least annually with their duty, off-duty and secondary firearms. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

#### 307.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
  1. Unauthorized range make-up
  2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

#### 307.7 FIREARM DISCHARGE

Except during training, while dispatching a wounded animal or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

---

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or provide a statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, a written report shall be submitted or statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

#### **WARNING AND OTHER SHOTS:**

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless extraordinary circumstances exist and the officer reasonably believes that they appear necessary, effective and reasonably safe.

#### **307.8 DESTRUCTION OF ANIMALS**

Officers are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances in which officers have sufficient advance notice that a potentially dangerous animal may be encountered, officers should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, CED device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any officer from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

An officer may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

#### **307.9 RANGEMASTER DUTIES**

The range will be under the exclusive control of a certified Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Administrative Sergeant after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to their personally owned firearm; it will not be returned to service until it has been inspected and approved by the Rangemaster.

### *Firearms*

---

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning, and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Administrative Sergeant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided, and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance, or other records as directed by the Administrative Sergeant.

#### **307.10 FLYING WHILE ARMED**

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Roseburg Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Roseburg Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the Officer's travel. If approved, TSA will send the Roseburg Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.

### *Firearms*

---

- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

## Vehicle Pursuits

### 308.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public and fleeing suspects.

#### 308.1.1 DEFINITIONS

Definitions related to this policy include:

**Blocking or vehicle intercept** - A slow-speed coordinated maneuver where two or more pursuing vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop. The goal is containment and preventing a pursuit. Blocking is not a moving or stationary road block.

**Boxing-in** - A tactic designed to stop a suspect's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Pursuit Intervention Technique (PIT)** - A low-speed maneuver designed to cause the suspect vehicle to spin out, stall and come to a stop.

**Ramming** - The deliberate act of contacting a suspect's vehicle with another law enforcement vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

**Roadblocks** - A tactic designed to stop a suspect's vehicle by intentionally placing a law enforcement vehicle or other immovable object in the path of the suspect's vehicle.

**Terminate** - To discontinue a pursuit or stop chasing fleeing vehicles - resume obeying all traffic laws without emergency equipment activated, so as to clearly indicate an absence of participation in a pursuit.

**Tire deflation device** - A device designed to puncture the tires of the pursued vehicle.

**Trail** - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit.

**Vehicle pursuit** - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly or driving in a legal manner but willfully failing to yield to an officer's emergency signal to stop.

#### 308.1.2 DOUGLAS COUNTY INTER-AGENCY PURSUIT POLICY

Our agency has signed an Inter-Agency Pursuit Policy to standardize the procedures used when Douglas County Law Enforcement Agencies interact during a pursuit. The contents of this agreement are as follows:

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

The need for overtaking and halting a fleeing vehicle must be carefully weighed against the totality of circumstances present at that time. This Interagency Pursuit Agreement for law enforcement agencies in Douglas County identifies common procedures of conducting a vehicular pursuit that may cross cooperative policing boundaries within the County. The intent of the agreement is to ensure the safety of the general public, pursuing law enforcement officers and the occupants of the fleeing vehicle. This agreement supplements each department's current pursuit policies and procedures and is not designed to replace them.

For the purpose of this agreement, the following definitions will be used.

#### **Pursuit:**

An attempt by a law enforcement officer in an authorized emergency vehicle to apprehend any occupant of another moving motor vehicle when the driver of the fleeing vehicle is attempting to avoid apprehension by maintaining or increasing the speed of such vehicle or by ignoring the police officer's attempt to stop such vehicle.

#### **Primary Unit:**

Any law enforcement vehicle that initiates a pursuit or accepts responsibility for the pursuit by becoming the first law enforcement vehicle directly behind the fleeing vehicle.

#### **Secondary Unit:**

The second or back-up law enforcement vehicle in a pursuit.

#### **Supervisor:**

A person designated by a law enforcement agency to have supervisory control over the operation of the agency's personnel and vehicles during the pursuit.

#### **Communications:**

The County Communications Center (911) or Southern Regional Dispatch Center (SRDC) or the personnel staffing the communications center.

#### **General Procedures:**

When a law enforcement agency in Douglas County originates a motor vehicle pursuit or becomes the primary or secondary unit in a pursuit originating from outside the County, the appropriate communications center will immediately notify a supervisor from the responsible agency.

The supervisor of the responsible agency will be considered to be in control of the pursuit when:

1. The primary unit in the pursuit is from the supervisor's law enforcement agency.
2. He/she officially accepts the responsibility for control of the pursuit from a supervisor or member of another law enforcement agency.
3. If no supervisor from the responsible agency is available, the primary officer engaged in the pursuit will be considered to be responsible for **continuing** or **terminating** the pursuit.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

Pursuits will be limited to one primary and one secondary law enforcement unit. Any additional units involved must be authorized by a supervisor (preferably the supervisor managing the pursuit). It is recommended that the second unit in the pursuit provide the majority of radio traffic to the communications center, including the direction, speed and location of the pursuit at regular intervals.

When the pursuit becomes multi-agency, all units in pursuit will switch to the primary Douglas County Communications frequency. Pursuing units will stay on the primary county law enforcement channel (Law 1) unless directed otherwise by the Douglas County Communications Center or the Supervisor in charge of the pursuit.

If the pursuit originates in a municipality and continues outside city limits, the municipal units should seek assistance from County and/or State units. Once there are a total of two County or State units in position to continue the pursuit, the municipal unit(s) will suspend their participation in the pursuit.

If the pursuit originates outside city limits and is being conducted by County and/or State units, the communications center will make every effort to notify the appropriate municipal agencies that a pursuit is in progress and may enter their jurisdiction.

If the pursuit enters a city, pursuing County and/or State units should seek assistance from City law enforcement units. A law enforcement supervisor from that jurisdiction may elect to:

1. Monitor the pursuit and allow it to continue by County and or State units.
2. Direct Municipal units into a position to assume primary or secondary responsibility for the pursuit.
3. Request County and/or State units to terminate the pursuit.

It is recommended that when a pursuit enters city limits and a City unit assumes a secondary position in the pursuit that the City unit act as a an advisor to the primary unit, providing information on city streets and potential hazards.

Pursuit Termination Guidelines:

**A pursuit will be terminated by everyone involved upon the following conditions:**

1. The primary pursuit vehicle calls for complete termination of the pursuit.
2. The secondary pursuit vehicle calls for complete termination of the pursuit.
3. The supervisor controlling the pursuit calls for complete termination of the pursuit.
4. When the risk of the pursuit outweighs the need of immediate apprehension, the pursuit should be terminated. (Language taken from the current EVOG lesson plan).
5. When anyone involved in the pursuit calls for the complete termination of the pursuit.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

**Primary and secondary units or the supervisor in control of the pursuit must make it clear to communications and other involved law enforcement units that they are calling for complete termination of the pursuit and not just terminating their individual participation.**

**Supervisors from different law enforcement agencies must work together with communications to ensure the smooth transfer of supervisory control and responsibility in a multi-agency pursuit.**

**The use of Spike Strips** should be considered early in the incident as a means of safely terminating the pursuit. The request for the deployment of spike strips may be made to any law enforcement agency in position to deploy them. However, it should be recognized that clear communications and coordination between the pursuing units and the law enforcement units attempting to deploy the spike strips is vital to ensure the safety of everyone involved.

**Tactical Vehicle Intervention (TVI)** may only be used by those units involved that have satisfactorily completed a TVI course of instruction by their Department. This technique will only be used under the individual agencies pursuit policy and guidelines.

**This Interagency Agreement is not meant to supersede any individual agency's pursuit policy and all officers involved must remember they are governed first by their agency's policy. If any conflicts between the Interagency Policy and the officer's individual agency's policy arise, the individual agency policy shall govern those officers from that agency and may require them to terminate their involvement in the pursuit.**

Original Agreement July 1993 / Amended February 2001 / Amended July 2005

### **308.2 OFFICER RESPONSIBILITIES**

Vehicle pursuits shall only be conducted using authorized police department emergency vehicles that are equipped with and displaying emergency lighting and sirens as required by law (ORS 801.260).

Officers shall drive with due regard for the safety of all persons and property. However, officers may, when in pursuit of a suspect and provided there is no unreasonable risk to persons and property (ORS 820.300; ORS 820.320):

- (a) Proceed past a red or stop signal or stop sign but only after slowing down as may be necessary for safe operation.
- (b) Exceed the speed limit.
- (c) Disregard regulations governing direction of movement or turning in specified directions.

#### **308.2.1 WHEN TO INITIATE A PURSUIT**

Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect, who has been given an appropriate signal to stop by a law enforcement officer, is attempting to evade arrest or detention by fleeing in a vehicle.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

Factors that should be considered, both individually and collectively, when deciding to initiate or continue a pursuit include but are not limited to:

- (a) The seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists, and others.
- (c) The safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones), and the speed of the pursuit relative to these factors.
- (d) The pursuing officers' familiarity with the area of the pursuit, the quality of radio communications between the pursuing vehicles and the dispatcher/supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit.
- (e) Whether weather, traffic, and road conditions unreasonably increase the danger of the pursuit when weighed against the risks resulting from the suspect's escape.
- (f) Whether the identity of the suspect has been verified and whether there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.
- (g) The performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (h) Emergency lighting and siren limitations on unmarked police department vehicles that may reduce visibility of the vehicle, such as visor or dash-mounted lights, concealable or temporary emergency lighting equipment, and concealed or obstructed siren positioning.
- (i) Vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders, hostages).
- (k) The availability of other resources such as helicopter assistance.
- (l) Whether the pursuing vehicle is carrying passengers other than on-duty police officers. Pursuits should not be undertaken with an arrestee in the pursuit vehicle unless exigent circumstances exist, and then only after the need to apprehend the suspect is weighed against the safety of the arrestee in transport. A vehicle containing more than a single arrestee should not be involved in a pursuit.
- (m) Officers should not initiate a pursuit if they have a civilian rider unless exigent circumstances exist, and then only after the need to apprehend the suspect is weighed against the safety of the civilian rider being transported.

#### 308.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspects' escape.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

When a supervisor directs the pursuit to be terminated, officers will immediately terminate the pursuit.

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves, and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should also be considered in deciding whether to terminate a pursuit, including:

- (a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuing vehicle's emergency lighting equipment or siren becomes partially or completely inoperable.
- (e) Hazards to uninvolved bystanders or motorists.
- (f) The danger that the continued pursuit poses to the public, the officers, or the suspect, balanced against the risk of allowing the suspect to remain at large.
- (g) The identity of the suspect is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.
- (h) Initiating or extending pursuits of violators for misdemeanors not involving violence or weapons (independent of the pursuit) are generally discouraged.

#### **308.2.3 USE OF FIREARMS**

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Officers should not utilize firearms during an ongoing pursuit unless the conditions and circumstances dictate that such use reasonably appears necessary to protect life. Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

#### **308.3 PURSUIT VEHICLES**

When involved in a pursuit, unmarked police department emergency vehicles should be replaced by marked emergency vehicles whenever practicable.

Vehicle pursuits should be limited to two police department emergency vehicles. However, the number of vehicles involved will vary with the circumstances.

An officer or supervisor may request additional vehicles to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the number of suspects. All other officers shall stay out of the pursuit but should remain alert

# Roseburg Police Department

### *Vehicle Pursuits*

---

to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the pursuit termination point at legal speeds, following the appropriate rules of the road.

#### 308.3.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT, POLICE MOTORCYCLES AND UNMARKED VEHICLES WITHOUT OVERHEAD LIGHT BARS

Police motorcycles and unmarked vehicles, although equipped with lights and siren, should not be used as either the primary or secondary units in a pursuit except when absolutely necessary and unavoidable because of their decreased visibility to the public. Police motorcycles and unmarked vehicles should only be used as a last resort when the safety of the public or other officers clearly outweighs the risk of their use.

In instances where their use is necessary and unavoidable as described above, motorcycles and unmarked vehicles shall relinquish their position as primary unit as soon as a marked vehicle can take over. Motorcycles and unmarked vehicles shall only serve as secondary units in a pursuit until a marked vehicle can take over. The exemptions provided by Oregon Revised Statutes 820.300 do not apply to officers using vehicles which do not qualify as emergency vehicles under Oregon Revised Statutes 801.260.

Officers operating vehicles not equipped with emergency lights and siren are prohibited from initiating or joining in any pursuit. Officers in such vehicles may provide support to pursuing vehicles as long as the vehicle is operated in compliance with all traffic laws. Those officers should discontinue such support immediately upon arrival of a sufficient number of authorized emergency police department vehicles or any air support.

#### 308.3.2 PRIMARY PURSUIT VEHICLE RESPONSIBILITIES

The initial pursuing officer will be designated as the primary pursuit vehicle and will be responsible for the conduct of the pursuit unless the officer is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspect without unreasonable danger to themselves or others.

The primary pursuing officer should notify the dispatcher, commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including but not limited to:

- (a) The location, direction of travel, and estimated speed of the suspect's vehicle.
- (b) The description of the suspect's vehicle including the license plate number, if known.
- (c) The reason for the pursuit.
- (d) The use of firearms, threat of force, violence, injuries, hostages, or other unusual hazards.
- (e) The number of occupants and identity or description.
- (f) The weather, road, and traffic conditions.
- (g) The need for any additional resources or equipment.
- (h) The identity of other law enforcement agencies involved in the pursuit.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

Until relieved by a supervisor or a secondary pursuing officer, the officer in the primary pursuit vehicle shall be responsible for broadcasting the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing officer should, as soon as practicable, relinquish the responsibility of broadcasting the progress of the pursuit to an officer in a secondary pursuit vehicle or to air support joining the pursuit to minimize distractions and allow the primary pursuing officer to concentrate foremost on safe pursuit tactics.

#### **308.3.3 SECONDARY PURSUIT VEHICLE RESPONSIBILITIES**

The second officer in the pursuit will be designated as the secondary pursuit vehicle and is responsible for:

- (a) Immediately notifying the dispatcher of his/her entry into the pursuit.
- (b) Remaining a safe distance behind the primary pursuit vehicle unless directed to assume the role of primary pursuit vehicle, or if the primary pursuit vehicle is unable to continue the pursuit.
- (c) Broadcasting information that the primary pursuing officer is unable to provide.
- (d) Broadcasting the progress of the pursuit, updating known or critical information and providing changes in the pursuit, unless the situation indicates otherwise.
- (e) Identifying the need for additional resources or equipment as appropriate.
- (f) Serving as backup to the primary pursuing officer once the suspect has been stopped.

#### **308.4 SUPERVISORY CONTROL AND RESPONSIBILITIES**

Available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The Watch Commander of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for:

- (a) Immediately notifying involved officers and the dispatcher of supervisor presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit. This is in order to ensure that the pursuit is conducted within established department guidelines.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the required law enforcement vehicles are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in the Watch Commander or field supervisor's judgment, it is not justified to continue the pursuit under the guidelines of this policy.
- (f) Ensuring that assistance from air support, canines, or additional resources is requested, if available and appropriate.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

- (g) Ensuring that the proper radio channel is being used.
- (h) If applicable, ensuring that the Watch Commander is notified of the pursuit, as soon as practicable.
- (i) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this department.
- (j) Controlling and managing Roseburg Police Department officers when a pursuit enters another jurisdiction.
- (k) Preparing a post-pursuit review and documentation of the pursuit as required.

#### **308.4.1 WATCH COMMANDER RESPONSIBILITIES**

Upon becoming aware that a pursuit has been initiated, the Watch Commander should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Watch Commander has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

The Watch Commander shall review all pertinent reports for content and forward to the Division Commander.

#### **308.5 DISPATCH**

If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a Watch Commander or dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved officers should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies.

#### **308.6 INTERJURISDICTIONAL CONSIDERATIONS**

When a pursuit enters another agency's jurisdiction, the primary pursuing officer or Watch Commander, taking into consideration distance traveled, unfamiliarity with the area, and other pertinent facts, should determine whether or not to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary pursuing officer or Watch Commander ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether the jurisdiction is expected to assist.

##### **308.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY**

Officers will relinquish control of the pursuit when another agency has assumed the pursuit, unless the continued assistance of the Roseburg Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may proceed, with Watch Commander approval, to the termination point of the pursuit to assist in the investigation. The Watch Commander should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

The role and responsibilities of officers at the termination point of a pursuit initiated by this department shall be coordinated with appropriate consideration of the needs of the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local law enforcement agencies, a request for another agency's assistance will mean that its personnel will assume responsibility for the pursuit. For the same reasons, when a pursuit leaves another jurisdiction and a request for assistance is made to this department, the other agency should relinquish control.

#### **308.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION**

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Officers from this department should not join a pursuit unless specifically requested to do so by the pursuing agency and with approval from a Watch Commander. The exception to this is when a single vehicle from the initiating agency is in pursuit. Under this circumstance, an officer from this department may, with Watch Commander approval, immediately join the pursuit until sufficient vehicles from the initiating agency join the pursuit or until additional information is provided allowing withdrawal from the pursuit.

When a request is made for this department to assist or take over a pursuit that has entered the jurisdiction of the Roseburg Police Department, the Watch Commander should consider:

- (a) The public's safety within this jurisdiction.
- (b) The safety of the pursuing officers.
- (c) Whether the circumstances are serious enough to continue the pursuit.
- (d) Whether there is adequate staffing to continue the pursuit.
- (e) The ability to maintain the pursuit.

As soon as practical, the Watch Commander should review a request for assistance from another agency. The Watch Commander, after consideration of the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing agency by officers of this department will conclude at the City limits, provided that the pursuing agency has sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that the termination point of a pursuit from another agency is within this jurisdiction, officers shall provide appropriate assistance, including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

#### **308.7 REPORTING REQUIREMENTS**

All appropriate reports shall be completed to comply with appropriate laws and policies or procedures:

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

- (a) The primary pursuing officer shall complete appropriate crime/arrest reports.
- (b) The primary pursuing officer or Watch Commander shall complete the appropriate pursuit report.
- (c) After first obtaining the available information, the involved, or if unavailable, Watch Commander shall promptly complete a supervisor's log entry or interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or the authorized designee. This log or memorandum should include, at a minimum:
  - 1. Date and time of pursuit.
  - 2. Initial reason and circumstances surrounding the pursuit.
  - 3. Length of pursuit in distance and time, including the starting and termination points.
  - 4. Involved vehicles and officers.
  - 5. Alleged offenses.
  - 6. Whether a suspect was apprehended, as well as the means and methods used.
    - (a) Any use of force shall be reported and documented in compliance with the Use of Force Policy.
  - 7. Arrestee information, if applicable.
  - 8. Any injuries and/or medical treatment.
  - 9. Any property or equipment damage.
  - 10. Name of supervisor at the scene or who handled the incident.
  - 11. A preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.
  - 12. After receiving copies of reports, logs, and other pertinent information, the Chief of Police or the authorized designee shall conduct or assign the completion of a post-pursuit review, as appropriate.
  - 13. Annually, the Chief of Police should direct a documented review and analysis of department vehicle pursuits to minimally include policy suitability, policy compliance, and training needs.

### **308.8 PURSUIT DRIVING**

The decision to use specific driving tactics requires the same assessment of the factors officer considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for officers who are involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles so that they are able to see and avoid hazards or react safely to unusual maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Pursuits*

---

1. Available officers not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
  2. Pursuing officers should exercise due caution and slow down as may be necessary when proceeding through controlled intersections.
- (c) As a general rule, officers should not pursue a vehicle driving the wrong way on a roadway, highway or freeway. In the event the pursued vehicle does so, the following tactics should be considered:
1. Request assistance from available air support.
  2. Maintain visual contact with the pursued vehicle by paralleling the vehicle on the correct side of the roadway.
  3. Request other officers to observe exits available to the suspect.
  4. Notifying the Oregon State Police (OSP) or other law enforcement agency when it appears that the pursuit may enter its jurisdiction.
- (d) Officers involved in a pursuit should not attempt to pass other pursuing vehicles unless the situation indicates otherwise or they are requested to do so by the pursuing officer and with a clear understanding of the maneuver process between the involved officers.

#### 308.8.1 PURSUIT TRAILING

In the event that initial pursuing officers relinquish control of the pursuit to another agency, the initial officers may, with the permission of a supervisor, trail the pursuit to the termination point in order to provide information and assistance for the arrest of the suspect and reporting the incident.

The term trail means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit.

#### 308.8.2 AIR SUPPORT ASSISTANCE

When available, air support assistance should be requested. Once the air support crew has established visual contact with the pursued vehicle, they should assume communication control over the pursuit. The primary and secondary ground pursuit vehicles, or involved supervisor, will maintain operational control but should consider whether the participation of air support warrants their continued close proximity and/or involvement in the pursuit.

The air support crew should coordinate the activities of resources on the ground, report progress of the pursuit, and provide officers and supervisors with details of upcoming traffic congestion, road hazards or other pertinent information to evaluate whether to continue the pursuit. If officers on the ground are not within visual contact of the pursued vehicle and the air support crew determines that it is unsafe to continue the pursuit, the air support crew should recommend terminating the pursuit.

#### **308.8.3 OFFICERS NOT INVOLVED IN THE PURSUIT**

Officers who are not involved in the pursuit should remain in their assigned area, should not parallel the pursuit route and should not become involved with the pursuit unless directed by a Watch Commander. Uninvolved officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Those officers should attempt to place their vehicles in locations that provide some safety or an escape route in the event of an unintended collision or if the suspect intentionally tries to ram the police department vehicle.

Non-pursuing members needed at the pursuit termination point should respond in a nonemergency manner, observing the rules of the road.

The primary and secondary pursuit vehicles should be the only vehicles operating under emergency conditions (emergency lights and siren) unless other officers are assigned to the pursuit.

#### **308.9 LOSS OF PURSUED VEHICLE**

When the pursued vehicle is lost, the involved officers should broadcast pertinent information to assist other officers in locating the vehicle. The primary pursuing officer will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

#### **308.10 POLICY**

It is the policy of this department to weigh the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.

#### **308.11 CAPTURE OF SUSPECTS**

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

Unless relieved by a Watch Commander, the primary pursuing officer should coordinate efforts to apprehend the suspect following the pursuit. Officers should consider the safety of the public and the involved officers when formulating plans for setting up perimeters or for containing and capturing the suspect.

#### **308.12 PURSUIT TRAINING**

In addition to initial and supplementary training on pursuits, all officers will participate no less than annually, in regular and periodic training addressing this policy and the importance of vehicle safety and protecting the public. Training will include recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.

#### **308.13 POLICY REVIEW**

Officers of this department shall certify in writing that they have received, read and understand this policy initially, upon any amendments and whenever training on the policy is provided.

# Roseburg Police Department

### *Vehicle Pursuits*

---

#### **308.14 ANNUAL REVIEW**

During the first calendar quarter of each year, the Operations Division Commander will ensure that an annual review of all vehicle pursuit incidents for the previous calendar year is conducted. The analysis will focus on the effectiveness and trends in the use of vehicle pursuits that might suggest training or equipment needs, or policy modification. Specific detail including items such as officer names, case numbers, location of occurrence are not needed for this purpose and therefore will not be part of this process.

## Officer Response to Calls

### 309.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

### 309.2 RESPONSE TO CALLS

Officers shall proceed immediately to calls that are of an emergency nature. A code 3 response should be considered when available information reasonably indicates that a person is threatened with injury or death, a felony property crime is in progress, or serious property damage is imminent and a more immediate law enforcement response is needed to mitigate injury, property loss, or to apprehend the suspect(s).

Officers responding Code 3 shall operate emergency lights and siren as is reasonably necessary pursuant to ORS 820.300 and ORS 820.320. Officers shall only use the wail and yelp function of the siren as an emergency sound. The hi-lo function of the siren is not considered an emergency sound pursuant to OAR 735-110-0000(8) and OAR 735-110-0010(1-3).

Responding with emergency light(s) and siren does not relieve the officer of the duty to continue to drive with due regard for the safety of all persons.

ORS 820.320(2) allows officers to omit the use of emergency lights and siren if it reasonably appears that the use of either or both would prevent or hamper the apprehension or detection of a violator. Except as stated in the previous sentence, Officers who fail to use appropriate warning equipment, are not exempt from following the rules of the road (ORS 820.300).

Officers responding to non-emergency calls shall observe all traffic laws and proceed without the use of emergency lights and siren.

### 309.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify Dispatch.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Officer Response to Calls*

---

#### **309.4 RESPONSIBILITIES OF RESPONDING OFFICER(S)**

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed, or stop at all street intersections as may be necessary for safe operation.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of emergency lights and siren at the legal speed limit. In such an event, the officer should immediately notify Dispatch. An officer shall also discontinue the Code-3 response when directed by a supervisor.

#### **309.5 SUPERVISORY RESPONSIBILITIES**

Upon being notified that a Code-3 response has been initiated, the Watch Commander shall verify the following:

- (a) The proper response has been initiated
- (b) No more than those units reasonably necessary under the circumstances are involved in the response
- (c) Affected outside jurisdictions are being notified as practical

The Watch Commander shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment, is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Watch Commander should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

#### **309.6 FAILURE OF EMERGENCY EQUIPMENT**

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Watch Commander or Dispatch of the equipment failure so that another unit may be assigned to the emergency response.

## Canines

### 310.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment law enforcement services in the community, including but not limited to locating individuals and contraband and apprehending criminal offenders.

### 310.2 GUIDELINES FOR THE USE OF CANINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed or threatened to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief that the individual poses an imminent threat of violence or serious harm to the public, any officer or the handler.
- (b) The individual is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The individual(s) is/are believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. In any such case, a standard of objective reasonableness shall be used to review the decision to use a canine in view of the totality of the circumstances.

Absent reasonable belief that an individual has committed or threatened to commit a serious offense, mere flight from pursuing officers shall not serve as good cause for the use of a canine to apprehend the individual.

Once the individual has been located and no longer reasonably appears to represent a threat or risk of escape, the canine should be placed in a down-stay or otherwise secured as soon as it becomes reasonably practical.

### 310.3 REQUEST FOR USE OF CANINE TEAMS

Personnel within the Department are encouraged to freely solicit the use of the canines. Requests for a canine team from outside of Patrol shall go through the Canine Supervisor or the Watch Commander.

### 310.4 CANINE SUPERVISOR

The canine supervisor shall be appointed by and directly responsible to the Operations Division Commander or the authorized designee.

The responsibilities of the supervisor include but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.

# Roseburg Police Department

### Canines

---

- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine supervisors.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

#### **310.5 CARE FOR THE CANINE AND EQUIPMENT**

The handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions. The handler will be responsible for the following:

- (a) Unless required by a particular application, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition.
- (c) When a handler takes a vacation or extended number of days off, the canine vehicle shall be maintained at the Police facility.
- (d) Handlers shall permit the Unit Coordinator to conduct spontaneous on-site inspections of affected areas of their residence as well as the canine unit, to verify that conditions and equipment conform to this policy.
- (e) Any changes in the living status of the handler which may affect the lodging or environment of the canine shall be reported to the Unit Coordinator as soon as possible.
- (f) When off-duty, canines shall be maintained in kennels, provided by the City, at the homes of their handlers. When a canine is kenneled at the handler's home, the gate shall be secured. When off-duty, canines may be let out of their kennels while under the direct control of their handlers.
- (g) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (h) Under no circumstances will the canine be lodged at another location unless approved by the Unit Coordinator or Watch Commander.
- (i) When off-duty, handlers shall not involve their canines in any extraordinary activity or conduct unless approved in advance by the Unit Coordinator or Watch Commander.
- (j) Whenever a canine handler anticipates taking a vacation or an extended number of days off, it may be necessary to temporarily relocate the canine. In those situations,

the handler shall give reasonable notice to the Unit Coordinator so that appropriate arrangements can be made.

#### **310.6 APPREHENSION GUIDELINES**

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer, or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Watch Commander. Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

##### **310.6.1 PREPARATION FOR DEPLOYMENT**

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.

# Roseburg Police Department

- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

#### 310.6.2 MEDICAL CARE

The handler should notify the Canine Supervisor as soon as practicable when emergency medical care is required.

Depending on the severity of the illness or injury, the canine should either be treated by the designated veterinarian or transported to a designated emergency medical facility for treatment. If the handler and dog are out of the area, the handler may use the nearest available veterinarian.

Non-emergency medical care will be coordinated through the Canine Supervisor. Any indication that a canine is not in good physical condition shall be reported to the Canine Supervisor or the Watch Commander as soon as practical.

All records of medical treatment shall be maintained by the canine handler or Canine Supervisor.

#### **310.7 NON-APPREHENSION GUIDELINES**

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

- (a) Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

# Roseburg Police Department

### Canines

---

- (c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

#### 310.7.1 TRAINING

Before assignment in the field, each canine handler must have completed formal training in the care and use of the law enforcement animal, or must have passed the demonstration of minimum standards established by the Oregon Police Canine Association (OPCA) or other accredited and recognized animal handling organization (ORS 167.310). Cross trained dog teams or those dog teams trained exclusively for the detection of drugs and/or explosives shall be trained and certified to meet the standards established for such detection dogs.

Each canine team shall thereafter be recertified to current OPCA standards (as applicable) or other accredited and recognized animal handling organization on an annual basis. Additional training considerations are as follows:

- (a) Canine teams shall receive training as defined in the current contract and/or department policy.
- (b) Canine handlers are encouraged to engage in additional training with approval of the Canine Supervisor.
- (c) To ensure that all training is consistent, no handler, trainer, or outside vendor is authorized to train to a standard that is contrary to the policies of the Roseburg Police Department.
- (d) All canine training should be conducted while on-duty unless otherwise approved by the Canine Supervisor or Watch Commander.

#### 310.7.2 CERTIFICATION REQUIREMENTS

Any dog team failing OPCA canine certification standards (as applicable) or other accredited or recognized animal handling organization standards shall not be deployed in the field until certification is achieved. When practical, pending successful certification, the canine handler should be temporarily reassigned to regular patrol duties.

#### 310.7.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's training file.

### 310.8 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) An officer who is currently off probation.
- (b) Residing in an adequately fenced single-family residence (minimum 5-foot-high fence with locking gates).

- (c) Living within 10 miles of the Roseburg Police Department, unless otherwise authorized by the Chief of Police or Operations Commander.
- (d) Agreeing to be assigned to the position for a minimum of three years.

#### **310.9 HANDLER RESPONSIBILITIES**

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions.

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition.
- (c) When not in service, the handler should maintain the canine vehicle away from public view, if possible.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Roseburg Police Department facility.
- (e) Handlers shall permit the canine supervisor to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine supervisor as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the City at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine supervisor or Watch Commander.
- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine supervisor or Watch Commander.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine supervisor so that appropriate arrangements can be made.
- (l) Handlers should not tether a canine in a manner that would violate ORS 167.325(1); ORS 167.330(1); and/or ORS 167.343.

#### 310.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

#### 310.10 CONTROLLED SUBSTANCE TRAINING AIDS

Controlled substance training aids are required to effectively train and maintain drug detecting dogs. Further, controlled substances can also be an effective training aid during training sessions for law enforcement personnel and the public.

The Operations Commander or designee may authorize the use of controlled substances in the possession of the Roseburg Police Department for training purposes:

- (a) The controlled substances may be obtained from the Property Control Officer from evidence seized by the department provided the controlled substances are no longer needed as criminal evidence and are scheduled to be destroyed; or
- (b) The controlled substances may be obtained from DINT or other sources authorized by the Chief or Operations Commander.

#### 310.11 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of accidental ingestion of these controlled substances by the canine, the following procedure shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler.
- (b) The weight and test results shall be recorded and maintained by the canine supervisor.
- (c) Any person receiving controlled substance training samples shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed, and tested. The results of the testing shall be recorded and maintained by the canine supervisor with a copy forwarded to the dispensing agency.
- (e) The Canine Unit Coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (f) Any unusable controlled substance training samples shall be returned to the Property Control Officer or to the dispensing agency. Returned training samples will be weighed and retested.
- (g) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training if requested, or otherwise destroyed in accordance with RPD property procedures.

## Domestic Violence

### 311.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

#### 311.1.1 DEFINITIONS

Definitions related to this policy include:

**Court order** - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

### 311.2 POLICY

The Roseburg Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

### 311.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

### 311.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence, and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.

- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Criminal Investigations Division in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Whether the suspect lives on the premises with the victim.
  - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
  - 3. The potential financial or child custody consequences of arrest.
  - 4. The physical or emotional state of either party.
  - 5. Use of drugs or alcohol by either party.
  - 6. Denial that the abuse occurred where evidence indicates otherwise.
  - 7. A request by the victim not to arrest the suspect.
  - 8. Location of the incident (public/private).
  - 9. Speculation that the complainant may not follow through with the prosecution.
  - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
  - 11. The social status, community status, or professional position of the victim or suspect.

#### 311.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.

- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

#### **311.4.2 IF NO ARREST IS MADE**

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
  - 1. Voluntary separation of the parties.
  - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

#### **311.5 VICTIM ASSISTANCE**

Victims may be traumatized or confused. Officers should:

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

An officer who has probable cause to believe there are circumstances for a mandatory arrest or that a victim is in immediate danger of abuse may apply for an emergency protective order with the consent or permission of the victim (ORS 133.035).

#### **311.6 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it

reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

#### **311.6.1 ENTRY OF FOREIGN COURT ORDERS INTO DATA SYSTEMS**

When an individual presents a copy of a foreign restraining order for entry into LEDS, the Sheriff shall enter the order into LEDS and NCIC after promptly verifying (ORS 24.190):

- (a) The validity of the order.
- (b) The order can be enforced pursuant to ORS 24.190.
- (c) The individual restrained has been served a copy of the order or has notice of the order.

#### **311.7 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

#### **311.8 STANDARDS FOR ARREST**

- (a) Officers who respond to an incident of domestic disturbance and have probable cause to believe an assault has occurred between family or household members as defined in ORS 107.705, or who believe that one such person has created in the other a fear of imminent serious physical injury, shall arrest and take into custody the alleged assailant or potential assailant (ORS 133.055).
- (b) Dual arrests are not required (ORS 133.055). Officers shall make reasonable efforts to identify and arrest the primary assailant in any incident. In identifying the primary assailant, an officer shall consider:

# Roseburg Police Department

### *Domestic Violence*

---

1. The comparative extent of the injuries inflicted or the seriousness of threats creating a fear of physical injury.
  2. If reasonably ascertainable, the history of domestic violence between the persons involved.
  3. Whether any alleged crime was committed in self-defense.
  4. The potential for future assaults.
- (c) Once a suspect has been arrested under the provisions of ORS 133.055, the suspect shall be taken to jail. Officers have no authority to release the arrested person.
- (d) Officers shall arrest and take a suspect into custody when the officer has probable cause to believe that a restraining order or emergency protective order has been issued, a copy of the order and proof of service on the suspect have been filed, and the suspect has violated the terms of the order (ORS 133.310).

#### **311.9 REPORTS AND NOTIFICATIONS**

Officers should document in their report that they provided each domestic violence victim with a copy of the department's domestic violence victim information handout (Oregon Revised Statutes 133.055).

Reporting officers should also provide the victim with the case number of the report.

## Search and Seizure

### 312.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Roseburg Police Department personnel to consider when dealing with search and seizure issues.

### 312.2 POLICY

It is the policy of the Roseburg Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

### 312.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

### *Search and Seizure*

#### **312.4 SEARCH PROTOCOL**

Although conditions will vary and officer safety and other exigencies must be considered in every search situation; the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search.
  1. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

#### **312.5 DOCUMENTATION**

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

## Temporary Custody of Juveniles

### 313.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Roseburg Police Department (34 USC § 11133).

Guidance regarding contacting juveniles at schools or those who may be victims is provided in the Child Abuse Policy.

#### 313.1.1 DEFINITIONS

Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This includes a juvenile taken into protective custody pursuant to a court order or without an order when there is reasonable cause to believe that (ORS 419B.150; ORS 419B.152):

- (a) An imminent threat of severe harm to the child exists.
- (b) The child poses an imminent threat of severe harm to self or others.
- (c) An imminent threat that the child may be removed from the jurisdiction of the juvenile court exists.
- (d) The child has run away from home.

This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

**Juvenile offender** - A juvenile under 18 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes a juvenile who possesses a handgun in violation of ORS 166.250 (28 CFR 31.303).

**Non-secure custody** - When a juvenile is held in the presence of an officer or other department member at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication, is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

### *Temporary Custody of Juveniles*

---

- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when an unsecure booking area is available.

**Sight and sound separation** - Located or arranged to prevent physical, visual, or auditory contact.

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, or truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender.

#### **313.2 POLICY**

The Roseburg Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Roseburg Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

#### **313.3 JUVENILES WHO SHOULD NOT BE HELD**

Juveniles who exhibit any of the following conditions should not be held at the Roseburg Police Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated
- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the Roseburg Police Department unless they have been evaluated by a qualified medical and/or mental health professional.

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed.

### *Temporary Custody of Juveniles*

---

#### **313.4 CUSTODY OF JUVENILES**

Officers should take custody of a juvenile and temporarily hold the juvenile at the Roseburg Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Roseburg Police Department without authorization of the arresting officer's supervisor or the Watch Commander.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond five hours from the time of his/her entry into the Roseburg Police Department (ORS 419B.160; ORS 419C.130).

##### **313.4.1 CUSTODY OF JUVENILE NON-OFFENDERS**

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Roseburg Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible (ORS 419B.165; ORS 419B.168; ORS 419B.152). Juvenile non-offenders may not be held in secure custody (34 USC § 11133; ORS 419B.160).

Prior to releasing a non-offender to the noncustodial parent, officers shall run a criminal records check on the noncustodial parent and any adults in the same home as the noncustodial parent (ORS 419B.165).

##### **313.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS**

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

##### **313.4.3 CUSTODY OF JUVENILE OFFENDERS**

Generally, a juvenile offender may be taken into custody:

- (a) When it reasonably appears that the juvenile is a fugitive from another state (ORS 419C.145).
- (b) When there is a court order endorsed as provided in ORS 419C.306 and directing that the juvenile be taken into custody (ORS 419C.080).
- (c) When, if the juvenile were an adult, he/she could be arrested without a warrant (ORS 419C.080).

An officer shall take a juvenile into custody when the officer has probable cause to believe the juvenile, while in a public building or court facility within the last 120 days, unlawfully possessed a firearm or a destructive device (ORS 419C.080).

### *Temporary Custody of Juveniles*

Generally, an officer may issue a citation in lieu of taking the juvenile into custody if a citation may be issued for the same offense and under the same circumstances to an adult. If a citation in lieu of custody is issued, a copy of the citation shall be sent to the District Attorney (ORS 419C.085).

Juvenile offenders should be held in non-secure custody while at the Roseburg Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

#### 313.4.4 COURT NOTIFICATIONS OF JUVENILE OFFENDERS

Whenever a juvenile offender is taken into custody, the officer shall promptly notify the juvenile court or counselor that the juvenile was taken into custody (ORS 419C.091). The officer shall also prepare a written report be routed to the juvenile court and the District Attorney that includes, at a minimum (ORS 419C.106):

- (c) When the officer has probable cause to believe that the juvenile, while in a public building or court facility within the last 120 days, unlawfully possessed a firearm or destructive device.

If a juvenile offender is not released to the parent, guardian or other responsible person, or to a person identified by the juvenile court, the officer shall take the juvenile to the county juvenile detention facility or appropriate shelter (ORS 419C.103).

#### **313.7 NO-CONTACT REQUIREMENTS**

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (34 USC § 11133). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Roseburg Police Department shall maintain a constant, immediate presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

##### **313.7.1 JUVENILE CONTACTS AT SCHOOL FACILITIES**

Absent exigent circumstances, officers should make reasonable efforts to notify responsible school officials prior to contacting a student on campus while school is in session. Additionally,

reasonable efforts should be taken to coordinate with school officials to minimize disruption of school functions and maintain a low profile police presence when contacting a student.

#### **313.8 TEMPORARY CUSTODY REQUIREMENTS**

Members and supervisors assigned to monitor or process any juvenile at the Roseburg Police Department shall ensure the following:

- (a) The Watch Commander should be notified if it is anticipated that a juvenile may need to remain at the Roseburg Police Department more than four hours. This will enable the Watch Commander to ensure no juvenile is held at the Roseburg Police Department more than five hours.
- (b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (c) Personal visual checks and significant incidents/activities shall be noted on the log.
- (d) There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware. Therefore, an employee should inform a juvenile under his/her care that the juvenile will be monitored at all times, unless he/she is using the toilet. This does not apply to surreptitious and legally obtained recorded interrogations.
- (e) Juveniles shall have reasonable access to toilets and wash basins.

- (h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.
- (i) Juveniles should have privacy during family, guardian and/or lawyer visits.
- (j) Juveniles should be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.
- (k) Blankets should be provided as reasonably necessary.
- (l) Adequate shelter, heat, light and ventilation should be provided without compromising security or enabling escape.

### *Temporary Custody of Juveniles*

---

- (o) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation or mental abuse.

#### **313.9 USE OF RESTRAINT DEVICES**

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Roseburg Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Watch Commander. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

#### **313.10 PERSONAL PROPERTY**

The officer taking custody of a juvenile offender or status offender at the Roseburg Police Department shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Roseburg Police Department.

#### **313.11 SECURE CUSTODY**

Only juvenile offenders 14 years or older may be placed in secure custody. Watch Commander approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option.

When practicable, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody, rather than the use of a locked enclosure. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object.

Generally, juveniles should not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter. Supervisor approval should be documented.

#### 313.11.1 LOCKED ENCLOSURES

A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

- (a) The juvenile shall constantly be monitored by an audio/video system during the entire time in custody.
- (b) Juveniles shall have constant auditory access to department members.
- (c) Initial placement into and removal from a locked enclosure shall be logged.
- (d) Random personal visual checks of the juvenile by staff member shall occur no less than every 15 minutes.

  - 3. Requests or concerns of the juvenile should be logged.
- (e) Males and females shall not be placed in the same locked room.
- (f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).
- (g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.

#### **313.12 SUICIDE ATTEMPT, DEATH OR SERIOUS INJURY OF A JUVENILE**

- (a) Immediate notification of the on-duty supervisor, Chief of Police and Criminal Investigations Division supervisor.
- (b) Notification of the parent, guardian or person standing in loco parentis, of the juvenile.
- (c) Notification of the appropriate prosecutor.
- (d) Notification of the City Attorney.
- (e) Evidence preservation.

#### **313.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS**

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

##### 313.13.1 CUSTODIAL INTERVIEWS OF JUVENILES

Pursuant to ORS 133.402(8)(a) a "custodial interview, is an interview in which the person questioned is in custody and is required to be advised of the person's constitutional rights."

### *Temporary Custody of Juveniles*

---

However, any time a juvenile is in custody, or may otherwise feel he or she is not free to leave the interview or is compelled to speak, the officer will advise the juvenile of his or her constitutional rights.

- (a) The officer should take steps to make sure the information provided by the juvenile is voluntary "considering the totality of the circumstances."
- (b) The officer should take into consideration the juvenile's age, intelligence, experience, education, background, any recent drug use, sleep deprivation, and whether the juvenile has the competency to understand Miranda warnings and/or the consequences of waiving these constitutional rights.
- (c) The officer should not make any promises or threats to the juvenile during the interview.
- (d) During custodial interviews at a police facility, the officer should consider, if feasible, concealing their duty weapon and wearing plain clothes.
- (e) The interaction between the officer and juvenile should not be antagonistic or oppressive.
- (f) The officer should see that the juvenile is allowed to discuss the matter with a reasonable degree of comfort. Reasonable requests for food, drink, use of a restroom should be honored.
- (g) Juvenile interviews should be reasonable in duration with appropriate breaks.
- (h) The officer should not intentionally use information known by the officer to be false to elicit a statement from the juvenile. Pursuant to SB 418 (2021), a statement made by a juvenile in connections with a misdemeanor or felony will be "presumed to be involuntary...if the could determines that the peace officer intentionally used information known by the officer to be false to elicit the statement."

If at any time during an interview the juvenile asks to speak with his/her parent or guardian before answering questions, the officer should discontinue questioning until the juvenile has been given this opportunity. Unless the juvenile specifically invokes the right to remain silent, the officer may continue questioning after a parental consultation, but should give advice of right again before resuming the questioning. The officer should take care that the parent is not asked to be an agent of the police during the parental consultation.

If at any time a juvenile is in police custody or is being interview by police, and the juvenile's parent or guardian contacts the police to invoke the juvenile's right to remain silent; the youth shall be informed of his/her/their/ parent's request that he/she/they/ remain silent, then re-read his/her/their Miranda rights and asked if he/she/they wish to continue with the interview, without first making contact and seeking advice from the District Attorney's Office.

Pursuant to ORS 133.402, custodial interviews conducted "in a law enforcement facility" of persons "under 18 years of age in connection with an investigation into a misdemeanor or a felony "shall be recorded. If the officer is equipped with a Body Worn Camera (BWC), the interview shall be recorded outside of a law enforcement facility. Officers should review subsection ORS 133.402 (2) for exclusions to this rule.

### *Temporary Custody of Juveniles*

---

In order to minimize disruption at school and cooperate with school officials, officers who interview or arrest a student at school should comply with procedures established by the school district involved, so long as those procedures do not conflict with law enforcement's statutory authority. Officers shall ensure parental notification is made within a reasonable amount of time when a child is interviewed as depending on the circumstances surrounding the investigation.

Pursuant to SB 386 (2021), unless the child's safety would be compromised, officers who interview a child as a witness (not a victim or suspect) to a child welfare, criminal, or delinquency investigation are required to notify the child's parents of the interview. "Child witness" means an unmarried person who is under 18 years of age and who is not the victim of, the suspect in, or related to the suspect in a child welfare, criminal, or delinquency investigation."

ORS 419B.028 (part of Karly's Law), requires the immediate photographing of suspicious physical injuries. Any conversation with the child being photographed should consist of just a few questions or fit within the above listed criteria so as not to become an unreasonable seizure.

#### **313.14 RESTRICTION ON FINGERPRINTING AND PHOTOGRAPHING**

A juvenile taken into custody under ORS 419C.080 shall be photographed and fingerprinted (ORS 419A.250(2)).

Other juveniles taken into custody may only be fingerprinted or photographed (ORS 419A.250(1)):

- (a) Pursuant to a search warrant.
- (b) According to laws concerning adults if the juvenile has been transferred to criminal court for prosecution.
- (c) Upon consent of both the juvenile and the juvenile's parent after being advised that they are not required to give such consent.
- (d) By order of the juvenile court.

Fingerprints and photographs of juveniles must be kept separate from those of adults. Fingerprints and photographs of juvenile offenders shall be sent to the central state depository in the same manner as fingerprint and photograph files or records of adults. Fingerprints and photographs of other juveniles should not be sent to any central state or federal depository (ORS 419A.250).

#### **313.15 RECORDS**

Fingerprint and photograph files or records of juveniles must be kept separate from those of adults (ORS 419A.250).

Reports and other material relating to juveniles is generally considered privileged and may not be disclosed directly or indirectly except as provided in Records Release and Security Policy.

#### **313.16 TRAINING**

Department members should be trained on and familiar with this policy and any supplemental procedures.

#### 314.1.1 DEFINITIONS

Definitions related to this policy include:

Members of the Roseburg Police Department shall notify the Department of Human Services (DHS) when a member has reasonable cause to believe that any of the following persons have suffered abuse:

#### **314.4 OFFICER'S RESPONSE**

All incidents involving actual or suspected adult and dependent abuse shall be fully investigated and appropriately documented.

#### **314.5 INVESTIGATIONS AND REPORTING**

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated. The Department must begin investigations of abuse in a long-term care facility (ORS 441.650):

- Within two hours where a resident's health or safety is in imminent danger or the resident recently died, was hospitalized or was treated in an emergency room.
- Prior to the end of the next working day if circumstances exist that could result in abuse and place the resident's health or safety in imminent danger.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All investigations into suspected cases of adult abuse shall include a personal visit to the elderly person suspected of being abused (ORS 124.070).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

#### **314.6 PROTECTIVE CUSTODY**

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact DHS.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Adult Abuse*

---

Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to DHS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

#### **314.7 MEDICAL EXAMINATIONS**

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

## Discriminatory Harassment

### 315.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

This policy also applies to department elected officials (ORS 243.319).

### 315.2 POLICY

The Roseburg Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights and privileges it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

### 315.3 RESPONSIBILITIES

This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the HR Director, or the City Manager.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with a resolution as stated below.

#### 315.3.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment, or retaliation.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Discriminatory Harassment*

---

- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
  - 1. Unless a member objects in writing, a supervisor designated by the Chief of Police shall follow up with a member once every three months for a year following the date on which the member reported the incident to determine whether the alleged harassment has stopped or if the member has experienced retaliation (ORS 243.321).
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or the HR Director in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

#### **315.3.2 SUPERVISOR'S ROLE**

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

#### **315.3.3 QUESTIONS OR CLARIFICATION**

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the HR Director, or the City Manager for further information, direction, or clarification.

#### **315.4 INVESTIGATION OF COMPLAINTS**

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

### *Discriminatory Harassment*

---

#### 315.4.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

#### 315.4.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation (ORS 659A.199).

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the HR Director, or the City Manager.

#### 315.4.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

### **315.5 ADDITIONAL REQUIREMENTS**

The HR Director should consult with the City Department of Human Resources HR Director to ensure that all required notifications regarding unlawful employment discrimination are available to former, current, and prospective employees, as appropriate (ORS 243.319; ORS 243.323).

When any member complains about discriminatory harassment, the person receiving the complaint should provide a copy of this policy to the member (ORS 243.319).

A member may file a complaint with the Bureau of Labor and Industries and also may have other legal remedies under Oregon law (ORS 243.319).

#### **316.5.2 INVESTIGATIONS ON SCHOOL PREMISES**

When an investigation of child abuse is conducted on school premises, the investigating officer shall first notify the school administrator of the investigation, unless the school administrator is a subject of the investigation. The investigator shall present identification to school staff members. The investigator is not required to reveal information about the investigation to the school as a condition of conducting the investigation. At the investigator's discretion, the school administrator or a school staff member designated by the school administrator may be present to facilitate the investigation. Prior to any interview with the suspected victim, the investigating officer should inquire whether the child has any disabilities that may affect the interview process. These provisions apply to an investigation that involves an interview with the suspected victim of abuse or witnesses and not to investigations or interviews of a person suspected of having committed the abuse (ORS 419B.045).

#### **316.6 PROTECTIVE CUSTODY**

Before taking any child into protective custody, the officer should make reasonable attempts to contact DHS. Generally, removal of a child from the child's family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from the child's parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to DHS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (ORS 419B.150):

- (a) When there is reasonable cause to believe any of the following:
  1. An imminent threat of severe harm to the child exists
  2. The child poses an imminent threat of severe harm to self or others
  3. An imminent threat that the child may be removed from the jurisdiction of the juvenile court exists

#### 316.6.1 NOTICE TO PARENTS

When an officer takes a child into protective custody, if possible, the officer shall:

- (a) Make reasonable efforts to immediately notify the child's parents or guardian, regardless of the time of day.
- (b) Advise the reason the child has been taken into custody.
- (c) Provide general information about the child's placement and the telephone number of the local DHS office, including any after-hours telephone numbers (ORS 419B.020).

#### 316.6.2 SAFE HAVEN PROVISION

A parent may leave an infant who is not more than 60 days old at an authorized facility, including this department, as long as the child displays no signs of abuse (ORS 418.017).

When an infant is surrendered to this department, members of the Roseburg Police Department shall follow the provisions set forth in ORS 418.017.

### **316.7 INTERVIEWS**

#### 316.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

#### 316.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An officer should not involuntarily detain a child who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  1. A reasonable belief that medical issues of the child need to be addressed immediately.
  2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Child Abuse*

---

#### **316.8 MEDICAL EXAMINATIONS**

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

#### **316.9 STATE MANDATES AND OTHER RELEVANT LAWS**

Oregon requires or permits the following:

##### **316.9.1 RELEASE OF REPORTS**

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (ORS 419B.035).

Information may be shared to the appropriate military authorities regarding a child who is the subject of a report of child abuse when the parent or guardian of the child is in the military (ORS 419B.015).

##### **316.9.2 COUNTY MULTIDISCIPLINARY CHILD ABUSE TEAM AND PROTOCOL**

The Criminal Investigations Division supervisor should ensure that current written protocols and procedures for child abuse investigations developed by the multidisciplinary child abuse team are available to all department members (ORS 418.747).

##### **316.9.3 CHILD FATALITY REVIEW TEAMS**

This department should cooperate with any child fatality review team and investigation (ORS 418.785).

#### **316.10 TRAINING**

The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting forensic interviews.
- (c) Availability of therapy services for children and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to child abuse investigations.

## Roseburg PD Policy Manual

### *Missing Persons*

---

#### **317.2 POLICY**

The Roseburg Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Roseburg Police Department gives missing person cases priority over property-related cases and does not require a specific amount of time to have passed before beginning a missing person investigation.

#### **317.3 ACCEPTANCE OF REPORTS**

Any member encountering a person who wishes to report a missing person or runaway shall render assistance without delay. This can be accomplished by accepting the report via telephone or in-person and initiating the investigation. Those members who do not take such reports or who are unable to give immediate assistance shall promptly dispatch or alert a member who can take the report.

#### **317.4 INITIAL INVESTIGATION**

Officers or other members conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

- (a) Respond to a dispatched call as soon as practicable.
- (b) Interview the reporting party and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be at risk.
- (c) Notify a supervisor immediately if there is evidence that a missing person is either at risk or may qualify for a public alert, or both (see the Public Alerts Policy).
- (d) Broadcast a "Be on the Look-Out (BOLO) bulletin" if the person is under 16 years of age or there is evidence that the missing person is at risk. - (e) Ensure that entries are made into the appropriate missing person networks, as follows:
  1. Immediately, when the missing person is at risk.
  2. In all other cases, as soon as practicable, but not later than two hours from the time of the initial report (34 USC § 41308).
- (f) Complete the appropriate report forms accurately and completely and initiate a search as applicable under the facts.

## Public Alerts

### 318.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for alerting the public to important information and soliciting public aid when appropriate.

### 318.2 POLICY

Public alerts may be employed using the Emergency Alert System (EAS), local radio, television and press organizations and other groups to notify the public of incidents, or enlist the aid of the public, when the exchange of information may enhance the safety of the community. Various types of alerts may be available based upon each situation and the alert system's individual criteria.

### 318.3 RESPONSIBILITIES

#### 318.3.1 EMPLOYEE RESPONSIBILITIES

## Standards of Conduct

### 321.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Roseburg Police Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

### 321.2 POLICY

The continued employment or appointment of every member of the Roseburg Police Department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on or off duty, may be cause for disciplinary action.

### 321.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

#### 321.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or may confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

Such unauthorized use of software exposes the Department and involved members to severe civil and criminal penalties.

Introduction of software by members should only occur as part of the automated maintenance or update process of department- or City-approved or installed programs by the original manufacturer, producer or developer of the software.

Any other introduction of software requires prior authorization from IT staff and a full scan for malicious attachments.

Data stored on or available through department computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation or who otherwise have a legitimate law enforcement or department-related purpose to access such data. Any exceptions to this policy must be approved by a supervisor.

Members shall ensure department computers and access terminals are not viewable by persons who are not authorized users. Computers and terminals should be secured, users logged off, and password protections enabled whenever the user is not present. Password length, format, structure, and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor.

It is prohibited for a member to allow an unauthorized user to access the computer system at any time or for any reason. Members shall promptly report any unauthorized access to the computer system or suspected intrusion from outside sources (including the internet) to a supervisor.

#### **322.6 INSPECTION OR REVIEW**

A supervisor or the authorized designee has the express authority to inspect or review the computer system, all temporary or permanent files, related electronic systems or devices, and any contents thereof, whether such inspection or review is in the ordinary course of his/her supervisory duties or based on cause.

Reasons for inspection or review may include, but are not limited to, computer system malfunctions, problems or general computer system failure, a lawsuit against the Department involving one of its members or a member's duties, an alleged or suspected violation of any department policy, a request for disclosure of data, or a need to perform or provide a service.

Information Services personnel shall be responsible for establishing regularly scheduled network system back-up protocols. Retention of all system back-ups should be managed in a manner consistent with applicable provisions of the Oregon Revised Statutes and Oregon Administrative Rules.

## Report Preparation

### 323.1 PURPOSE AND SCOPE

Report preparation is a major part of each officer's job. The purpose of reports is to document sufficient information to refresh the officer's memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized training and on-the-job training.

#### 323.1.1 REPORT PREPARATION

Employees should ensure that reports are sufficiently detailed for their purpose and free from errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

### 323.2 REQUIRED REPORTING

Written reports are required in all of the following situations on the appropriate department approved form unless otherwise approved by a supervisor.

#### 323.2.1 CRIMINAL ACTIVITY REPORTING

When an employee responds to a call for service, or as a result of self-initiated activity becomes aware of any activity where a crime has occurred, the employee shall document the activity as appropriate. The fact that a victim is not desirous of prosecution is not an exception to documenting a report. The following are basic examples of when documentation would be appropriate and necessary:

- (a) In every case where any force is used against any person by police personnel.
- (b) All incidents involving domestic violence.
- (c) All arrests.

# Roseburg Police Department

- (g) All protective custody detentions
- (h) Suspicious incidents that may place the public or others at risk
- (i) Whenever the employee believes the circumstances should be documented or at the direction of a supervisor

#### 323.2.3 DEATH CASES

Death investigations require specific investigation methods depending on circumstances and should be handled in accordance with Death Investigations Policy. An officer handling a death investigation should notify and apprise a supervisor of the circumstances surrounding the incident and a determination will be made on how to proceed. The following cases shall be appropriately investigated and documented using the approved report:

- (a) Sudden or accidental deaths
- (b) Suicides
- (c) Homicide or suspected homicide
- (d) Unattended deaths (No physician or qualified hospice care during the period immediately preceding death)
- (e) Found dead bodies or body parts

#### 323.2.4 INJURY OR DAMAGE BY CITY PERSONNEL

Reports shall be taken if an injury occurs that is a result of an act of a City employee. Additionally, reports shall be taken involving damage to City property or City equipment.

#### 323.2.5 MISCELLANEOUS INJURIES

Any injury that is reported to this department shall require a report when:

- (a) The injury is a result of drug overdose.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Report Preparation*

---

- (b) Attempted suicide.
- (c) The injury is major/serious, whereas death could result.
- (d) The circumstances surrounding the incident are suspicious in nature and it is desirable to record the event.

The above reporting requirements are not intended to be all-inclusive. A supervisor may direct an employee to document any incident he/she deems necessary.

#### **323.3 GENERAL POLICY OF EXPEDITIOUS REPORTING**

In general, all officers and supervisors shall act with promptness and efficiency in the preparation and processing of all reports. An incomplete report, unorganized reports or reports delayed without supervisory approval are not acceptable.

#### **323.4 REPORT CORRECTIONS**

Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor shall require the reporting officer to correct the report deficiencies prior to report approval. It shall be the responsibility of the originating officer to ensure that any report returned for correction is processed in a timely manner.

#### **323.5 REPORT CHANGES OR ALTERATIONS**

Reports that have been approved by a supervisor and submitted to the Records Division for filing and distribution shall not be modified or altered except by way of a supplemental report; this does not prohibit Records staff from making necessary modifications to ensure reports sufficiently satisfy or comply with coding requirements. Reviewed reports that have not yet been submitted to the Records Division may be corrected or modified by the authoring employee only with the knowledge and authorization of the reviewing supervisor.

Once traffic officer(s) are in place, they will likely take over as the primary coordinator and make necessary assignments based on the circumstances present. The WC maintains supervisory control as long as necessary and will keep other supervisors and officers apprised of the case as necessary. Since these types of events are infrequent, the following information is intended to be used as a guide only;

The Watch Commander will make notification to command staff in accordance with the Major Incident Notification Policy.

### *Death Investigation*

---

- (b) An officer shall make a reasonable search of an individual who it is reasonable to believe is dead or near death for the purpose of identification or for information identifying the individual as an anatomical donor. If a donor document is located, the Medical Examiner or their assistant shall be promptly notified, or, if the individual was taken to a hospital, the officer must alert the hospital staff to the documentation and forward it to the hospital (ORS 97.970).
- (c) The Medical Examiner, with the permission of the Department, may take property, objects or articles found on the deceased or in the immediate vicinity of the deceased that may be necessary for conducting an investigation to determine the identity of the deceased or the cause or manner of death (ORS 146.103).
- (d) Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the Medical Examiner or their assistant, the investigating officer should first obtain verbal consent from the Medical Examiner or their assistant when practicable.
- (e) Whenever reasonably possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer pending the arrival of the Medical Examiner or their assistant. The name and address of this person shall be included in the narrative of the death report.
- (f) Whenever personal effects are removed from the body of the deceased by the Medical Examiner or their assistant, a receipt shall be obtained. This receipt shall be attached to the death report.

#### 328.2.3 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene. The Criminal Investigations Division shall be notified to determine the possible need for an investigator to respond to the scene.

If the on-scene supervisor, through consultation with the Watch Commander or Criminal Investigations Division supervisor, is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

The investigator assigned to investigate a homicide or death that occurred under suspicious circumstances may, with the approval of their supervisor, request the Medical Examiner to conduct physical examinations and tests, and to provide a report.

#### 328.2.4 EMPLOYMENT-RELATED DEATHS OR INJURIES

Any member of this department who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment should ensure that the regional Occupational Safety and Health Administration (OSHA) office is notified of all pertinent information.

#### 328.2.5 REPORTING

All incidents involving a death shall be documented on the appropriate form.

## Roseburg PD Policy Manual

### *Death Investigation*

---

#### **328.3 POLICY**

It is the policy of the Roseburg Police Department to respond, document, and investigate incidents where a person is deceased. Investigations involving the death of a person, including those from natural causes, accidents, workplace incidents, suicide, and homicide, shall be initiated, conducted, and properly documented.

#### **328.4 DEATH NOTIFICATION**

When reasonably practicable, and if not handled by the Medical Examiner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification.

If a deceased person has been identified as a missing person, this department shall attempt to locate family members and inform them of the death and location of the deceased missing person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports.

## Identity Theft

### 329.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. A person commits the crime of identity theft if the person, with the intent to deceive or to defraud, obtains, possesses, transfers, creates, utters or converts to the person own use the personal identification of another person (Oregon Revised Statutes 165.800). This policy is intended to provide guidelines for the reporting and investigation of such crimes.

### 329.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, officers presented with the crime of "identity theft" should initiate a report for victims residing within the jurisdiction of this department. For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
  - 1. For any victim not residing within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.

## Communications with Persons with Disabilities

### 330.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind, to ensure compliance with the Americans with Disabilities Act (ADA).

#### 330.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters.

### 330.2 POLICY

It is the policy of the Roseburg Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

### 330.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The ADA Coordinator for the City of Roseburg is the HR Manager.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Ensure the city's efforts to provide equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to Department services, programs and activities.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Communications with Persons with Disabilities*

---

- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Watch Commander. The list should include information regarding the following:
  - 1. Contact information
  - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to Department services, programs and activities.

#### **330.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this Department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

#### **330.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Communications with Persons with Disabilities*

---

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Roseburg Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

#### **330.6 TYPES OF ASSISTANCE AVAILABLE**

Roseburg Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept Department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

#### **330.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

#### **330.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use Department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

#### **330.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

#### **330.10 COMMUNITY VOLUNTEERS AND OTHER RESOURCES**

Interpreter services and other services that may be used as resources during contacts with persons with disabilities and / or impairments may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services. These resources may be accessed via; dispatch, other agencies, and the City of Roseburg shared drive - EOC folder.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Communications with Persons with Disabilities*

---

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, Department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

#### **330.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

#### **330.12 REPORTING**

Whenever any member of this Department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

#### **330.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this Department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Communications with Persons with Disabilities*

---

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

#### **330.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

#### **330.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this Department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

### *Communications with Persons with Disabilities*

---

#### **330.14.1 INTERPRETER REQUIRED IN ARRESTS**

An officer who arrests a person who is deaf, has a physical hearing impairment or physical speaking impairment shall, prior to any interrogation or the taking of a statement, make available a qualified interpreter to assist throughout the interrogation or taking of the statement. Fees and expenses of the interpreter will be paid as specified by Oregon law (ORS 133.515).

#### **330.15 ARRESTS AND BOOKINGS**

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use Department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

#### **330.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this Department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

#### **330.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this Department are important to the ultimate success of more traditional law enforcement duties. This Department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

#### **330.18 TRAINING**

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Communications with Persons with Disabilities*

---

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.

The Administrative Sergeant is responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Administrative Sergeant maintains records of all training provided.

## Stalking

### 331.1 PURPOSE AND SCOPE

This policy establishes procedures for the investigation and enforcement of stalking complaints (ORS 163.730 et seq.).

### 331.2 POLICY

Stalking behavior frequently results in serious injury and emotional trauma to victims and it is the policy of the Roseburg Police Department to ensure that complaints of stalking will be given high priority and that every formal stalking complaint will be thoroughly investigated and forwarded to the District Attorney's Office.

### 331.3 UNIFORM STALKING COMPLAINT

The Department will make available an Oregon Uniform Stalking Complaint form to any person desiring to file a stalking complaint regardless of where the violation is alleged to have occurred. Officers will provide reasonable assistance as necessary to petitioners to properly complete and sign the form.

Upon receipt of a Uniform Stalking Complaint, officers shall complete a thorough investigation. All stalking incident reports and the results of any investigation shall be forwarded to the District Attorney's Office within three days, regardless of whether any civil or criminal action was taken (ORS 163.744; ORS 163.738(7)).

### 331.4 UNIFORM STALKING CITATION

If after investigating a stalking complaint the officer has probable cause to believe that the offense of stalking has occurred as provided in ORS 163.732(1), the officer shall issue and attempt to serve a Uniform Stalking Citation to the respondent to appear in court within three judicial days of service to determine if a Stalking Protective Order will be issued (ORS 163.735; ORS 163.738).

#### 331.4.1 SERVICE OF STALKING CITATIONS

If the Uniform Stalking Citation is served on a respondent, the District Attorney's Office will initiate the hearing process. Officers should:

- (a) Advise the respondent of the following:
  1. The court date and time and location of appearance
  2. The contents of the citation and the state and federal law restrictions contained on the front and back of the respondent's copy of the citation
  3. That if the respondent fails to appear at the hearing, a warrant will be issued for their arrest, as well as a Stalking Protective Order
  4. That engaging in behavior that alarms or coerces the petitioner may result in their arrest

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Stalking*

---

- (b) Provide a copy to the petitioner and advise the petitioner that they must also appear at the hearing or the complaint will be dismissed and the Stalking Protective Order will not be issued.

If there is probable cause to issue a citation, but the citation is not served, officers should:

- (a) Document attempts to serve the respondent.
- (b) Refer the victim to the following for assistance in obtaining a civil Stalking Protective Order:
  1. A private attorney
  2. Legal Aid
  3. The District Attorney's office Victim Assistance Unit

### **331.5 ARREST**

Officers may arrest or cite a suspect for any criminal offense committed (including stalking) if the statutory elements have been met, as well as issue a (civil) Uniform Stalking Citation; the two actions are not mutually exclusive.

#### **331.5.1 STALKING PROTECTIVE ORDERS**

Once the court issues a Stalking Protective Order and it is served on the respondent, officers may arrest the respondent for violating the terms of the order (ORS 163.750).

#### **331.6 RESTRAINING ORDERS**

Court stalking orders and restraining orders are different and are not mutually exclusive. Stalking reports may be appropriate even if a valid restraining order is in place.

## Child and Dependent Adult Safety

### 332.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse Policy and the Adult Abuse Policy.

### 332.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Roseburg Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected.

### 332.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

### *Child and Dependent Adult Safety*

---

#### 332.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  1. Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  2. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (b) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (c) Notify Child Protective Services, if appropriate.
- (d) Notify the Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

#### 332.3.2 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
  1. Name
  2. Sex
  3. Age
  4. How, where and with whom or which agency the child was placed

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Child and Dependent Adult Safety*

---

- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
1. Name
  2. Sex
  3. Age
  4. Whether he/she reasonably appears able to care for him/herself
  5. Disposition or placement information if he/she is unable to care for him/herself

#### **332.3.3 SUPPORT AND COUNSELING REFERRAL**

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

#### **332.4 DEPENDENT WELFARE SERVICES**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should consider contacting the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked law enforcement vehicle or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

## Service Animals

### 333.1 PURPOSE AND SCOPE

Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The Roseburg Police Department recognizes this need and is committed to making reasonable modifications to its policies, practices and procedures in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

### 333.2 SERVICE ANIMALS

The ADA defines a service animal as any dog or miniature horse that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the owner's disability (28 CFR 35.104).

#### 333.2.1 STATE LAW

Oregon law expands the definition of a service or assistance animal to include a dog or other animal designated by administrative rule that is individually trained to do work or perform tasks for the benefit of an individual (2013 Oregon Laws c. 530 § 2).

#### 333.2.2 USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist people with disabilities.

The following examples are some of the ways service animals may be used to provide assistance:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting people with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

#### **333.3 MEMBER RESPONSIBILITIES**

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Roseburg Police Department affords to all members of the public.

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations an officer may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with a disability.

If it is apparent or if an officer is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the officer should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task the animal meets the definition of a service animal and no further question as to the animal's status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their owner into all areas that other customers or members of the public are allowed.

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as the result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice.

## Volunteer Program

### 334.1 PURPOSE AND SCOPE

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

## Off-Duty Law Enforcement Actions

### 335.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Roseburg Police Department with respect to taking law enforcement action while off-duty.

### 335.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

### 335.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms and Qualification Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and/or identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the officer's senses or judgment.

### 335.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, OC or baton.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Off-Duty Law Enforcement Actions*

---

- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

#### **335.4.1 INTERVENTION PROCEDURE**

If involvement is reasonably necessary the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as a Roseburg Police Department officer until acknowledged. Official identification should also be displayed.

#### **335.4.2 INCIDENTS OF PERSONAL INTEREST**

Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

#### **335.4.3 NON-SWORN RESPONSIBILITIES**

Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

#### **335.4.4 OTHER CONSIDERATIONS**

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

### **335.5 REPORTING**

Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Watch Commander as soon as practicable. The Watch Commander shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

#### 339.4.1 INCIDENT-SPECIFIC USE

In instances of active incidents where speed, accuracy and frequent updates are paramount (e.g., crime alerts, public safety information, traffic issues), the Public Information Officer or the authorized designee will be responsible for the compilation of information to be released, subject to the approval of the Incident Commander.

#### **339.5 PROHIBITED CONTENT**

Content that is prohibited from posting includes, but is not limited to:

#### **339.6 RETENTION OF RECORDS**

The Information Technology (I.T.) department will establish a method of ensuring that public records generated in the process of social media use are retained in accordance with established records retention schedules.

#### **339.7 TRAINING**

# Generative Artificial Intelligence Use

## 340.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for department use of generative artificial intelligence (GenAI). This policy does not apply to artificial intelligence that is integrated into facial recognition applications, voice recognition applications, biometric access controls, or software that redacts documents or video or similar applications.

Additional guidelines for the use of department information technology resources are found in the Information Technology Use Policy.

### 340.1.1 DEFINITIONS

Definitions related to this policy include:

**Generative artificial intelligence (GenAI)** - A type of artificial intelligence that is algorithmically trained on one or more large data sets and designed to generate new and unique data (e.g., text, pictures, video) in response to a prompt (generally questions, instructions, images, or video) input by the user.

## 340.2 POLICY

The use of GenAI systems carries unique benefits within a law enforcement agency, providing ways to increase operational efficiency, enhance department procedures, and improve the overall effectiveness of the Roseburg Police Department.

However, the prompts input into GenAI systems can present risks to both individuals and law enforcement agencies by making accessible to the public information such as department tactics, investigative and training techniques, confidential information (e.g., confidential informants, protected information), active investigations, and security procedures. In addition, without safeguards in place, GenAI can produce unintended discriminatory or biased output as well as content that is inaccurate, misleading, or copyrighted.

It is the policy of the Department to develop, implement, and use GenAI ethically and responsibly in a way that minimizes potential risk and harm in accordance with the guidelines set forth below.

Any function carried out by a member of the Department using GenAI is subject to the same laws, rules, and policies as if carried out without the use of GenAI. The use of GenAI does not permit any law, rule, or policy to be bypassed or ignored.

## 340.3 RESPONSIBILITIES

### 340.3.1 CHIEF OF POLICE

The Chief of Police or an authorized designee shall approve all GenAI systems, their acceptable uses, and their authorized user groups prior to the use, implementation, or development for any department functions.

#### 340.3.2 AI COORDINATOR

The Chief of Police or the authorized designee shall appoint an AI coordinator. The AI coordinator shall report to the Administration Division Commander or the authorized designee.

The responsibilities of the AI coordinator include but are not limited to:

- (a) Evaluating potential GenAI systems and recommending those GenAI systems that appear to be appropriate and trustworthy to the Chief of Police or the authorized designee. The trustworthiness of GenAI systems should be evaluated by balancing the following characteristics:
  1. Validity and reliability - The system's apparent ability to meet the intended purpose and fulfill the needs of the Department consistently over time.
  2. Safety - Any apparent risk to human life, health, property, or the environment that could result from the department's use of the system.
  3. Security and resiliency - The system's capability to prevent unauthorized access and misuse and its ability to return to normal function should misuse occur.
  4. Accountability and transparency - The ability to track and measure the system's use and activity through histories, audit logs, and other processes to provide insight about the system and identify potential sources of error, bias, or vulnerability.
  5. Explainability and interpretability - The ability of the user to understand the purpose and impact of the system, how and why the system reached the resulting output, and what the output means for the user.
  6. Privacy - The ability of the system to protect confidentiality and meet applicable privacy standards for the types of data intended to be input into the system (e.g., state privacy laws, Criminal Justice Information Services (CJIS), Health Insurance Portability and Accountability Act (HIPAA)).
  7. Fairness - The ability of the system to operate in a way that avoids or minimizes bias and discrimination.
- (b) Ensuring appropriate contractual safeguards are in place to manage third-party use of department data and to restrict the use of input in AI training data sets. If the input of protected information is necessary for the proper use of the GenAI system, an information-exchange agreement in compliance with applicable rules and standards (e.g., CJIS requirements) should be used to outline the roles, responsibilities, and data ownership between the Department and third-party vendor.
- (c) Coordinating with others within the Department and City, such as the information technology or legal departments, as appropriate to ensure GenAI systems are procured, implemented, and used appropriately.
- (d) Maintaining a list or inventory of department-approved GenAI systems and, when appropriate for department transparency, making the list or inventory available to the public.
- (e) Developing and maintaining appropriate procedures related to the use of GenAI systems, including procedures for editing and fact-checking output.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Generative Artificial Intelligence Use*

---

- (f) Ensuring any public-facing GenAI systems notify the user that GenAI is being used.
- (g) Developing and updating training for the authorized users of each department-approved GenAI system.
- (h) Ensuring access to department GenAI systems is limited to authorized users and establishing requirements for user credentials such as two-factor authentication and appropriate password parameters.
- (i) Conducting audits at reasonable time intervals for each of the GenAI systems utilized by the Department to evaluate the performance and effectiveness of each approved system and to determine if it continues to meet the department's needs and expectations of trustworthiness. The coordinator should arrange for audits to be conducted by an external source, as needed.
- (j) Ensuring each GenAI system is updated and undergoes additional training as reasonably appears necessary in an effort to avoid the use of outdated information or technologies.
- (k) Keeping abreast of advancements in GenAI and any GenAI-related legal developments.
- (l) Reviewing this policy and department practices and proposing updates as needed to the Chief of Police.
- (m) Developing procedures in coordination with the *Brady* information coordinator and the Records Supervisor for the compilation and potential release of any discovery or records related to the use of GenAI systems consistent with *Brady* and the Oregon Public Records Law.

#### **340.4 USE OF GENERATIVE AI**

The use of department GenAI systems by department members shall be limited to official work-related purposes, and members shall only access and use GenAI systems for which they have been authorized and received proper training.

Members shall use AI-generated content as an informational tool and not as a substitution for human judgment or decision-making. Members should not represent AI-generated content as their own original work.

AI-generated content should be considered draft material only and shall be thoroughly reviewed prior to use. Before relying on AI-generated content, members should:

- (a) Obtain independent sources for information provided by GenAI and take reasonable steps to verify that the facts and sources provided by GenAI are correct and reliable.
- (b) Review prompts and output for indications of bias and discrimination and take steps to mitigate its inclusion when reasonably practicable (see the Bias-Based Policing Policy).
- (c) Include a statement in the final document or work product that GenAI was used to aid in its production.

#### **340.4.1 PRIVACY CONSIDERATIONS**

Information not otherwise available to the public, including data reasonably likely to compromise an investigation, reveal confidential law enforcement techniques, training, or procedures, or risk the safety of any individual if it were to become publicly accessible, should not be input into a GenAI system unless contractual safeguards are in place to prevent such information from becoming publicly accessible. Members should instead use generic unidentifiable inputs, such as "suspect" or "victim," and hypothetical scenarios whenever possible.

Protected information should only be input into GenAI systems that have been approved for such use and comply with applicable privacy laws and standards (see the Protected Information Policy).

#### **340.5 PROHIBITED USE**

Members shall not use GenAI systems to rationalize a law enforcement decision, or as the sole basis of research, interpretation, or analysis of the law or facts related to a law enforcement contact or investigation.

Members shall not create user accounts in their official capacity or input work-related data (including information learned solely in the scope of their employment) into publicly available GenAI systems unless the system has been approved by the Chief of Police or the authorized designee for the intended use.

#### **340.6 TRAINING**

The AI coordinator should ensure that all members authorized to use GenAI have received appropriate initial training that is suitable for their role and responsibilities prior to their use of GenAI and receive periodic refresher training. Training should include but is not limited to the following:

- (a) A review of this policy
- (b) The need for human oversight of GenAI outputs
- (c) The interpretation, review, and verification of GenAI output
- (d) Checking GenAI output for bias or protected information
- (e) Ethical use of GenAI technology
- (f) Data security and privacy concerns

- (h) The application of resources to specific problems or situations within the community, which may be improved or resolved by Community Oriented Policing and problem solving strategies
- (i) Traffic direction and control

#### 400.1.2 TERRORISM

It is the goal of the Roseburg Police Department to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. ### *Patrol Function*

---

#### **400.2 PATROL INFORMATION SHARING PROCEDURES**

The following guidelines are intended to develop and maintain intra-department cooperation and information flow between the various divisions of the Roseburg Police Department.

##### **400.2.1 CRIME REPORTS**

A crime report may be completed by any officer who receives criminal information. The report will be processed and forwarded to the appropriate division for retention or follow-up investigation

##### **400.2.2 PATROL BRIEFINGS**

Patrol supervisors and special unit supervisors or team members are encouraged to share information as much as possible. All supervisors and/or officers will be provided an opportunity to share information at the daily patrol briefings as time permits.

#### **400.3 CROWDS, EVENTS AND GATHERINGS**

Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

## Bias-Based Policing

### 401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the Roseburg Police Department's commitment to policing that is fair and objective (ORS 131.920).

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

See the Personnel Complaints Policy regarding acceptance of complaints alleging profiling and investigation of such complaints.

#### 401.1.1 DEFINITIONS

Definitions related to this policy include:

**Bias-based policing or improper profiling** - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin (including limited English proficiency), language, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement. This includes profiling as defined by ORS 131.915 and explicit and implicit biases (i.e., conscious and unconscious beliefs or attitudes toward certain groups).

### 401.2 POLICY

The Roseburg Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

### 401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

### 401.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.

#### 401.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, Field Interview (FI) card), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

#### 401.4.2 REPORTING TRAFFIC AND PEDESTRIAN STOPS

Each time an officer makes an officer-initiated traffic or pedestrian stop, the officer shall record the required stop data in the method and manner prescribed by the Oregon Criminal Justice Commission (OCJC) (ORS 131.935).

### **401.5 SUPERVISOR RESPONSIBILITY**

Supervisors shall monitor those individuals under their command for any behavior that may conflict with the purpose of this policy and shall address any alleged or observed violation of this policy.

- (a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.
- (b) Supervisors shall initiate investigations of any actual or alleged violations of this policy.

### **401.6 STATE REPORTING**

#### 401.6.1 STATE REPORTING TO OREGON CRIMINAL JUSTICE COMMISSION

The Records Division shall provide the OCJC with traffic and pedestrian stop data annually as prescribed by ORS 131.935.

The Records Division shall annually provide the Law Enforcement Contacts Committee (LECC) the following (ORS 131.925):

- (a) Copies of profiling complaints received by the Department.
- (b) A summary of each profiling complaint received by the Department and the final disposition of the profiling complaint on the appropriate form.
- (c) The annual profiling complaint certification form.
  - 1. This form is to be submitted even if no profiling complaints were received by the Department.

## Roseburg PD Policy Manual

### *Bias-Based Policing*

---

Summaries of complaints and copies of complaints provided to LECC may not include personal information concerning the complainant or an officer (ORS 131.925).

The Records Division should provide LECC, upon request, data regarding stops or contacts as identified in ORS 131.906(5). Data provided may not identify an officer or an individual whose demographic data is collected (ORS 131.906).

#### **401.7 ADMINISTRATION**

The Operations Division Commander should review the efforts of the Department to provide fair and objective policing and submit an annual report, including public concerns and complaints, to the Chief of Police. The annual report should not contain any identifying information about any specific complainant, citizen, or officers. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service.

Supervisors should review the annual report and discuss the results with those they are assigned to supervise.

##### **401.8.1 ADDITIONAL STATE REQUIREMENTS**

The Administrative Sergeant should ensure that officers receive training implemented by the Department of Public Safety Standards and Training regarding procedures to facilitate the collection of officer-initiated traffic and pedestrian stop data (ORS 131.935).

## Briefing

### 402.1 PURPOSE AND SCOPE

This policy discusses the activity of briefing and includes the tasks that should be accomplished during this short period.

### 402.2 PREPARATION OF MATERIALS

The supervisor conducting briefing training is responsible for preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in the supervisor's absence or for training purposes.

### 402.3 POLICY

Briefing is intended to facilitate the accurate flow of information in order to enhance coordination of activities, improve performance and safety, and outline the expected actions of members.

### 402.4 BRIEFING

All divisions and specialized units will conduct regular briefing to discuss, disseminate, and exchange information among department members, work groups, and other organizations. A supervisor generally will conduct briefing. However, the supervisor may delegate this responsibility to a subordinate member in the supervisor's absence or for training purposes.

Briefing should include but is not limited to:

- (a) Providing members with information regarding daily activities, with particular attention given to changes in the status of:
  - 1. Wanted persons.
  - 2. Crime patterns.
  - 3. Suspect descriptions.
  - 4. Intelligence reports and photographs.

#### **402.5 TRAINING**

Briefing training should incorporate short segments on a variety of subjects or topics and may include:

- (a) Review and discussion of new or updated policies.
- (b) Presentation and discussion of the proper application of existing policy to routine daily activities.
- (c) Presentation and discussion of the proper application of existing policy to unusual activities.
- (d) Review of recent incidents for training purposes.

## Crime and Disaster Scene Integrity

### 403.1 PURPOSE AND SCOPE

The protection and integrity of a crime scene is of the utmost importance for the successful apprehension of criminals and successful prosecution. The integrity of a disaster scene is equally as critical for the protection of life and property and investigation by proper authorities.

### 403.2 CRIME SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident generally is responsible for the preservation of the scene. Officers shall also consider officer safety and public safety issues, including rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity of the crime/disaster scene the officer shall continue until relieved by a supervisor.

#### 403.2.1 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Ensure that no suspects are still within the area.
- (b) Broadcast emergency information, including all requests for additional assistance.
- (c) Provide first aid to injured parties if it can be done safely.
- (d) Secure the inner perimeter with crime scene tape.
- (e) Protect items of apparent evidentiary value.
- (f) Start a chronological log, noting critical times and personnel allowed access.

#### 403.2.2 MEDIA ACCESS

Authorized and bona fide members of the media should be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities as directed by the scene supervisor and as long as the integrity of the case is not compromised.

#### 403.2.3 EXECUTION OF HEALTH ORDERS

Any sworn member of this department is authorized to execute and enforce lawful orders of the local health officer issued for the purpose of preventing the spread of any contagious, infectious or communicable disease.

### 403.3 SEARCHES AT CRIME OR DISASTER SCENES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims and determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons

### *Crime and Disaster Scene Integrity*

---

to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until proper authority for the search is obtained.

#### 403.3.1 AUTHORITY TO SEARCH

In order to search, officers must have probable cause to believe that a crime has occurred and evidence of the crime will be found at the location. Absent consent, a search warrant is generally required to authorize continued search once a scene is stabilized.

#### 403.3.2 CONSENT

Any person who has an expectation of privacy has standing to object to a search. That may include anyone with a property interest in the location, as well as any resident, tenant, or guest, depending on the circumstances. It may not be possible to identify everyone with standing to object, and from whom consent must be obtained, at the early stages of the investigation. Officers should obtain consent to search from authorized individuals where possible, but should also consider obtaining consent and a search warrant in the case of serious crimes or major investigations.

## Emergency Response Team (ERT)

### 404.1 PURPOSE AND SCOPE

The ERT is comprised of two specialized units: the Negotiation Team and the Tactical Team. The ERT Commander is charged with the overall supervision of both elements of ERT. The ERT Commander may assign team members as acting team leaders based on situations and / or responsibilities that need to be addressed in both real-life and training situations. The unit has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary.

#### 404.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY

The Policy Manual sections pertaining to the ERT is divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a police response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to Department personnel allowing for appropriate on-the-scene decision-making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

#### 404.1.2 ERT TEAM DEFINED

**ERT Team:** The ERT team is a designated unit of law enforcement officers that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex, or unusual that they may exceed the capabilities of first responders or investigative units including, but not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of agency policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

### 404.2 AGENCY POLICY

The ERT team should develop sufficient resources to perform three basic operational functions:

- (a) Command and Control
- (b) Containment
- (c) Entry/Apprehension/Rescue

It is understood that it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators, and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceed their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

### 404.3 TRAINING NEEDS ASSESSMENT

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Emergency Response Team (ERT)*

---

#### 404.3.1 SUPERVISION AND MANAGEMENT TRAINING

When possible, Command personnel who may assume incident command responsibilities should attend a SWAT or critical incident commander course or its equivalent. ERT command personnel should attend a SWAT commander or tactical commander course, or its equivalent.

#### 404.3.2 ERT ONGOING TRAINING

Training shall be coordinated by the ERT Commander. In addition to specialized training, the ERT Commander may conduct monthly training exercises to include a review and critique of personnel and their performance in the exercise.

#### 404.3.3 TRAINING SAFETY

Use of a designated safety officer should be considered for all tactical training.

#### 404.3.4 SCENARIO BASED TRAINING

ERT should participate in scenario-based training that simulates the tactical operational environment. Such training is an established method of improving performance during an actual deployment.

#### 404.3.5 TRAINING DOCUMENTATION

Individual and team training shall be documented and records maintained by the ERT Commander and the Training Coordinator.

### **404.4 ON-SCENE DETERMINATION**

The ERT should wear uniforms that clearly identify team members as law enforcement officers. It is recognized that certain tactical conditions may require covert movement. Attire may be selected appropriate to the specific mission.

### **404.5 FIREARMS**

Weapons and equipment used by ERT, the specialized units, and the supporting resources should be agency-issued or approved, including any modifications, additions, or attachments.

### **404.6 EQUIPMENT**

The ERT should be adequately equipped to meet the specific mission(s) identified by the agency:

### **404.7 MANAGEMENT/SUPERVISION OF ERT**

The ERT Commander shall be selected by the Chief of Police. The Negotiations Team Leader shall be selected by the Chief of Police upon recommendation of the ERT Commander.

#### 404.7.1 TEAM SUPERVISORS

The following represent the supervisor responsibilities for the ERT:

- (a) The Negotiation Team supervisor's primary responsibility is to supervise the operations of the Negotiation Team which will include deployment, training, first line participation, and other duties as directed by the Operations Commander.

### *Emergency Response Team (ERT)*

---

- (b) The ERT commander's primary responsibility is to supervise the operations of the ERT, which will include deployment, training, first line participation, and other duties as directed by the Operations Commander.

#### **404.8 CRISIS NEGOTIATION TEAM ADMINISTRATIVE PROCEDURES**

The Negotiations Team has been established to provide skilled verbal communicators who may be utilized to attempt to de-escalate and effect surrender in critical situations where suspects have taken hostages, barricaded themselves, or have suicidal tendencies.

The following procedures serve as directives for the administrative operation of the Negotiations Team.

##### **404.8.1 TRAINING OF NEGOTIATORS**

Those officers selected as members of the Negotiation Team should attend a Basic Negotiators Course prior to primary use in an actual crisis situation. Untrained officers may be used in a support or training capacity. Additional training will be coordinated by the team supervisor.

A minimum of one training day per quarter will be required to provide the opportunity for role playing and situational training necessary to maintain proper skills. This will be coordinated by the team supervisor.

Continual evaluation of a team member's performance and efficiency as it relates to the positive operation of the unit shall be conducted by the team supervisor. Performance and efficiency levels, established by the team supervisor, will be met and maintained by all team members. Any member of the Negotiation Team who performs or functions at a level less than satisfactory shall be subject to dismissal from the unit.

#### **404.9 OPERATION GUIDELINES FOR EMERGENCY RESPONSE TEAM**

The following procedures serve as guidelines for the operational deployment of the Emergency Response Team.

##### **404.9.1 ON-SCENE DETERMINATION**

The supervisor in charge on the scene of a particular event will assess whether the ERT is to respond to the scene. Upon final determination by the Watch Commander, he/she will notify the ERT Commander.

##### **404.9.2 MOBILIZATION OF ERT**

The Watch Commander should make the request for the ERT. The Watch Commander will then notify the Operations Division Commander as soon as practical.

The Watch Commander should advise the ERT Commander with as much of the following information which is available at the time:

- (a) The number of suspects, known weapons and resources
- (b) If the suspect is in control of hostages
- (c) If the suspect is barricaded

- (f) The location of the command post and a safe approach to it
- (g) The extent of any perimeter and the number of officers involved
- (h) Any other important facts critical to the immediate situation, and whether the suspect has refused an order to surrender

The ERT Commander or supervisor shall then call selected officers to respond.

#### 404.9.3 FIELD UNIT RESPONSIBILITIES

While waiting for the ERT, field personnel should, if safe, practical, and sufficient resources exist, accomplish the following:

- (a) Establish an inner and outer perimeter
- (b) Establish a command post outside of the inner perimeter
- (c) Evacuate any injured persons or citizens in the zone of danger
- (d) Attempt to establish preliminary communication with the suspect.
- (e) Be prepared to brief ERT Commander on situation
- (f) Plan for, and stage, anticipated resources

## Hazardous Material Response

### 406.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees resulting from their exposure. The following is to be the policy of this department.

#### 406.1.1 HAZARDOUS MATERIAL DEFINED

A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed. See Oregon Revised Statutes 453.005(7) for a complete list.

### 406.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill, or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify type of hazardous substance. (Identification can be determined by placard, driver's manifest or statements from person transporting).
- (b) Notify Fire Department.
- (c) Provide first-aid for injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of immediate area and surrounding areas dependent on substance.

### 406.3 REPORTING EXPOSURE(S)

Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via chain of command to the Commanding Officer. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report if appropriate.

#### 406.3.1 SUPERVISOR RESPONSIBILITY

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the Fire Department.

### *Hazardous Material Response*

---

The employee, or employee's supervisor if the employee is unable, will complete a Workers Compensation form if an injury is diagnosed Oregon Revised Statutes 656.265. If an injury is not apparent but exposure to a hazardous substance is possible, the employee will complete an incident report indicating the circumstances of the event and the potential of an exposure.

# Hostage and Barricade Incidents

## 407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

### 407.1.1 DEFINITIONS

Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

## 407.2 POLICY

It is the policy of the Roseburg Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

## 407.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

### 407.3.1 EMERGENCY COMMUNICATIONS

A supervisor who has probable cause to believe that a hostage is being held may order a telephone company to cut, reroute or divert telephone lines to prevent a suspect from communicating with anyone other than officers or other designated individuals (ORS 165.549).

### *Hostage and Barricade Incidents*

---

#### **407.4 FIRST RESPONDER CONSIDERATIONS**

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

##### **407.4.1 BARRICADE SITUATION**

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.

#### 407.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident by use of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered when applicable:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle; and / or attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team).

- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.

- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

#### **407.5 SUPERVISOR RESPONSIBILITIES**

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting the ERT or Crisis Negotiator Team if appropriate and apprising the ERT Commander or Crisis Negotiator Leader of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.

- (k) Debrief personnel and review documentation as appropriate.

#### **407.6 CRISIS RESPONSE UNIT RESPONSIBILITIES**

It will be the Incident Commander's decision, with input from the ERT / Crisis Negotiator Commander, whether to deploy either/both team(s) during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the ERT Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the ERT / Crisis Negotiator Commander(s). ## Response to Bomb Calls

### 408.1 PURPOSE AND SCOPE

These guidelines have been prepared to assist officers in their initial response to incidents involving explosives, explosive devices, or explosion/bombing incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety shall always be the primary consideration.

### 408.2 FOUND EXPLOSIVES/SUSPECT DEVICES

When handling an incident involving a suspected explosive device, the following guidelines should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging. The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (b) A minimum perimeter of 300 feet should be established around the location of the device. An access point should be provided for support personnel.
- (c) As much information as is available should be promptly relayed to the Watch Commander including:
  1. The stated threat.

- (d) The device should not be touched or moved except by qualified bomb squad personnel.
- (e) All equipment within 300 feet of the suspected device capable of producing radio frequency energy should be turned off. This includes two-way radios, cell phones and other personal communication devices.
- (f) Consideration should be given to evacuating any buildings near the device.
- (g) A search of the area should be conducted for secondary devices or other objects that are either hazardous or foreign to the area and a perimeter should be established around any additional suspicious device found.

### *Response to Bomb Calls*

---

#### **408.3 EXPLOSION/BOMBING INCIDENTS**

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic incidents, a rapid response may help to minimize injury to victims, contamination of the scene by gathering crowds or additional damage by resulting fires or unstable structures. Whether the explosion was the result of an accident or a criminal act, the responding officers should consider the following actions:

- Assess the scope of the incident, including the number of victims and extent of injuries.
- Assist with first aid (Fire Department has primary responsibility).
- Assist with evacuation of victims.
- Identify and take appropriate actions to mitigate scene hazards such as collapsed structures, blood borne pathogens, hazardous materials and secondary explosive devices.
- Request additional resources as needed.
- Identify witnesses.
- Preserve evidence.

##### **408.3.1 NOTIFICATIONS**

When an explosion has occurred, the following people shall be notified as soon as practicable if their assistance is needed:

- (a) Fire Department
- (b) Emergency Medical assistance
- (c) Explosive Disposal Unit
- (d) Additional officers and the ERT Commander
- (e) Watch Commander
- (f) Detectives
- (g) Oregon State Crime Lab

### *Response to Bomb Calls*

---

#### 408.3.3 SCENE OF INCIDENT

As in any other crime scene, steps should immediately be taken to preserve the scene. The scene could extend over a long distance. Evidence may be imbedded in nearby structures or hanging in trees and bushes.

#### **408.4 BOMB THREATS RECEIVED AT POLICE FACILITY**

This procedure shall be followed should a bomb threat call be received at the police facility.

##### 408.4.1 BOMB THREATS RECEIVED BY TELEPHONE

The following questions should be asked if a bomb threat call is received at the Police Department:

- When is the bomb going to explode?
- Where is the bomb?
- What kind of bomb is it?
- What does it look like?
- Why did you place the bomb?
- Who are you? (to avoid possible termination of the call this should be the last question asked)

Attempt to keep the caller on the line as long as possible and obtain expanded answers to these six basic questions.

During this time, document the following:

- Time of the call.
- Exact words of the person as accurately as possible.
- Estimated age and gender of the caller.
- Speech patterns and/or accents.
- Background noises.

If the incoming call is received at the police facility on a recorded line, steps shall be taken to ensure that the recording is preserved in accordance with current department evidence procedures.

##### 408.4.2 RESPONSIBILITIES

The employee handling the call shall ensure that the Watch Commander is immediately advised and fully informed of the details. The Watch Commander will then direct and assign officers as required for coordinating a general building search or evacuation as he/she deems appropriate.

The responsible person in charge of the threatened facility shall be advised that the Police Department will assist in the evacuation, search, and disposal of the suspected explosive device; however, the final decision of action and resulting liability of action or non-action shall be made by the person in charge of the threatened facility.

## Civil Commitments

### 409.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place an individual under protective custody for civil commitment (ORS 426.228).

### 409.2 POLICY

It is the policy of the Roseburg Police Department to protect the public and individuals through legal and appropriate use of the civil commitment process.

### 409.3 AUTHORITY

An officer may take a person into custody when the officer has probable cause to believe the person is dangerous to him/herself or to any other person and is in need of immediate care, custody or treatment for mental illness (ORS 426.228(1)).

An officer shall also take a person into custody at the direction of the community mental health program director when the director has probable cause to believe the person is imminently dangerous to him/herself or to another person. The director is mandated to prepare a report for the officer to deliver to the treating licensed independent practitioner (ORS 426.228(2)).

The officer shall transport the person in custody to the nearest facility approved by the Oregon Health Authority (OHA) or will transfer custody of the person to a mental health representative authorized under ORS 426.233(3).

If, upon delivery of the person to the facility, the licensed independent practitioner finds the person is not in need of emergency care or treatment for mental illness, the person is to be released from custody. The officer or the program director shall return the person to the place where he/she was taken into custody, unless the person declines that service.

#### 409.3.1 VOLUNTARY EVALUATION

If officers encounter an individual who may qualify for a civil commitment, they may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the officers should:

- (a) Transport the individual to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a civil commitment.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation, officers should proceed with the civil commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

### 409.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a civil commitment should consider, as time and circumstances reasonably permit:

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Civil Commitments*

---

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions (e.g., information from LEDS).
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Available community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Civil commitments should be preferred over arrest for individuals with mental health issues, who are suspected of committing minor crimes or creating other public safety issues.

#### **409.4.1 FOREIGN NATIONALS**

If an officer takes a person into custody for a civil commitment and reasonably suspects that the person is a foreign national, the officer shall inform the person of his/her right to communicate with an official from the consulate of the person's country (ORS 426.228(9)).

#### **409.5 TRANSPORTATION**

When transporting any individual for a civil commitment, the transporting officer should have Dispatch notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may transport individuals in a patrol vehicle and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, the Watch Commander will be notified of the transport.

#### **409.5.1 CLEARANCE REQUIRED**

If transportation to an appropriate facility will require more than one hour to accomplish, the transporting officer must obtain, if possible, medical clearance from a licensed independent practitioner who has examined the person within the last 24 hours who certifies that the person is in need of immediate care or treatment for mental illness and that travel will not be detrimental to the person's physical health (ORS 426.228(3)).

#### **409.6 TRANSFER TO APPROPRIATE FACILITY**

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking voluntary treatment, the officer should provide the staff member with the written application for a civil commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility

restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

#### **409.7 DOCUMENTATION**

The officer should complete the appropriate paperwork, provide it to the facility staff member assigned to the individual and retain a copy of the paperwork for inclusion in the case report.

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

##### **409.7.1 REQUIREMENTS**

Officers ensure that the report states (ORS 426.228):

- (a) The reason for custody.
- (b) The date, time and place the person was taken into custody.

#### **409.8 CRIMINAL OFFENSES**

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken for a civil commitment should resolve the criminal matter by issuing a citation, as appropriate.

When an individual who may qualify for a civil commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the civil commitment.
- (c) Facilitate the individual's transfer to the jail facility.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a civil commitment.

In the supervisor's judgment, the individual may be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

#### **409.9 FIREARMS AND OTHER WEAPONS**

Whenever an individual is taken into custody for a civil commitment, the handling officers should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g. safekeeping, evidence, consent).

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Civil Commitments*

---

Officers are cautioned that a search warrant may be needed before seizing weapons or entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent).

The handling officers should further advise the individual of the procedure for the return of any firearm or other weapon that has been taken into custody.

## Citation Releases

### 410.1 PURPOSE AND SCOPE

Pursuant to Oregon Revised Statutes 133.055, officers may issue a criminal citation to a person if the officer has probable cause to believe that the person has committed a misdemeanor or has committed a felony that is subject to misdemeanor treatment under Oregon Revised Statutes 161.705.

### 410.2 STATUTORY REQUIREMENTS

Officers will cite offenders into the court before which they would appear if arrested. The citations must specify the time, date and court of appearance, and the court date shall not be later than 30 days after the citation was issued (Oregon Revised Statutes 133.055 and 133.060).

#### 410.2.1 DISCRETION TO ARREST

While this department recognizes the statutory power of peace officers to make arrests throughout the state, officers are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will generally be made outside the boundaries of the city only in cases of hot and/or fresh pursuit, or while following up on crimes committed within the city or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should consider contacting the agency having primary jurisdiction, when circumstances permit, before attempting an apprehension.

Off-duty officers observing criminal activity should generally take enforcement action only when it reasonably appears that imminent risk to life or property exists and the reasonable opportunity does not exist to contact the law enforcement agency with primary jurisdiction. In such situations the involved officers shall clearly identify him/herself as a peace officer.

### 410.3 DEPARTMENT PROCEDURE

The following procedure will be followed to comply with this law.

#### 410.3.1 FIELD CITATIONS

Upon obtaining satisfactory identification and verifying that there are no outstanding warrants for the individual, officers may issue citations to a person upon probable cause to believe that the person has committed a misdemeanor or has committed a felony subject to misdemeanor treatment under ORS 161.705, unless there is a disqualifying reason making the person ineligible for citation (ORS 133.055).

Any other cite and releases will be authorized by the on-duty Watch Commander, or appropriate supervisor.

#### 410.3.2 FINGERPRINTS AND PHOTOGRAPHS

In certain cases, it may be appropriate to fingerprint and photograph persons prior to citing and releasing them. In such cases, the person shall be taken into custody and transported to the jail for that purpose, after which, they may be issued a citation and released.

#### 410.3.3 DISQUALIFYING CIRCUMSTANCES

In certain circumstances, cite and release may not be appropriate. Those situations include:

- (a) Oregon Revised Statutes 133.055 specifically exempts persons arrested for assault or menacing at the scene of a domestic violence complaint. Those persons must be physically taken into custody and shall be transported and lodged at the jail
- (b) The person has outstanding warrants for his or her arrest (unless the originating agency specifically authorizes a cite and release)
- (c) The person cannot satisfactorily identify themselves
- (d) The investigation or prosecution of the offense or offenses for which the person was arrested, or the investigation or prosecution of any other offense or offenses, would be jeopardized by the immediate release of the person arrested
- (e) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested
- (f) The person has indicated they will not appear or there is other reason to believe that the person would not appear at the time and place specified in the citation. The basis for this determination shall be specifically stated such as:
  - 1. Previous history of failure to appear is on record
  - 2. The person lacks ties to the area, such as a residence, job, or family
  - 3. The person initially provided a false name or identification or has previously used false names to avoid prosecution
- (g) The person arrested is so intoxicated that he/she could be a danger to himself/herself or to others. (Release may occur as soon as this condition no longer exists)
- (h) Unusual circumstances lead the officer to conclude that the suspect should be held for further investigation

#### 410.3.4 INSTRUCTIONS TO CITED PERSON

The citing officer shall call attention to the time and place for appearance and take any other steps he/she deems necessary to ensure that the defendant understands his/her written obligation to appear.

#### **410.4 CITATION RELEASE ON WARRANTS**

If the offense is not excluded under Oregon Revised Statutes 133.055, the court may authorize an officer to issue and serve a criminal citation in lieu of arrest (Oregon Revised Statutes 133.110). Officers should not issue citations under the following circumstances:

- (a) The crime cited in the warrant involves violence.
- (b) The crime cited in the warrant involves a firearm.

- (c) The crime cited in the warrant involves resisting arrest.
- (d) The crime cited in the warrant involves giving false information to an officer.
- (e) The person arrested is a danger to himself or herself or others due to intoxication or being under the influence of drugs or narcotics.
- (f) The person requires medical examination or medical care or was otherwise unable to care for his or her own safety.

- (i) The person indicated they will not appear if released on a citation.
- (j) The person cannot provide satisfactory evidence of personal identification.
- (k) The warrant of arrest does not indicate that the person is eligible to be released on a notice to appear.

## Arrest or Detention of Foreign Nationals

### 411.1 PURPOSE AND SCOPE

Article 36 of the Vienna Convention on Consular Relations, sets forth certain rights of foreign nationals from member countries when arrested, detained or imprisoned by law enforcement officials in this country. This section provides direction to officers when considering a physical arrest or detention of a foreign national. All foreign service personnel shall be treated with respect and courtesy, regardless of the level of established immunity. As noted herein, the United States is a party to several bilateral agreements that obligate our authorities to notify the consulate upon the person's detention, regardless of whether the detained person(s) request that his or her consulate be notified. The list of specific countries that the United States is obligated to notify is listed on the US Department of State website.

#### 411.1.1 DEFINITIONS

**Foreign National** - Anyone who is not a citizen of the United States (U.S.). A person with dual-citizenship, U.S. and foreign, is not a foreign national.

**Immunity** - Refers to various protections and privileges extended to the employees of foreign governments who are present in the U.S. as official representatives of their home governments. These privileges are embodied in international law and are intended to ensure the efficient and effective performance of their official "missions" (i.e., embassies, consulates, etc.) in foreign countries. Proper respect for the immunity to which an individual is entitled is necessary to ensure that U.S. diplomatic relations are not jeopardized and to maintain reciprocal treatment of U.S. personnel abroad. Although immunity may preclude U.S. courts from exercising jurisdiction, it is not intended to excuse unlawful activity. It is the policy of the U.S. Department of State's Office of Foreign Missions (OFM) that illegal acts by Foreign Service personnel should always be pursued through proper channels. Additionally, the host country's right to protect its citizens supersedes immunity privileges. Peace officers may intervene to the extent necessary to prevent the endangerment of public safety or the commission of a serious crime, regardless of immunity claims.

### 411.2 ARREST OR DETENTION OF FOREIGN NATIONALS

Officers should take appropriate enforcement action for all violations observed, regardless of claims of diplomatic or consular immunity received from violators. A person shall not, however, be subjected to in-custody arrest when diplomatic or consular immunity is claimed by the individual or suspected by the officer, and the officer has verified or reasonably suspects that the claim of immunity is valid.

### 411.3 LEVELS OF IMMUNITY

The specific degree of immunity afforded to foreign service personnel within the U.S. is directly related to their function and position in this country.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Arrest or Detention of Foreign Nationals*

---

#### 411.3.1 DIPLOMATIC AGENTS

Diplomatic agents (e.g., ambassadors and United Nations representatives) are afforded the highest levels of immunity. They are exempt from arrest or detention and are immune from all criminal (and most civil) prosecution by the host state. The family members of diplomatic agents enjoy these same immunities.

#### 411.3.2 CONSULAR OFFICERS

Consular officers are the ranking members of consular posts who perform various formal functions on behalf of their own governments. Typical titles include consul general, consul, and vice consul. These officials are immune from arrest or detention, except pursuant to a felony warrant. They are only immune from criminal and civil prosecution arising from official acts. Official acts immunity must be raised as an affirmative defense in the court jurisdiction, and its validity is determined by the court. Under this defense, the prohibited act itself must have been performed as an official function. It is not sufficient that the consular agent was on-duty or in an official capacity at the time of the violation. The family members of consular officers generally enjoy no immunity, however, any family member who enjoys a higher level of immunity is issued an identification card by Department of State (DOS) enumerating any privileges or immunities on the back of the card. Examples are consular officers and family members from Russia or China.

#### 411.3.3 HONORARY CONSULS

Honorary consuls are part-time employees of the country they represent and are either permanent residents of the U.S. or U.S. nationals (unlike career consular officers, who are foreign nationals on temporary assignment to the U.S.). Honorary consuls may be arrested and detained; limited immunity for official acts may be available as a subsequent defense. Family members have no immunity.

### **411.4 IDENTIFICATION**

All diplomatic and consular personnel who are entitled to immunity are registered with the Department of State and are issued distinctive identification cards by the Department of State Protocol Office. These cards are the best means of identifying Foreign Service personnel. They include a photograph, identifying information, and, on the reverse side, a brief description of the bearer's immunity status. Unfortunately, these identification cards are not always promptly issued by the Department of State. In addition to the Department of State identification card, Foreign Service personnel should also have a driver license issued by the Department of State Diplomatic Motor Vehicle Office (DMVO), which in most circumstances replaces the operator's license issued by the state.

#### 411.4.1 VEHICLE REGISTRATION

Vehicles that are owned by foreign missions or Foreign Service personnel and their dependents are registered with the Department of State OFM and display distinctive red, white, and blue license plates. Vehicles assigned to diplomatic or consular officers will generally have license plates labels with the words "diplomat" or "consul." Vehicles owned by honorary consuls are not issued OFM license plates; but may have Oregon license plates with an "honorary consul"

label. Driver's identity or immunity status should not be presumed from the type of license plates displayed on the vehicle. The status of an OFM license plate should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state, if the officer has reason to question the legitimate possession of the license plate.

#### **411.5 ENFORCEMENT PROCEDURES**

The following procedures provide a guideline for handling enforcement of foreign nationals:

##### **411.5.1 CITABLE OFFENSES**

An enforcement document shall be issued at the scene for all violations warranting such action, regardless of the violator's immunity status. The issuance of a citation is not considered an arrest or detention under current Department of State guidelines. Whenever the equivalent of a notice to appear is issued to an immunity claimant, the following additional procedures shall be followed by the arresting officer:

- (a) Identification documents are to be requested of the claimant
- (b) The title and country represented by the claimant are to be recorded on the back of the officer's copy of the Notice to Appear for later reference. Do not include on the face of the notice to appear
- (c) The violator shall be provided with the appropriate copy of the notice to appear

##### **411.5.2 IN-CUSTODY ARRESTS**

Diplomatic agents and consular officers are immune from arrest or detention (unless they have no identification and the detention is to verify their diplomatic status). Proper identification of immunity claimants is imperative in potential in-custody situations. Claimants who are not entitled to immunity may be placed in custody in accordance with applicable laws and policies.

A subject who is placed under arrest and claims diplomatic or consular immunity shall not be physically restrained before verification of the claim (unless restraint is necessary for the protection of the officer or others.)

A supervisor shall be promptly notified and should respond to the scene when possible.

Field verification of the claimant's identity is to be attempted as follows:

- (a) Identification cards issued by the Department of State, Protocol Office, are the only valid evidence of diplomatic or consular immunity. The following types of identification cards are issued: Diplomatic (blue bordered), Consular (red bordered), and Official (green bordered), The Department of State identification cards are 3-3/4 inch by 1-1/2 inch and contain a photograph of the bearer.
- (b) Initiate telephone verification with the Department of State. Newly arrived members of diplomatic or consular missions may not yet have official Department of State identity documents. Verify immunity by telephone with the Department of State any time an individual claims immunity and cannot present satisfactory identification, the officer

has reason to doubt the claim of immunity, or there is a possibility of physical arrest. Law enforcement personnel should use the following numbers in order of preference:

Members of diplomatic or consular missions also may have other forms of identification. These include identification cards issued by Office of Emergency Services, local law enforcement agencies, the foreign embassy, or consulate; driver licenses issued by Department of State; and, Department of State license indicia on the vehicle. All these items are only an indication that the bearer may have some form of immunity.

Subjects verified through the above procedures as being officials entitled to immunity (diplomatic agent, consular officers and consular staff and family members from countries with which the U.S. has special agreements) may not be arrested. The procedures below shall be followed. These procedures should also be used in the event immunity cannot be verified, but another form of identification indicates that immunity is probable.

If the release of the violator will not create an additional hazard, adequate information to properly identify the violator shall be obtained then the official shall be released. A supervisor's approval for the release shall be obtained whenever possible.

If the violator appears to have been driving while under the influence, field sobriety tests, including chemical tests should be offered and obtained whenever possible, however, these tests cannot be compelled. The subject shall not be permitted to drive. A supervisor's approval for release shall be obtained whenever possible and alternative transportation should be arranged.

### *Arrest or Detention of Foreign Nationals*

---

All facts of the incident shall be documented in accordance with this policy in a Driving Under the Influence (DUI) Arrest-Investigation Report, Arrest-Investigation Report and/or any other relevant Report form. Notwithstanding the field release of the subject, prosecution is still appropriate and should be pursued by the command concerned. The Department of State will take appropriate sanctions against errant foreign service personnel, even where prosecution is not undertaken by the agency.

#### **411.6 TRAFFIC COLLISIONS**

Persons involved in traffic collisions who possess a Department of State OFM Diplomatic Driver License, issued by the DMVO, shall have "D" coded in the license "class" box of the Traffic Collision Report. If subsequent prosecution of the claimant is anticipated, the claimant's title, country, and type of identification presented should be recorded for future reference. Issuance of a citation to, or arrest of, an immunity claimant at the accident scene should be handled in accordance with any applicable laws and policies.

##### **411.6.1 VEHICLES**

Vehicles, which are owned by subjects with full immunity, may not be searched, stored, or impounded without the owner's permission. (Such permission may be assumed if the vehicle has been stolen.) These vehicles may, however, be towed the necessary distance to remove them from obstructing traffic or creating any other hazard.

##### **411.6.2 REPORTS**

A photocopy of each traffic collision report involving an identified diplomat and/or immunity claimant shall be forwarded to the office of the Chief of Police within 48 hours whether or not the claim is verified. The words "Immunity Claim" shall be marked on the photocopy, together with a notation of the claimant's title, country, and type of identification presented (if applicable). In addition to the report, a follow-up cover memorandum should be submitted if the violation was flagrant, if the claimant was uncooperative, or if there were any other unusual aspects of the enforcement contact that should be reported to the Department of State for further action. The Watch Commander/Supervisor apprised of the incident/accident shall also send a copy of all documents and reports submitted by the investigating officer along with any supervisor's notes, materials and/or logs to the Chief of Police's office within 48 hours of the incident. The Chief of Police's office will check to ensure that notification of Department of State and all necessary follow-up occur.

#### **411.7 FOREIGN NATIONALS WHO DO NOT CLAIM IMMUNITY**

Officers may only arrest foreign nationals not claiming diplomatic or consular immunity under the following circumstances:

- (a) There is a valid warrant issued for the person's arrest
- (b) There is probable cause to believe that the foreign national has violated a federal criminal law, a state law, or a local ordinance

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Arrest or Detention of Foreign Nationals*

---

- (c) Officers shall not arrest foreign nationals solely for alleged undocumented entry into the United States.

Because undocumented presence is strictly a federal civil violation, it is only enforceable by federal officers therefore officers of this department shall not arrest foreign nationals solely for undocumented presence. Officers shall not stop or detain persons solely for determining immigration status.

#### 411.7.1 ARREST PROCEDURE

Whenever an officer physically arrests or detains an individual for criminal investigation and the officer reasonably believes the person to be a foreign national, the officer shall inquire to determine the person's citizenship.

This procedure applies to detentions of more than two hours. An inquiry is not required if the individual is detained less than two hours for criminal investigation.

If the individual indicates that he/she is other than a U.S. citizen, the officer shall advise the individual that he/she has a right to have the nearest appropriate embassy or consulate notified of the arrest/detention (Vienna Convention on Consular Relations, Art. 36, (1969)).

If the individual requests such notification, the officer shall contact Dispatch as soon as practical and request the appropriate embassy/consulate be notified. Officers shall provide Dispatch with the following information concerning the individual:

- Country of citizenship
- Full name of individual, including paternal and maternal surname, if used
- Date of birth or age
- Current residence
- Time, date, place, location of incarceration/detention and the 24-hour telephone number of the place of detention if different from the Department itself

If the foreign national claims citizenship of one of the countries listed by the US Department of State as requiring mandatory consular notification, officers shall provide Dispatch with the information above as soon as practical whether or not the individual desires the embassy/consulate to be notified. This procedure is critical because of treaty obligations with the particular countries. The list of mandatory notification countries and jurisdictions can be found on the US Department of State website.

#### 411.7.2 DOCUMENTATION

Officers shall document on the face page and in the narrative of the appropriate Arrest-Investigation Report the date and time Dispatch was notified of the foreign national's arrest/detention and his/her claimed nationality.

## Rapid Response and Deployment

### 412.1 PURPOSE AND SCOPE

Violence in schools, workplaces and other locations by any individual or group of individuals presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers as they make decisions in these rapidly unfolding and tense situations.

### 412.2 POLICY

The policy of this department in dealing with the crisis situation shall be:

- (a) To obtain and maintain complete operative control of the incident.
- (b) To explore every reasonably available source of intelligence regarding the circumstances, location, and suspect(s) in the incident.
- (c) To attempt, by every means available, to attain any tactical advantage over the responsible individual(s).
- (d) To attempt, whenever feasible, a negotiated surrender of the suspect(s) and release of the hostages through the expertise of the members of this department and others.
- (e) When an emergency situation exists, neutralize the threat as rapidly as reasonably possible to minimize injury and loss of life.

Nothing in this policy shall preclude the use of necessary force, deadly or otherwise, by members of this department in protecting themselves or others from death or serious injury.

### 412.3 PROCEDURE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to immediately eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

When deciding on a course of action officers should consider the following:

- (a) Whether sufficient personnel are available on-scene to advance on the suspect. Any advance on a suspect should be made using teams of two or more officers whenever reasonably possible.
- (b) Whether individuals who are under imminent threat can be moved out of danger with reasonable safety.
- (c) Whether the officers have the ability to effectively communicate with others in the field.
- (d) Whether planned tactics can be effectively deployed.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Rapid Response and Deployment*

---

- (e) The availability of rifles, shotguns, shields, control devices and any other appropriate tools, and whether the deployment of these tools will provide tactical advantage.
- (f) In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (ERT and/or hostage negotiation team response).
- (g) If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, the officer should take immediate action, if reasonably possible, to stop the threat presented by the suspect while calling for additional assistance.

# Immigration Violations

## 414.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Roseburg Police Department relating to immigration and interacting with federal immigration officials.

## 414.2 POLICY

It is the policy of the Roseburg Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

## 414.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Oregon constitutions.

## 414.4 DETENTIONS

This department does not participate in routine immigration investigation and enforcement activities (ORS 181A.820).

An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

### *Immigration Violations*

---

An officer may arrest any person who is the subject of an arrest warrant issued by a federal magistrate for a criminal violation of federal immigration laws (ORS 181A.820).

An officer should notify a supervisor as soon as practicable whenever an individual is being detained or arrested for a criminal immigration violation.

#### **414.4.1 SUPERVISOR RESPONSIBILITIES**

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

#### **414.4.2 IMMIGRATION INQUIRIES PROHIBITED**

An officer shall not inquire into an individual's immigration status, citizenship status, or country of birth except where allowed by law (ORS 181A.823).

#### **414.4.3 INDIVIDUAL RIGHT NOTIFICATION**

To ensure compliance with all treaty obligations, including consular notification and state and federal laws, an officer should ensure individuals who are detained receive an explanation in writing, with interpretation into another language if requested, of the following (ORS 181A.823):

- (a) The individual's right to refuse to disclose the individual's nationality, citizenship, or immigration status.
- (b) That the disclosure of the individual's nationality, citizenship, or immigration status may result in a civil or criminal immigration enforcement, including removal from the United States.

#### **414.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT**

Generally, an officer should not notify federal immigration officials when booking arrestees at a jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

#### **414.6 FEDERAL REQUESTS FOR ASSISTANCE**

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The Department may provide available support services (unrelated to immigration enforcement), such as peacekeeping efforts (ORS 181A.826).

##### **414.6.1 FEDERAL IMMIGRATION ENFORCEMENT REQUESTS AND DOCUMENTATION**

Any requests from federal immigration officials for assistance relating to immigration enforcement (other than a judicial subpoena) shall be declined and the communication or request shall be documented. The documentation shall be forwarded to the Chief of Police or the authorized

designee. The Chief of Police or the authorized designee should ensure the documentation is forwarded to the Oregon Criminal Justice Commission (OCJC) as prescribed by the OCJC (ORS 181A.826).

#### **414.8 INFORMATION SHARING**

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; ORS 181A.823):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under Oregon State Law.

##### **414.8.1 IMMIGRATION DETAINERS**

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause, or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

##### **414.8.2 NON-DISCLOSURE OF CERTAIN INFORMATION**

Except as required by state or federal law, members should not disclose for the purpose of enforcement of federal immigration laws the following information about a person or his/her known relatives or associates, whether current or otherwise (ORS 180.805):

- (a) The person's address
- (b) The person's workplace or hours of work
- (c) The person's school or school hours
- (d) The person's contact information, including telephone number, email address, or social media account information
- (e) The identity of known associates or relatives of the person
- (f) The date, time, or location of a person's hearings, proceedings, or appointments with the Department that are not matters of public record

#### **414.9 U VISA AND T VISA NONIMMIGRANT STATUS**

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

### *Immigration Violations*

---

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Criminal Investigations Division supervisor assigned to oversee the handling of any related case. The Criminal Investigations Division supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner (ORS 147.620).
  1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

#### 414.9.1 DENIAL OF CERTIFICATION

If certification is denied, the Criminal Investigations Division supervisor shall inform the petitioner in writing regarding the reason for the denial as provided in ORS 147.620. A copy of the notice shall be kept for a minimum of three years and in accordance with the established records retention schedule (ORS 147.620).

#### 414.9.2 TIME FRAME FOR COMPLETION

Except under circumstances where there is good cause for delay, the Criminal Investigations Division supervisor shall process the certification for the U visa or T visa within 90 days of the request, unless the victim is in federal immigration removal proceedings, in which case the certification shall be executed within 14 days after the request is received (ORS 147.620).

### **414.9 TRAINING**

The Administrative Sergeant should ensure officers receive training on this policy.

Training should include:

- (a) Identifying civil versus criminal immigration violations.
- (b) Factors that may be considered in determining whether a criminal immigration offense has been committed.

## Aircraft Accidents

### 415.1 PURPOSE AND SCOPE

This policy describes situations involving aircraft accidents including responsibilities of personnel, making proper notification and documentation.

### 415.2 RESPONSIBILITIES

In the event of an aircraft crash the employee responsibilities are as follows:

#### 415.2.1 OFFICER RESPONSIBILITY

Officers should treat an aircraft crash site as a crime scene until it is determined that such is not the case. If a military aircraft is involved, additional dangers, such as live ordnance or hazardous materials, may be present. The scene may require additional security due to the potential presence of confidential equipment or information.

The duties of the field officer at the scene of an aircraft accident include the following:

- (a) Determine the nature and extent of the accident.
- (b) Request additional personnel and other resources to respond as needed.
- (c) Provide assistance for the injured parties until the arrival of fire department personnel and/or other emergency personnel.
- (d) Cordon off and contain the area to exclude unauthorized individuals as soon as practicable.
- (e) Provide crowd control and other assistance until directed otherwise by a supervisor.
- (f) Ensure that the medical examiner's office is notified if a death occurs.
- (g) If there appears to be a large number of fatalities, consider contacting the County Health Department for mass casualty assistance.

Entering an aircraft or tampering with parts or debris is only permissible for the purpose of removing injured or trapped occupants, protecting the wreckage from further damage or protecting the public from danger. If possible, the investigating authority should first be consulted before entering or moving any aircraft or any crash debris. Photographs or sketches of the original positions should be made whenever feasible.

The fire department will be responsible for control of the accident scene until the injured parties are cared for and the accident scene has been rendered safe for containment. Thereafter, police personnel will be responsible for preserving the scene until relieved by the investigating authority.

Once the scene is relinquished to the investigating authority, personnel from this agency may assist in containment of the scene until the investigation is completed or assistance is no longer needed.

### *Aircraft Accidents*

---

An airport service worker or the airport manager may respond to the scene to assist the on-scene commander with technical expertise, should it be needed during the operation.

#### 415.2.2 NATIONAL TRANSPORTATION SAFETY BOARD

The National Transportation Safety Board (NTSB) has the primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft incident the appropriate branch of the military will be involved in the investigation. The NTSB is concerned with several aspects of a crash as described in this section.

Every effort should be made to preserve the scene to the extent possible in the condition in which it was found until such time as NTSB or other authorized personnel arrive to take charge of the scene.

Military personnel will respond to take charge of any military aircraft involved, whether or not injuries or deaths have occurred.

If the accident did not result in a death or injury and the NTSB elects not to respond, the pilot or owner may assume control of the aircraft.

Removal of the wreckage shall be done under the guidance of the NTSB or military authorities or, if the NTSB is not responding for an onsite investigation, at the discretion of the pilot or the owner.

#### 415.2.3 DISPATCH RESPONSIBILITIES

Dispatchers are responsible to make notifications as directed once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. Generally, the dispatcher will need to notify the following agencies or individuals when an aircraft accident has occurred.

- (a) Fire Department
- (b) The affected airport tower
- (c) Closest military base if a military aircraft is involved
- (d) Ambulances or other assistance as required

When an aircraft accident is reported to the Police Department by the airport tower personnel the dispatcher receiving such information should verify that the tower personnel will contact the Federal Aviation Administration (FAA) Flight Standards District Office and the National Transportation Safety Board (NTSB). In the event that airport personnel are not involved, the dispatcher should notify the FAA and the NTSB.

#### 415.2.4 RECORDS SUPERVISOR RESPONSIBILITIES

The Records Supervisor is responsible for the following:

- (a) Forward and maintain an approved copy of the accident report to the Oregon Department of Aviation

Information released to the press regarding any aircraft accident should be handled by the Department Public Information Officer or in accordance with existing policy.

#### **415.3 DOCUMENTATION**

Any aircraft accident (crash) within the City, regardless of whether injuries or deaths occur, shall be documented in a police report.

## Contacts and Temporary Detentions

### 417.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for conducting field interviews (FI) and pat-down searches and the taking and retention of photographs of persons detained in the field but not arrested. Due to a variety of situations confronting the officer, the decision to FI or photograph a field detainee shall be left to the discretion of the involved officer based on the totality of the circumstances available to them at the time of the detention.

#### 417.1.1 DEFINITIONS

Definitions related to this policy include:

**Consensual encounter** - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

**Field interview (FI)** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purposes of determining the individual's identity and resolving the officer's suspicions.

**Field photographs** - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile/Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Frisk or pat-down search** - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others (ORS 131.625).

**Reasonable suspicion** - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Stop** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion that the person has committed or is about to commit a crime (ORS 131.615).

**Temporary detention** - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

### 417.2 POLICY

The Roseburg Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall

# Roseburg Police Department

### *Contacts and Temporary Detentions*

---

be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

#### **417.3 FIELD INTERVIEWS**

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Roseburg Police Department to strengthen community involvement, community awareness, and problem identification.

##### **417.3.1 INITIATING A FIELD INTERVIEW**

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in the area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggests he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

##### **417.3.2 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an incident may be lost or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigators to utilize available personnel for the following:

- (a) Identify all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or

### *Contacts and Temporary Detentions*

---

probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department personnel.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness in a department vehicle. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

#### **417.4 FRISK OR PAT-DOWN SEARCHES**

A frisk or pat-down search of a stopped person may be conducted whenever an officer reasonably believes that the person may possess a dangerous or deadly weapon and presents a danger to the officer or other persons present (ORS 131.625). The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to the following:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

#### **417.5 FIELD PHOTOGRAPHS**

Before photographing any field detainee, the officer shall carefully consider, among other things, the factors listed below.

##### **417.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT**

Field photographs may be taken when the subject of the photograph knowingly and voluntarily gives consent.

##### **417.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT**

Field photographs may be taken without consent only if they are taken during a detention that is based on reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that

# Roseburg Police Department

### *Contacts and Temporary Detentions*

---

reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

#### **417.6 SUPERVISOR RESPONSIBILITY**

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph. Access to field photographs shall be strictly limited to law enforcement purposes.

#### **417.7 DISPOSITION OF PHOTOGRAPHS**

All detainee photographs must be adequately labeled and submitted to the Watch Commander with either an associated FI card, incident report, or other memorandum explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, any associated report numbers should be noted on the photograph, or on the computer case file / folder.

When a photograph is taken in association with a particular case, the officer may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file.

#### **417.8 PHOTO REVIEW POLICY**

Any person who has been the subject of a field photograph or an FI by this agency during any contact other than an arrest may file a written request within 30 days of the contact requesting a review of the status of the photograph/FI. The request shall be directed to the office of the Chief of Police who will ensure that the status of the photograph or FI is properly reviewed according to this policy.

## Watch Commanders

### **418.1 PURPOSE AND SCOPE**

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each watch.

### **418.2 DESIGNATION AS ACTING**

When a Sergeant is unavailable for duty as Watch Commander, in most instances a qualified Corporal and / or Master Officer will be designated as acting Watch Commander.

## Mobile Data Computer Use

### 419.1 PURPOSE AND SCOPE

The Mobile Data Computer (MDC) accesses confidential records from the Oregon State Police and Department of Motor Vehicles databases. Employees using the MDC shall comply with all appropriate federal and state rules and regulations.

### 419.2 MDC USE

The MDC shall be used for official police communications only. Messages that are of a sexual, racist, or offensive nature, or otherwise critical of any member of the Department are strictly forbidden. MDC use is also subject to the Department Technology Use Policy.

Messages may be reviewed by supervisors at anytime without prior notification. Employees generating or transmitting messages not in compliance with this policy are subject to discipline.

All calls dispatched to patrol units should be communicated by voice and MDC unless otherwise authorized by the Watch Commander.

Any agency using a terminal to access the Law Enforcement Data System (LEDS), whether directly or through another agency, is responsible for adhering to all applicable LEDS Rules & Policies and must ensure that unauthorized persons are not given access or allowed to view LEDS information.

#### 419.2.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should generally be limited to times when the vehicle is stopped. When the vehicle is in motion, the operator should only attempt to read messages that are likely to contain information that is required for immediate enforcement, investigative or safety needs.

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

#### 419.2.2 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted either verbally over the police radio or through the MDC system.

Officers responding to in-progress calls shall advise changes in status verbally over the radio to assist other officers responding to the same incident.

Other changes in status may be entered by depressing the appropriate keys on the MDC's.

### 419.3 MDC CONSIDERATIONS

### *Mobile Data Computer Use*

#### 419.3.1 NON-FUNCTIONING MDC

Whenever possible, officers will not use units with malfunctioning MDC's. Whenever officers must drive a unit in which the MDC is not working, they shall notify Dispatch. It shall be responsibility of Dispatch to record all information that will then be transmitted verbally over the police radio.

#### 419.3.2 BOMB CALLS

When investigating reports of possible bombs, officers will turn off their MDC's. Operating the MDC may cause some devices to detonate.

## Portable Audio/Video Recorders

### 420.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment (ORS 133.741).

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Roseburg Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

### 420.2 POLICY

The Roseburg Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

### 420.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in their official capacity of this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

### 420.4 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder issued by the Department, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable. Members shall dock or upload their Body Worn Video device at the end of their shift and/or any time the storage capacity is nearing its limit.

Prior to going into service, each member utilizing a patrol vehicle equipped with a portable recorder will ensure the system is activated and functioning properly. Prior to end of shift, members will label and categorize all applicable recordings in adherence to department policy and procedures. If the patrol vehicle's portable recorder is malfunctioning, the member shall notify the on-duty Watch Commander, who may take that patrol vehicle off line until the recording system is repaired.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a

---

conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, RPD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

#### **420.5 ACTIVATION OF THE PORTABLE RECORDER**

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including but not limited to traffic violations, stranded motorist assistance, and all crime interdiction stops
- (c) Self-initiated activity in which a member would normally notify Dispatch
- (d) Any time someone is transported in the prisoner section of the patrol vehicle
- (e) Priority responses
- (f) Vehicle pursuits
- (g) Any call for service where the recorder may aid in the investigation
- (h) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Unless there are exigent circumstances or concerns for the safety of the member or any other person, body-worn cameras shall be activated whenever the officer has or develops reasonable suspicion or probable cause that an offense has been or will be committed by a person in contact with the member (ORS 133.741).

Members shall notify all parties to the conversation that a recording is being made unless authorized to forgo notice by a court order or the limited exceptions in ORS 165.540 and ORS 133.726 (prostitution offenses, felonies when exigency makes obtaining a warrant unreasonable, certain felony drug offenses, felonies that endanger human life) (ORS 165.540).

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Portable Audio/Video Recorders*

---

the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize their safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

#### **420.5.1 SURREPTITIOUS USE OF THE PORTABLE RECORDER**

Oregon law generally prohibits any individual from surreptitiously recording any conversation, except as provided in ORS 165.540 and ORS 165.543.

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

#### **420.5.2 CESSATION OF RECORDING**

Once activated, the MAV system and/or portable recorder should remain on continuously until the member's direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident; the MAV recording system may be stopped when it is unlikely it will capture anything of value.

#### **420.5.3 EXPLOSIVE DEVICE**

Many MAV systems and portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

### **420.6 PROHIBITED USE OF PORTABLE RECORDERS**

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members shall not erase, alter, reuse, modify or tamper with recordings. Only a manager, MAV Technician or other authorized designee may erase and/or reissue previous recordings and may only do so pursuant to the provisions of this policy.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All recordings shall be retained at the Department or by any department-approved third-party vendor.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Watch Commander. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention

---

and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

#### **420.7 RETENTION OF RECORDINGS**

Any time a member records any portion of a contact that the member reasonably believes constitutes evidence in a criminal case, the member shall record the related case number and transfer the file in accordance with current procedure for storing digital files and document the existence of the recording in the related case report. Transfers should occur when a patrol vehicle is within Wi-Fi range of the Roseburg Police Department, and with portable recorders at the end of the member's shift, or any time the storage capacity is nearing its limit.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

##### **420.7.1 RETENTION REQUIREMENTS**

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule.

#### **420.8 REVIEW OF RECORDED MEDIA FILES**

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's

Caregiver does not include a person's attending provider; however, it may include an organization or facility that provides hospice, palliative, or home health care services. **Statutory possession and grow site amounts** - Amounts authorized by ORS 475C.806 and ORS 475C.809.

**Usable marijuana** - The dried leaves and flowers of marijuana. Usable marijuana does not include the seeds, stalks, and roots of marijuana or waste material that is a by-product of producing marijuana (ORS 475C.777).

#### **421.2 POLICY**

It is the policy of the Roseburg Police Department to prioritize resources to avoid making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Oregon medical marijuana laws are intended to protect patients and their doctors from criminal and civil penalties that may deter the use of small amounts of marijuana by those suffering from debilitating medical conditions (ORS 475C.770). However, Oregon's medical marijuana laws do not affect federal laws, and there is no medical exception under federal law for the possession or distribution of marijuana. The Roseburg Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Oregon law and the resources of the Department.

#### **421.3 INVESTIGATION**

Investigations involving the possession, delivery, production, or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations related to patient cardholders.
- (c) Investigations related to patient non-cardholders.

##### **421.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM**

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation. A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

##### **421.3.2 INVESTIGATIONS RELATED TO PATIENT CARDHOLDERS**

Officers shall not take enforcement action against a cardholder for engaging in the medical use of marijuana with amounts at or below statutory possession amounts or statutory grow site amounts. Officers shall not take enforcement action against a caregiver for assisting a patient cardholder in the medical use of marijuana with amounts at or below statutory possession or grow site amounts (ORS 475C.883).

### *Medical Marijuana*

---

Cardholders are required to carry their RIC when using or transporting marijuana, usable marijuana, medical cannabinoid products, cannabinoid concentrates, or cannabinoid extracts at a location other than the address on file with the Oregon Health Authority (ORS 475C.812). However, officers should treat a person without a RIC in their possession as if it were in their possession if the RIC can be verified through an Oregon State Police Law Enforcement Data Systems (LEDS) query or other sources.

#### 421.3.3 INVESTIGATIONS RELATED TO PATIENT NON-CARDHOLDERS

Officers should not take enforcement action against a patient who does not have a RIC for possession, delivery, or production of marijuana, or any other criminal offense in which possession, delivery, or production of marijuana is an element, if the patient meets all of the following (ORS 475C.889):

- (a) Is engaged in the medical use of marijuana
- (b) Possesses, delivers, or manufactures a quantity at or below statutory possession quantity or the quantity cultivated is at or below statutory grow site amounts

Officers should not take enforcement action against a person who does not meet the definition of a patient if the person is taking steps to obtain a RIC; possesses, delivers, or manufactures marijuana at or below statutory possession or grow site amounts; and the person's medical use claim appears genuine under the circumstances (ORS 475C.889).

#### 421.3.4 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

- (a) Grow sites are regulated in the following manner (ORS 475C.792):
  1. The Oregon Health Authority must have issued a marijuana grow site registration card for a site to be valid.
  2. The grow site registration card must be posted for each RIC holder for whom marijuana is being produced at a marijuana grow site.
- (b) An officer who determines that the number of marijuana plants at an address exceeds quantities authorized by statute may confiscate only the excess number of plants (ORS 475C.806).
- (c) Because enforcement of medical marijuana laws can be complex and time consuming and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
  1. The suspect has been identified and can be easily located at another time.
  2. The case would benefit from review by a person with expertise in medical marijuana investigations.
  3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Medical Marijuana*

---

4. Any other relevant factors exist, such as limited available department resources and time constraints.
- (d) Before proceeding with enforcement related to grow sites, a marijuana producer, or processing sites, officers should consider conferring with appropriate legal counsel, the Oregon Health Authority, and/or Oregon Liquor and Cannabis Commission (ORS 475C.137; ORS 475C.806).
- (e) Registration or proof of registration under ORS 475C.770 to ORS 475C.919 does not constitute probable cause to search the person or property of the registrant or otherwise subject the person or property of the registrant to inspection (ORS 475C.894).
- (f) As a licensing authority, the Oregon Liquor and Cannabis Commission may assist with related questions regarding recreational marijuana (ORS 475C.065).

#### 421.3.5 EXCEPTIONS

Medical marijuana users are generally not exempt from other criminal laws, and officers should enforce criminal laws not specifically covered by the Medical Marijuana Act appropriately. Officers may take enforcement action if the person (ORS 475C.886):

- (a) Drives under the influence of marijuana as provided in ORS 813.010.
- (b) Engages in the medical use of marijuana in a place where the general public has access (ORS 161.015), in public view, in a correctional facility (ORS 162.135(2)), or in a youth correction facility (ORS 162.135(6)).
- (c) Delivers marijuana to any individual who the person knows is not in possession of a RIC.
- (d) Delivers marijuana to any individual or entity that the person knows has not been designated to receive marijuana or assigned a possessory interest in marijuana by an individual in possession of a RIC.

If an officer knows or has reasonable grounds to suspect a violation of the Adult and Medical Use of Cannabis Act (ORS 475C.005 to ORS 475C.525), the officer shall immediately notify the district attorney who has jurisdiction over the violation and provide any relevant information, including the names and addresses of any witnesses (ORS 475C.413).

#### 421.3.6 INDUSTRIAL HEMP

Medicinal marijuana investigations may lead to separate issues related to industrial hemp. Growers and handlers who operate under the industrial hemp laws of Oregon must be licensed with the ODA to grow or handle industrial hemp or produce agricultural hemp seed. Growers and handlers who produce seed products incapable of germination are not required to be licensed with the ODA (ORS 571.281). Officers may contact the ODA's Commodity Inspection Division for information about industrial hemp sites and registration compliance.

#### **421.4 FEDERAL LAW ENFORCEMENT**

Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

#### **421.5 PROPERTY AND EVIDENCE OFFICE SUPERVISOR RESPONSIBILITIES**

The Property and Evidence Office supervisor shall ensure that marijuana, drug paraphernalia, or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed, harmed, neglected, or injured. The Property and Evidence Office supervisor is not responsible for caring for live marijuana plants (ORS 475C.894).

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property and Evidence Office supervisor shall immediately return to the person from whom it was seized any usable marijuana, plants, drug paraphernalia, or other related property (ORS 475C.894).

The Property and Evidence Office supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Criminal Investigations Division supervisor.

## Bicycle Patrol

### 422.1 PURPOSE AND SCOPE

The Roseburg Police Department occasionally utilizes Bicycle Patrol for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

### 422.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Operations Commander or the Watch Commander.

### 422.3 UNIFORMS AND EQUIPMENT

Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle.

The bicycle patrol uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

### 422.4 CARE AND USE OF PATROL BICYCLES

Officers will be assigned a specially marked and equipped patrol bicycle and attached gear bag.

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in color with a Police decal affixed to each side of the crossbar or the bike's saddlebag. Every such bicycle shall be equipped with front and rear reflectors and front lights satisfying the requirements of Oregon Revised Statutes § 815.280(2).

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing and citations.

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to insure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Bicycle Patrol*

---

If a needed repair is beyond the ability of the bicycle officer, a repair request will be forwarded to the Operations Commander or Watch Commander for repair by an approved technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty. Except in the event of an emergency officer shall not remove or add components or modify the patrol bicycle without the expressed approval of the Operations Commander or Watch Commander.

Except when emergency circumstances preclude doing so, patrol bicycles should be secured as best as possible when not in the officer's immediate presence.

#### **422.5 OFFICER RESPONSIBILITY**

Officers must operate the bicycle in compliance with the Oregon Revised Statutes. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

# Homeless Persons

## 423.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that department members understand the needs and rights of the homeless, and to establish procedures to guide them during all contacts with the homeless, whether consensual or for enforcement purposes.

This policy establishes a liaison to the homeless community, addresses the responsibilities of the department member appointed to act as a liaison to the homeless, and details the need for special protection and services for homeless persons.

### 423.1.1 POLICY

It is the policy of the Roseburg Police Department to provide law enforcement services to all members of the community while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

## 423.2 LIAISON TO THE HOMELESS COMMUNITY

The Chief of Police shall designate certain responsibilities to a liaison to the homeless community. The liaison shall be appointed by and directly responsible to the Operations Division Commander or the authorized designee.

The responsibilities of the liaison include but are not limited to:

- (a) Maintaining and making available to all department members a list of assistance programs and other resources that are available to homeless persons.
- (b) Meeting with social services and representatives of other organizations that render assistance to the homeless community.
- (c) Maintaining a list of the areas within and near the jurisdiction of this department that are used as frequent homeless encampments.
- (d) Remaining abreast of laws dealing with homelessness, including property rights. This includes the following:
  1. Proper posting of notices of trespass and cleanup operations.
  2. Proper retention of property after cleanup, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.
- (e) Being present during any cleanup operation conducted by this department that involves the removal of personal property of the homeless. This is to ensure that the established rights of the homeless are not violated.
- (f) Developing training to assist members in understanding current legal and social issues relating to the homeless.
- (g) Reviewing any city policies regarding homeless individuals camping on public property (ORS 195.500).

# Roseburg Police Department

### *Homeless Persons*

#### **423.3 FIELD CONTACTS**

Officers are encouraged to contact a homeless person to render aid, offer assistance, or to check the person's welfare. Officers also will take enforcement action when information supports a reasonable and articulable suspicion of criminal activity. However, such contacts shall not be used for harassment.

When encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions, such as shelter referrals and counseling, in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

##### **423.3.1 CONSIDERATIONS**

A homeless person will receive the same level and quality of service provided to other members of the community. The fact that a victim, witness, or suspect is homeless can, however, require special considerations for a successful investigation and prosecution. When handling investigations involving victims, witnesses, or suspects who are homeless, officers should consider:

- (a) Documenting alternate contact information. This may include obtaining addresses and telephone numbers of relatives and friends.
- (b) Documenting locations the person may frequent.
- (c) Providing victim/witness resources, when appropriate.
- (d) Obtaining sufficient statements from all available witnesses in the event that a victim cannot be located and is unavailable for a court appearance.
- (e) Whether the person may be an adult abuse victim and, if so, proceed in accordance with the Adult Abuse Policy.
- (f) Arranging for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Whether a crime should be reported and submitted for prosecution, even when a victim who is homeless indicates no desire for prosecution.

#### **423.4 HOMELESS ENCAMPMENTS**

Officers who encounter encampments, bedding, or other personal property in public areas that reasonably appears to belong to a homeless person should not immediately remove or destroy such property if it appears likely that the property will be retrieved by the owner within a short amount of time on the same day.

##### **423.4.1 HOMELESS CAMPS ON PUBLIC PROPERTY**

ORS 203.077 and 203.079 requires all municipalities to develop and implement policies which address unauthorized camping on public property.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Homeless Persons*

---

This policy has been developed to ensure the humane treatment and removal of individuals from illegal camping sites on public property. This policy applies to all public property where camping is prohibited. Roseburg Municipal Code 7.02.100 outlines the specifics of "Prohibited Camping."

#### **Definitions:**

**Camp or Camping** – to set up or to remain in or at a campsite.

**Campsite** - any place where any bedding, sleeping bags or other sleeping matter, or any stove, or fire, is placed, established or maintained, whether or not such place incorporates the use of any tent, lean-to, shack, or any other structure erected or maintained for shelter, or any vehicle or part thereof.

**Established Campsite** - an unauthorized campsite in which person(s) evidence the intent to camp longer than one (1) overnight (sunset to sunrise) period. Such intent may be evidenced by facts such as, but not limited to;

- (a) Leaving items of personal property on site which have apparent utility and to which persons would reasonably be expected to return.
- (b) Preparing the site for living activities such as eating, drinking, and sleeping.

**Personal Property** – items that are reasonably recognized as belonging to a person and that have apparent utility. These items may include, but are not limited to:

- Tents and Tarps

- Bags, luggage, or packs
- Cots, hammocks, bedding
- Stoves and cooking utensils
- Person papers and identification documents
- Cell phones and other electronics

**Unsanitary Condition** – for purposes of this policy, property is considered unsanitary when it is reasonably feared to harbor hazards or disease, has had its usefulness compromised by exposure to weather, and/or is so dirty that any reasonable person would consider it unusable as found.

**Unauthorized Camps** – a location on public property where persons are camping in violation of the municipal code. The following may be considered in determining whether a person has camped or is camping in violation of city code:

- (a) Sleeping or making preparations to sleep, including the lying down of bedding for the purpose of sleeping overnight.

- (d) Keeping or storing personal property.

**Notification Process** - Upon notification or discovery of unauthorized camp sites on public property the following shall occur:

If the unauthorized campsite is not an established campsite the officer will give the occupants time to gather and remove belongings as is reasonable under the circumstances. If the unauthorized campsite is an established campsite or if the officer cannot determine whether the unauthorized campsite is an established camping site, the officer will post a "Notice of Unauthorized Campsite," per ORS 203.079. Such notice will be 72 hours in advance of any persons or property removal and shall be written in both English and Spanish.

The "Notice" can be found in the RPD forms files.

- (c) Items that have no apparent utility, or are in an unsanitary condition may be immediately disposed of.
- (d) Officers will take photos of the campsite and property when the Notice has been posted.
- (e) After posting the property, the officer will contact UCAN, at [diane.bradley@ucancap.org](mailto:diane.bradley@ucancap.org) and advise of the exact camp location and date and time that the Notice was posted.

**When 72-Hour Notice is NOT Required, per ORS 203.081:**

- (a) The 72-hour notice is not required under the following circumstances:

**Removal of Persons Process** - removal from unauthorized campsites, which are established campsites should proceed as follows:

- (a) On or after the posted 72 hour period, but not longer than 7 days (this time frame gives UCAN an opportunity to respond to the camp if so desired), an officer shall revisit the site to determine if it is occupied and whether clean up of the site has occurred.
- (b) People who remain at the unauthorized campsite will be ordered to leave.
- (c) People who fail to comply or violate any other codes or statutes, may be subject to applicable sanctions.

#### **Issuing Citations for Non-Compliance:**

#### **Clean-up of Abandoned Property and Debris:**

- (a) If clean up is necessary, the City Compliance Officer will be advised and will make arrangements for the clean up. Currently the City Compliance Officer will contact the Community Corrections Supervisor for Douglas County to inform them of the clean-up request and to be placed on a list for the next available clean-up. The contact person(s) is currently; John Olinghouse; 541-430-8558 / 541-957-2071, jloolingh@co.douglas.or.us or Bruce Madison; 541-430-2135, bdmadiso@co.douglas.or.us. (d) All unclaimed personal property shall be given to law enforcement officials whether 72-hour notice is required or not. The property shall be stored for a minimum of 30 days during which it will be reasonably available to any individual claiming ownership. Any personal property that remains unclaimed for 30 days may be disposed of. For purposes of this paragraph, "personal property" means any item that is reasonably recognizable as belonging to a person and that has apparent utility. Items that have no apparent utility or are in an insanitary condition may be immediately discarded upon removal of the homeless individuals from the camping site. Weapons, drug paraphernalia and items that appear to be either stolen or evidence of a crime shall be given to law enforcement officials.

(e) Following the removal of homeless individuals from a camping site on public property, the law enforcement officials, local agency officials and outreach workers may meet to assess the notice and removal policy, to discuss whether the removals are occurring in a humane and just manner and to determine if any changes are needed in the policy.

(2) The 72-hour notice required under subsection (1) of this section shall not apply:

(a) When there are grounds for law enforcement officials to believe that illegal activities other than camping are occurring.

(b) In the event of an exceptional emergency such as possible site contamination by hazardous materials or when there is immediate danger to human life or safety.

203.081 Sites not subject to ORS 203.077 to 203.081. As used in ORS 203.077 to 203.081, "camping site" does not include:

(1) Public property that is a day use recreational area.

(2) Public property that is a designated campground and occupied by an individual under an agreement with a municipality or county. [1995 c.121 §3]

- (a) Limit camping space at the institution site to three or fewer vehicles at the same time; and
- (b) Provide campers with access to sanitary facilities, including but not limited to toilet, hand washing and trash disposal facilities. [1999 c.319 §1]

Note: 203.082 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 203 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation."

#### **423.5 PERSONAL PROPERTY**

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting, and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested, or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure any personal property. Otherwise, the arrestee's personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed, and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the department Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding, or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the liaison if such property appears to involve a trespass, is a blight to the community, or is the subject of a complaint. It will be the responsibility of the liaison to address the matter in a timely fashion.

##### **423.5.1 STATE LAW ON UNCLAIMED PERSONAL PROPERTY**

When a homeless individual is removed pursuant to a city policy, any unclaimed personal property stored by this department shall be stored in an orderly fashion, keeping items that belong to an individual together to the extent that ownership can reasonably be determined. Items that have no apparent utility or are in an unsanitary condition may be immediately discarded upon removal of the homeless individual from the camp site (ORS 195.505).

Weapons, controlled substances, and items that appear to be either stolen or evidence of a crime shall be stored pursuant to department protocols and the Property and Evidence Policy.

# Roseburg Police Department

### *Homeless Persons*

---

#### **423.6 MENTAL HEALTH ISSUES**

When mental health issues are evident, officers should consider referring the person to the appropriate mental health agency or providing the person with contact information for mental health assistance, as appropriate. In these circumstances, officers may provide transportation to a mental health facility for voluntary evaluation if it is requested or offered and accepted by the person, and approved by a supervisor. Officers should consider detaining the person under civil commitment when facts and circumstances reasonably indicate such a detention is warranted (see the Civil Commitments Policy).

#### **423.7 ECOLOGICAL ISSUES**

Sometimes homeless encampments can have an impact on the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or City departments when a significant impact to the environment has or is likely to occur. A significant impact to the environment may warrant a crime report, investigation, supporting photographs, and supervisor notification.

#### **423.8 HOMELESS CAMPS ON PUBLIC PROPERTY**

Prior to removing homeless individuals from an established campsite on public property, officers shall (ORS 195.505):

- (a) Post the area with required written notice of pending removal at all entrances reasonably identifiable. Notice should be in English and Spanish and include all required information under ORS 195.505 (e.g., location of unclaimed property, required contact information for questions regarding location of property storage).
  - 1. Notice shall be posted at least 72 hours prior to removal except in certain circumstances (e.g., camping at cemeteries).
- (b) Once notice is posted, notify the local agency that delivers social services to homeless individuals as to where the notice has been posted.

The 72-hour warning notice requirement is not necessary if officers reasonably believe that illegal activity unrelated to the camping is occurring at an established camping site or in the event of an exceptional emergency such as a possible site contamination by hazardous materials, a public health emergency, or other immediate danger to human life or safety (ORS 195.505).

#### **423.9 POLICY**

It is the policy of the Roseburg Police Department to protect the rights, dignity, and private property of all members of the community, including people who are homeless. Abuse of authority to harass any member of the community will not be permitted. The Roseburg Police Department will address the needs of homeless persons in balance with the overall mission of this department.

Homelessness is not a crime and members will not use homelessness as the sole basis for detention or law enforcement action.

## Public Recording of Law Enforcement Activity

### 424.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

### 424.2 POLICY

The Roseburg Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

### 424.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (ORS 165.540).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
  - 1. Tampering with a witness or suspect.
  - 2. Inciting others to violate the law.
  - 3. Being so close to the activity as to present a clear safety hazard to the officers.
  - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

### 424.4 OFFICER RESPONSE

Officers should promptly request a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

#### **424.5 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

#### **424.6 SEIZING RECORDINGS AS EVIDENCE**

Officers should not seize recording devices or media unless ("First Amendment Privacy Protection, Unlawful Acts", 42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
  1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
  1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
  2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible.

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

## First Amendment Assemblies

### 425.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

### 425.2 POLICY

The Roseburg Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

### 425.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential.

The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

#### 425.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

#### 425.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to Dispatch, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

#### 425.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

##### 425.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *First Amendment Assemblies*

---

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

#### 425.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles, and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
  1. The plan shall include officer identifiers affixed to the uniform and helmet that comply with ORS 181A.702.
    - (a) An officer shall not intentionally obscure any part of a uniform or helmet identifier.
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with City government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief, and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.

### *First Amendment Assemblies*

---

- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

#### **425.5.3 MUTUAL AID AND EXTERNAL RESOURCES**

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated.

#### **425.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS**

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

#### **425.7 USE OF FORCE**

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should

be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsicum (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

#### **425.8 ARRESTS**

The Roseburg Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been or reasonably appear likely to be unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Citation Releases Policy).

#### **425.9 MEDIA RELATIONS**

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

#### **425.10 DEMOBILIZATION**

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should

---

promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

#### **425.11 POST EVENT**

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, Dispatch records/tapes
- (g) Media accounts (print and broadcast media)

##### **425.11.1 AFTER-ACTION REPORTING**

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

#### **425.12 TRAINING**

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

#### **425.13 PUBLIC REQUEST OF OFFICER IDENTIFICATION**

Officers shall provide their name, identification number, or unique identifier assigned by the Department to a person when requested if it is practical, safe, and tactically sound to do so at the time of request (ORS 181A.704).

The request may be satisfied by providing a department-issued business card.

##### **425.13.1 INVESTIGATION OF OFFICER IDENTIFICATION**

Upon request by a member of the public, the Department shall conduct an investigation to identify an officer as follows (ORS 181A.704):

# Roseburg Police Department

## Roseburg PD Policy Manual

### *First Amendment Assemblies*

---

The member of the public has provided the following:

- The member of the public has provided the following:
  - A partial name
  - A full or partial badge number, or other identifying number
  - A photo of the officer
  - A full or partial license plate, or other identifying number from a police vehicle
  - A physical description
  - The location, date, and time when the officer was present

Within seven days of receiving the request, the department shall confirm to the requester receipt of the request.

- Within 14 days after receiving the request, the department shall provide the requester:
  - The name and the number assigned to the officer by the Department of Public Safety Standards and Training; or
  - An explanation of why the identification could not be performed.
- If the requester provided a full badge number, the department shall provide the name of the officer within 14 days after receiving the request.

Identification shall not be provided if the officer is participating in an undercover law enforcement operation (ORS 181A.704).

## Medical Aid and Response

### 426.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

### 426.2 POLICY

It is the policy of the Roseburg Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

### 426.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact Dispatch and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Dispatch with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
  1. Signs and symptoms as observed by the member.
  2. Changes in apparent condition.
  3. Number of patients, sex, and age, if known.
  4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
  5. Whether the person is showing signs of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Medical Aid and Response*

---

#### **426.4 TRANSPORTING ILL AND INJURED PERSONS**

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes, or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

#### **426.5 PERSONS REFUSING EMS CARE**

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a civil commitment in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

#### **426.6 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

#### **426.7 AIR AMBULANCE**

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are

---

victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Operations Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

#### **426.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE**

An AED should only be used by members who have completed a course with published standards and guidelines for CPR and the use of an AED.

##### **426.8.1 AED USER RESPONSIBILITY**

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Administrative Sergeant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact Dispatch as soon as possible and request response by EMS.

#### 426.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

#### 426.8.3 AED TRAINING AND MAINTENANCE

The Administrative Sergeant should ensure appropriate training is provided to members authorized to use an AED.

The Administrative Sergeant is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule.

### **426.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION**

Members may administer opioid overdose medication in accordance with protocols specified by the physician who prescribed the overdose medication for use by the member.

#### 426.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Administrative Sergeant.

Any member who administers an opioid overdose medication should contact Dispatch as soon as possible and request response by EMS.

#### 426.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Administrative Sergeant will ensure that the Records Supervisor is provided enough information to meet applicable state reporting requirements.

#### 426.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Administrative Sergeant should ensure training is provided to members authorized to administer opioid overdose medication.

### **426.10 SICK OR INJURED ARRESTEE**

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Medical Aid and Response*

---

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

#### **426.11 ADMINISTRATION OF EPINEPHRINE**

In an emergency situation when a licensed health care professional is not immediately available, members who have successfully completed educational training for severe allergic responses may administer epinephrine (ORS 433.825).

##### **426.11.1 EPINEPHRINE USER RESPONSIBILITIES**

Members who are qualified to administer epinephrine should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Administrative Sergeant.

Any member who administers epinephrine should contact Dispatch as soon as possible and request response by EMS.

##### **426.11.2 EPINEPHRINE REPORTING**

Any member administering epinephrine should detail its use in an appropriate report.

##### **426.11.3 EPINEPHRINE TRAINING**

The Administrative Sergeant should ensure that training is provided to members authorized to administer epinephrine (ORS 433.815; ORS 433.817; OAR 333-055-0030).

#### **426.12 FIRST AID TRAINING**

Subject to available resources, the Administrative Sergeant should ensure officers receive periodic first aid training appropriate for their position.

#### **426.13 MEDICAL ATTENTION FOR RESTRAINED PERSONS**

When an officer encounters a restrained person suffering a respiratory or cardiac compromise, the officer shall request EMS services immediately if (ORS 133.518):

- (a) It is tactically feasible to make the request.
- (b) The officer has access to communications.

## Automated License Plate Readers (ALPRs)

### 427.1 PURPOSE AND SCOPE

Automated License Plate Reader (ALPR) technology, also known as License Plate Recognition, provides automated detection of license plates. ALPRs are used by the Roseburg Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. ALPRs may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

### 427.2 ADMINISTRATION OF ALPR DATA

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Administration Division Commander. The Administration Division Commander will assign personnel under his/her command to administer the day-to-day operation of the ALPR equipment and data.

### 427.3 ALPR OPERATION

Use of an ALPR is restricted to the purposes outlined below. Department personnel shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

- (a) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (b) An ALPR shall only be used for official and legitimate law enforcement business.
- (c) An ALPR may be used in conjunction with any routine patrol operation or official department investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (d) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (e) If practicable, the officer should verify an ALPR response through the Law Enforcement Data System (LEDS) before taking enforcement action that is based solely upon an ALPR alert.
- (f) No ALPR operator may access LEDS data unless otherwise authorized to do so.

### 427.4 ALPR DATA COLLECTION AND RETENTION

All data and images gathered by ALPR are for the official use of the Roseburg Police Department and because such data may contain confidential LEDS information, it is not open to public review. ALPR information gathered and retained by this department may be used and shared with prosecutors or others only as permitted by law.

# Roseburg Police Department

### *Automated License Plate Readers (ALPRs)*

---

The Administration Division Commander is responsible to ensure proper collection and retention of ALPR data, and for transferring ALPR data stored in department vehicles to the department or cloud-based server on a regular basis, not to exceed 30 days between transfers.

All ALPR data downloaded to the server should be stored for the minimum period established by department records retention guidelines, and thereafter may be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action, or is subject to a lawful action to produce records. In such circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

#### **427.5 ACCOUNTABILITY AND SAFEGUARDS**

All saved data will be closely safeguarded and protected by both procedural and technological means. The Roseburg Police Department will observe the following safeguards regarding access to and use of stored data:

- (a) All non-law enforcement requests for access to stored ALPR data shall be referred to the Records Supervisor and processed in accordance with applicable law.
- (b) All ALPR data downloaded to the mobile workstation and server shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time.
- (c) Persons approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (d) Such ALPR data may be released to other authorized and verified law enforcement officials and agencies at any time for legitimate law enforcement purposes.
- (e) ALPR system audits should be conducted on a regular basis.

## **Chapter 5 - Traffic Operations**

## Traffic Function and Responsibility

### 500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

### 500.2 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating an officer's overall performance. The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Officers attempting to enforce traffic laws shall be in Roseburg Police Department uniform or shall conspicuously display an official identification card showing the officer's lawful authority (ORS 810.400). Several methods are effective in the reduction of collisions:

#### 500.2.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

#### 500.2.2 CITATIONS

Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge.
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist.
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.

Officers at the scene of a traffic accident and, based upon the officer's personal investigation, having reasonable grounds to believe that a person involved in the accident has committed a traffic offense in connection with the accident, may issue the person a citation for that offense (ORS 810.410(4)).

#### 500.2.3 PHYSICAL ARREST

Officers may arrest or issue a citation to a person for a traffic crime at any place within the state. Generally, physical arrests are limited to major traffic offenses such as:

- (a) Driving Under the Influence of Intoxicants.
- (b) Hit-and-Run.
- (c) Attempting to Elude.
- (d) Reckless Driving with extenuating circumstances.
- (e) Situations where a violator refuses or cannot satisfactorily identify him/herself and therefore cannot be issued a citation.

#### **500.3 SUSPENDED OR REVOKED DRIVERS LICENSES**

If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to ORS 810.410.

Officers should attempt to interview the violator to obtain evidence that the violator knew their license was suspended. Ask if the violator is still living at the address on file with DMV and if not, how long since they moved and why they haven't notified DMV of their new address.

If a computer check of a traffic violator's license status reveals a suspended or revoked drivers license and the traffic violator still has his or her license in possession, the license shall be seized by the officer and the violator may also be cited for Failure to Return a Suspended License if evidence shows they knew they were suspended (ORS 809.500).

#### **500.4 HIGH-VISIBILITY VESTS**

The Roseburg Police Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

##### 500.4.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

### *Traffic Function and Responsibility*

---

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

#### 500.4.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

A high visibility vest shall be maintained in the trunk or passenger compartment of each patrol and investigation unit, in the side box of each police motorcycle and in the saddlebag or gear bag of each police bicycle (applicable to bicycles and motor units when acceptable hi-vis gear is not already being utilized). Each vest should be stored inside the resealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Administrative Sergeant should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

## Traffic Collision Reporting

### 501.1 PURPOSE AND SCOPE

The Roseburg Police Department prepares traffic collision reports in compliance with Oregon Revised Statutes 810.460 relating to reports of traffic accidents to the Oregon Department of Transportation and, as a public service makes traffic collision reports available to the community with some exceptions.

### 501.2 RESPONSIBILITY

The Watch Commander will be responsible for ensuring proper investigation and reporting of motor vehicle collisions. Traffic collisions will be documented using the Oregon Police Traffic Crash Report. Non-Injury traffic collisions may be documented on the appropriate portion of a citation form when appropriate.

### 501.3 TRAFFIC COLLISION REPORTING

All injury traffic collision reports taken by members of this department shall be forwarded to the Watch Commander for approval and data entry into the Records Management System. The Records Section will be responsible for monthly reports on traffic collision statistics to be forwarded to the Oregon Traffic Safety Commission.

### 501.4 REPORTING SITUATIONS

#### 501.4.1 TRAFFIC COLLISIONS INVOLVING CITY VEHICLES

Traffic collision investigation reports shall be taken when a City-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle.

Photographs of the collision scene and vehicle damage shall be taken.

#### 501.4.2 TRAFFIC COLLISIONS INVOLVING DEPARTMENT EMPLOYEES

When an employee of this department, either on-duty or off-duty, is involved in a traffic collision within the City limits of Roseburg resulting in a serious injury or fatality, the Watch Commander may notify the Oregon State Police for assistance.

The term serious injury is defined as any injury that results in hospitalization.

#### 501.4.3 TRAFFIC COLLISIONS ON PRIVATE PROPERTY

Traffic collision reports shall not be taken for collisions occurring on private property unless there is a death or injury to any person involved, a hit-and-run violation, or an officer issues a citation for a traffic violation. A Miscellaneous Report may be taken at the discretion of any supervisor.

#### 501.4.4 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS

Traffic collision reports shall be taken when they occur on a roadway or highway within this jurisdiction in the following cases:

### Traffic Collision Reporting

---

- (a) There is a death, or injury to any person involved in the collision.
- (b) An officer issues a citation for a violation of the Vehicle Code.
- (c) The accident is initially reported by a garage operator who has received a vehicle involved in a serious accident or exhibiting evidence of having been struck by a bullet (Oregon Revised Statutes 822.600).

#### **501.5 SERIOUS TRAFFIC COLLISION PROTOCOL AND GUIDELINE**

In the event of a serious / fatal type TC, the WC is in charge of the scene and responsible for the initial direction and coordination of the case. Once Traffic Officers are in place, they will likely take over as the primary coordinator of the case and make the necessary assignments based on the circumstances of the case. The WC will stay apprised of the case status and pass along pertinent information to the other WC's as necessary.

The following information is intended to assist you as a guide during these types of events:

#### Initial WC Responsibilities:

- Call out both Traffic Officers (if necessary) – one may be the primary Reconstructionist and one may be assigned as the primary case officer as determined by the WC. Case Officer will make this determination based on case circumstances and manpower considerations. Another option is to call OSP, or another qualified reconstructionist, to assume this role.
- Call CID Commander. He will determine which Detective will respond if appropriate. The Detective will be assigned according to the situation and may handle interviews and assist as needed with specialized criminal search warrants, etc.
- Call the DA's Office (usually through DCC) and speak with a Sr. DDA and advise them of the incident. They will likely respond to get involved in the investigation.
- Assign someone to secure the scene initially
- Assign someone to respond to the hospital initially to monitor suspects and victims that may be there
- Make sure proper notifications such as DMV, next of kin, etc. are assigned.

#### Investigative Team:

The investigative team will generally consist of the following personnel;

- Initial Patrol Officer - assigned as primary case officer unless reassigned by WC
- WC – initial coordination, facilitation, etc.
- Traffic Officers – generally responsible for the reconstruction and the overall case and will divide up duties according to the case

## Vehicle Towing

### 502.1 POLICY

The Roseburg Police Department will tow vehicles when appropriate and in accordance with the law.

### 502.2 PURPOSE AND SCOPE

This policy provides guidance related to vehicle towing. Nothing in this policy shall require a member of this department to tow a vehicle. The authority related to this policy and procedure(s) is found in RMC 7.04.170, 8.10.010, 8.10.020, ORS Chapters 809, 819, and 133.

### 502.3 GENERAL TOWING: OTHER THAN EVIDENCE AND/OR POLICE IMPOUNDS

#### General

An officer will make a reasonable inquiry to locate an owner or authorized person to move a vehicle prior to posting or towing considering the existing circumstances making it necessary to post or tow the vehicle. At a minimum, the vehicle should always be checked for wants.

#### Recovered Stolen Vehicles

Recovered stolen vehicles may be returned to the owner at the scene if the vehicle is not needed as evidence. When possible, an officer should attempt contact with the registered owner of a local stolen vehicle prior to towing the vehicle. A stolen vehicle may be left on the street, if not a hazard, for a reasonable time if the owner specifically requests that the vehicle not be towed. If recovered stolen vehicles are towed to a location other than the tow company yard at the request of the Police Department, prior authorization is required by a Watch Commander, Division Commander or the Chief of Police.

#### Inoperative, Wrecked, Dismantled or Abandoned Vehicles.

##### A. Storage.

1. No person shall cause or allow an inoperative, wrecked, dismantled, neglected or discarded vehicle to remain upon private property within the City for more than five days unless the vehicle is completely enclosed within a legally permitted building, or unless it is stored by a licensed business enterprise dealing in junked vehicles lawfully conducted within the City.

- a. Generally, if a vehicle is on private property as a result of the actions of the Roseburg Police Department, efforts shall be made to have it moved voluntarily or to gain permission of the property owner for the vehicle to remain there so as not to cause expense and inconvenience to the property owner.

- b. A pre-tow posting is not required for an officer to take a vehicle into custody and remove it from private property at the request of the owner or person in lawful custody of the private property. Normally, a vehicle

2. No person shall cause or allow a vehicle to be parked or left standing on public property for more than 24 hours.

B. Abandoned Vehicles. No person shall cause or allow a vehicle to be abandoned, upon public property within the City for more than 24 hours. This section shall not apply to a vehicle that has been abandoned as defined by state law nor to a vehicle that constitutes a hazard as defined by state law. A vehicle so parked or left standing may be taken into custody by the Police Chief or their designee and shall be held at the expense of the owner of the vehicle. The Police Chief or their designee may use department personnel, equipment, and facilities for removal and storage of the vehicle or may hire other personnel, equipment, and facilities for that purpose.

A vehicle that is believed or known to be actively used as a form of temporary occupancy that is towed under this section will be held at the tow yard or a secured location for a period of at least 30 days. During that time, upon furnishing proof of ownership, or authorization from the Police Chief or their designee, valuables and personal property contained within the vehicle will be released. Retrieval of the vehicle will require owner compliance with rules established by the tow company and state law.

Any vehicle that is leaking gray or black water, or leaking any other hazardous material that creates an environmental or health risk, may be immediately taken into custody by the Police Chief or their designee and shall be held at the expense of the owner of the vehicle. The Police Chief or their designee may use department personnel, equipment, and facilities for removal and storage of the vehicle or may hire other personnel, equipment, and facilities for that purpose.

The lien that attaches to the vehicle and its contents shall be a possessory chattel lien in accordance with ORS 87.152 and may be foreclosed in the manner provided in ORS 87.152 to 87.212. If the appraised value of the vehicle is \$500 or less, the vehicle may be disposed of in the manner provided in ORS 819.215.

b. Failing to discover the owner by such process, make a diligent inquiry as to the name and address of the owner by examining the vehicle for a license plate, vehicle identification number (VIN), make, model, style, or any other information that will aid in the identification of the owner. #### **502.4 NOTICE PRIOR TO TOW**

When circumstances permit, (e.g., when towing a vehicle for parking or registration violations and the vehicle does not constitute a hazard), the Records Division should make a good-faith effort to provide notice that is reasonably calculated to apprise the owner of the vehicle that it is subject to towing and impoundment.

### *Vehicle Towing*

---

#### **502.5 REMOVAL OF VEHICLES DUE TO HAZARD**

When a vehicle should be towed because it presents a hazard, the owner or operator should arrange for the towing. Department members may assist by communicating requests through Dispatch to expedite the process.

If the owner or operator is unable to arrange for towing and the vehicle presents a hazard, the vehicle may be towed at the direction of the department member when the vehicle is (ORS 819.120):

- (a) Parked so that any part of the vehicle extends into the paved portion of the travel lane.
- (b) Parked so that any part of the vehicle extends into the highway shoulder or bicycle lane of any freeway.

Officers should use sound judgment in balancing the need to correct a hazardous situation with the potential hardship to a vehicle owner/operator before towing such a vehicle.

Officers impounding a vehicle shall complete a vehicle impound report to be submitted along with the incident report to the Records Division as soon as practicable after the vehicle is stored; A Pre-Tow Notice is not required.

Once a vehicle impound report is approved and forwarded to the Records Division, it shall be placed into the auto-file at the front desk to be immediately available for release or for information should inquiries be made.

#### **REMOVAL OF VEHICLE DISABLED IN A TRAFFIC COLLISION:**

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the no preference towing company list in Dispatch.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for the removal of a vehicle involved in a collision, the officer shall request the dispatcher to call a no preference towing company. The officer will then have the vehicle towed to the tow company's storage lot for safekeeping, and complete the appropriate and applicable report(s).

Vehicles that are not the property of the City should not be driven by department members unless it is necessary to move the vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant, or comply with posted signs.

#### **502.6 ARREST SCENES**

Whenever the owner or operator of a vehicle is arrested, the arresting officer should provide reasonable safekeeping by leaving the vehicle secured and lawfully parked at the scene or, when appropriate, by having the vehicle towed, such as when the vehicle presents a traffic hazard or the vehicle would be in jeopardy of theft or damage if left at the scene.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Vehicle Towing*

---

Officers are not required to investigate whether alternatives to towing a vehicle exist after an arrest. However, a vehicle should not be towed if reasonable alternatives exist. When considering whether to leave a vehicle at the scene, officers should take into consideration public safety as well as the reasonable safety of the vehicle and its contents.

While Oregon law may authorize the impoundment of a vehicle for issues such as driving with a suspended or revoked license (ORS 809.720), impounds are only authorized if, in such cases, leaving the vehicle would create a hazard, obstruction, or a risk of loss.

The following are examples of situations where a vehicle should not be towed:

- The vehicle can be legally parked, left in a reasonably secure and safe location, and is not needed as evidence.
- The vehicle is parked on private property, on which the arrestee or owner is legally residing, or the property owner does not object to the vehicle being parked at that location.
- The arrestee or owner of the vehicle requests that it be released to a person who is present, willing, and able to legally take control of the vehicle.
- The vehicle is legally parked and the arrestee or owner requests that it be left at the scene. In such cases the requester should be informed that the Department will not be responsible for theft or damages.

#### **502.7 VEHICLES RELATED TO CRIMINAL INVESTIGATIONS**

Officers should tow vehicles that are needed for the furtherance of an investigation or prosecution of a case, or that are otherwise appropriate for seizure as evidence (ORS 133.535).

Officers should make reasonable efforts to return a recovered stolen vehicle to its owner rather than have it towed, as long as the vehicle is not needed for evidence.

##### **502.7.1 STATE REQUIREMENTS**

The impounding officer should take reasonable steps to protect against loss or damage to impounded vehicles and any contents that may have been taken as evidence (ORS 133.537).

If a recovered stolen vehicle is towed, the officer shall share the owner's contact information, including the person's home address and telephone number, with the towing service that assumes control of the vehicle (ORS 98.857).

#### **502.8 RECORDS**

Records Division members shall ensure that pertinent data regarding a towed vehicle is promptly entered into the appropriate database.

##### **Vehicles Towed as Traffic Hazard or with Evidence Hold:**

Records shall cause a mailing or delivery of a copy of the Post-Tow Notice to the registered and legal owners of the vehicle as shown in the records of the Department of Motor Vehicles within 72 hours of the removal. The 72 hour period does not include Saturdays, Sundays or legal holidays.

#### 502.8.1 VEHICLE STORAGE REPORT

#### 502.8.2 NOTICE AFTER TOW

Within 48 hours, excluding weekends and holidays, of a vehicle being towed, it shall be the responsibility of the Records Division to send a notice of tow to all registered owners and others having a recorded interest in the vehicle. Notice shall be sent to all such individuals by certified mail. The notice shall include (ORS 819.180):

- (a) That the vehicle has been taken into custody and towed; the identity of the appropriate towing authority; and the statute, ordinance, or rule under which the vehicle has been taken into custody and towed.
- (b) The location of the vehicle, or the telephone number and address of the authority that will provide that information.
- (c) That the vehicle is subject to towing and storage charges, the amount of charges that have accrued to the date of the notice, and the daily storage charges.
- (d) That the vehicle and its contents are subject to a lien for payment of the towing and storage charges, and that the vehicle and its contents will be sold to cover the charges if the charges are not paid by a date specified by the appropriate authority.
- (e) That the owner, possessor, or person having an interest in the vehicle and its contents is entitled to a prompt hearing to contest the validity of taking the vehicle into custody and towing it, and to contest the reasonableness of the charges for towing and storage if a hearing is requested in a timely manner.
- (f) The time within which a hearing must be requested and the method for requesting a hearing.
- (g) That the vehicle and its contents may be immediately reclaimed by presentation to the appropriate authority of satisfactory proof of ownership or right to possession, and either payment of the towing and storage charges or the deposit of cash security or a bond equal to the charges with the appropriate authority.

#### 502.9 RELEASE CRITERIA

A vehicle impounded under this section shall be released to a person entitled to lawful possession of the vehicle upon compliance with the following:

- (a) Proof that a person with valid driving privileges will be operating the vehicle.
- (b) Proof of compliance with financial responsibility requirements for the vehicle.
- (c) Payment of the Roseburg Police Department administrative fee and any towing and storage charges.

#### **502.10 TOWING SERVICES**

Members shall not show preference among towing services that have been authorized for use by the Department. A rotation or other system established by the Department for tow services should be followed.

The City of Roseburg periodically selects a firm(s) to act as the official tow service and awards a contract to that firm(s). This firm(s) may be used in the following situations:

- (a) When a vehicle is being held as evidence in connection with an investigation.
- (b) When it is otherwise necessary to impound a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal from the streets of vehicles obstructing traffic in violation of state or local regulations.

#### **NO PREFERENCE TOW SERVICES:**

Upon proper application, the department may request an approved towing service when a citizen needs towing but has no preference as to which service to call.

Any complaint alleging a violation of the agreement or other misconduct by a no preference operator shall be referred to the police department for investigation. The department may periodically review the performance of each authorized no preference operator.

The department will assist citizens by calling any towing company desired. If the citizen has no preference and requests towing service, one of the authorized firms shall be called in rotation.

#### **502.11 VEHICLE INVENTORIES**

The contents of all vehicles towed at the request of department members shall be inventoried and listed on the inventory report. Body cameras should be activated during the inventory process. When reasonably practicable, photographs may be taken to assist in the inventory.

- (a) An inventory of personal property and the contents of open containers will be conducted throughout the passenger and engine compartments of the vehicle, including but not limited to the glove box, other accessible areas under or within the dashboard area, any pockets in the doors or in the back of the front seat, in any console between the seats, under any floor mats, and under the seats.
- (b) In addition to the passenger and engine compartments as described above, an inventory of personal property and the contents of open containers will also be conducted in any other type of unlocked compartments that are a part of the vehicle, including but not limited to unlocked glove compartments, unlocked vehicle trunks, and unlocked car-top containers.
- (c) Any locked compartments, including but not limited to locked glove compartments, locked vehicle trunks, locked hatchbacks, and locked car-top containers, should be inventoried, provided the keys are available and are to be released with the vehicle to the third-party towing company or an unlocking mechanism for such compartment is available within the vehicle.
- (d) Closed containers located either within the vehicle or any of the vehicle's compartments will not be opened for inventory purposes except for the following:

wallets, purses, coin purses, fanny packs, personal organizers, briefcases, or other closed containers designed for carrying money, small valuables, or hazardous materials.

- (e) The inventory is not a search for evidence of a crime, however, officers shall seize evidence or contraband located during the inventory. Items should be scrutinized to the extent necessary to complete the inventory.

Members should ask the occupants whether the vehicle contains any valuables or hazardous materials. Responses should be noted in the inventory report. If the occupant acknowledges that any closed container contains valuables or a hazardous material, the container shall be opened and inventoried. When practicable and appropriate, such items should be removed from the vehicle and given to the owner or booked into property for safekeeping.

Any cash in excess of \$10, jewelry, or other property valued at more than \$200 located during the inventory process will be held for safekeeping, in accordance with the Property and Evidence Policy. A copy of the property receipt should be given to the person in control of the vehicle or, if that person is not present, left in the vehicle.

The vehicle inventory form will be given to the tow truck operator for signature; this form will ultimately be submitted with the report.

These inventory procedures are for the purpose of protecting the vehicle owner's property, providing for the safety of department members, and protecting the Department against fraudulent claims of lost, stolen, or damaged property.

Towing a vehicle in order to perform an inventory should not be used as a pretext for an evidence search. Nothing in this policy prevents the towing of a vehicle that would occur for reasons independent of any suspicion that the vehicle may contain evidence if it is otherwise justified by law or this policy.

#### **502.11.1 OPPORTUNITY TO REMOVE PROPERTY**

In the event that the owner, operator, or occupant of a vehicle to be impounded is present at the scene and not subject to arrest, prior to commencing the inventory the officer shall provide notice and opportunity to that person to take readily retrievable personal belongings (e.g., purse, backpack, cigarette pack) from the vehicle that are not considered evidence or contraband.

#### **502.12 SECURITY OF VEHICLES AND RETRIEVAL OF PROPERTY**

If the search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft, or damage, the department member conducting the search shall take such steps as are reasonably necessary to secure or protect the vehicle or property from such hazards.

Unless it would cause an unreasonable delay in towing the vehicle or create an issue of officer safety, reasonable accommodations should be made to permit the owner, operator, or occupant to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

### *Vehicle Towing*

---

Members who become aware that a vehicle may have been towed by the Department in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the owner or the owner's agent to request a hearing to contest the tow.

## Impaired Driving

### 503.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence of intoxicants (DUII).

#### 503.1.1 DEFINITIONS

Definitions related to this policy include:

**Intoxicants** - Intoxicating liquor, controlled substances, inhalants, cannabis, psilocybin, and any drug as defined in ORS 475.005 that, when used alone or in combination with any other intoxicant, adversely affects an individual's mental or physical faculties to a noticeable or perceptible degree (2023 Oregon Laws, c. 498, § 2).

### 503.2 POLICY

The Roseburg Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Oregon's impaired driving laws.

### 503.3 CHEMICAL TESTS

A person implies consent under Oregon law to a chemical test or tests, and to providing the associated chemical sample, under any of the following (ORS 813.100):

- (a) The arresting officer has reasonable grounds to believe that the person was DUII.
- (b) The person is arrested for DUII and takes a breath test that discloses a blood alcohol content of less than 0.08 percent (ORS 813.131).
- (c) The person is arrested for DUII and was involved in an accident resulting in injury or property damage (ORS 813.131).
- (d) The person is receiving medical care at a health care facility immediately after a motor vehicle accident and the arresting officer has reasonable grounds to believe that the person was DUII.

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

#### 503.3.1 BLOOD SAMPLES

Only persons authorized by law to withdraw blood shall collect blood samples (ORS 813.160). The withdrawal of the blood sample should be witnessed by the assigned officer. No officer, even if properly certified, should conduct the blood withdrawal.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be drawn for alternate testing. Unless medical personnel object, two samples should be drawn and retained as evidence, so long as only one puncture is required.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Impaired Driving*

---

If an arrestee cannot submit to a blood test because he/she is a hemophiliac or is using an anticoagulant, he/she shall not be required to take a blood test. Such inability to take a blood test should not be treated as a refusal. However, the person may be required to complete another available and viable test.

#### 503.3.2 URINE SAMPLES

If a urine test will be performed, the person should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

The collection kit shall be marked with the person's name, offense, Roseburg Police Department case number and the name of the witnessing officer. The collection kit should be refrigerated pending transportation for testing.

#### 503.3.3 ADDITIONAL REQUIREMENTS FOR URINE SAMPLES

An officer may not request that a person submit to a urine test unless the officer is certified by the Department of Public Safety Standards and Training as having completed the required training in the recognition of drug impaired driving. The person providing the urine sample shall be given privacy and may not be observed by the officer when providing the sample (ORS 813.131).

#### 503.4 REFUSALS

When an arrestee refuses to provide a chemical sample, officers should:

- (a) Advise the arrestee of the requirement to provide a sample (ORS 813.100; ORS 813.130; ORS 813.131; ORS 813.135).
- (b) Audio- and/or video-record the admonishment and the response when it is legal and practicable.
- (c) Document the refusal in the appropriate report.

#### 503.4.1 STATUTORY NOTIFICATIONS

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the written notice of intent to suspend upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person (ORS 813.100). The arresting officer shall also read the person the Department of Transportation form which informs the person of the rights and consequences of a test to determine the alcohol content of the person's blood (ORS 813.130).

#### 503.4.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained (ORS 813.100).
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy time delay in

obtaining a blood sample due to an accident investigation or medical treatment of the person.

#### **503.5 ARREST AND INVESTIGATION**

##### **503.5.1 OFFICER RESPONSIBILITIES**

If a person refuses to submit to a chemical test or if a test discloses that the person had a prohibited alcohol concentration in their blood, the investigating officer shall cause the following items to be forwarded to the Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) within 10 days of the arrest (ORS 813.100; OAR 735-090-0040):

- The completed Implied Consent Form
- Any confiscated license or permit belonging to the person
- A copy of the written report that complies with ORS 813.120

An officer confiscating a person's license pursuant to state DUII laws shall provide the person with a temporary driving permit unless (ORS 813.100; ORS 813.110):

- The driving privileges of the person were suspended, revoked, or canceled at the time the person was arrested.
- The person whose license was confiscated was operating on an invalid license.
- The person was not entitled to driving privileges at the time of the arrest for any other reason.
- The person holds a license or permit granting driving privileges that was issued by another state or jurisdiction and that is not confiscated.

##### **503.5.2 OFFENSE FOR REFUSAL**

If a person refuses to submit to a breath or urine test, the arresting officer may charge the person with a separate offense (ORS 813.095).

##### **503.5.3 ADDITIONAL TESTING**

An officer requesting that a person submit to a chemical test shall also provide the person, upon request, with a reasonable opportunity to have a qualified medical professional of their choosing administer an additional chemical test. The test may be of the person's breath or blood if alcohol concentration is in issue or of the person's blood or urine if the presence of a controlled substance or inhalant in the person's body is in issue (ORS 813.150).

#### **503.6 RECORDS DIVISION RESPONSIBILITIES**

The Records Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

## **Chapter 6 - Investigation Operations**

## Investigation and Prosecution

### 600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

### 600.2 POLICY

It is the policy of the Roseburg Police Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

### 600.3 INITIAL INVESTIGATION

#### 600.3.1 OFFICER RESPONSIBILITIES

An officer responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
  1. An initial statement from any witnesses or complainants.
  2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the officer shall:
  1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
  2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
  3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Watch Commander.
  4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
  5. Collect any evidence.
  6. Take any appropriate law enforcement action.
  7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

#### 600.3.2 CIVILIAN/NON-SWORN MEMBER RESPONSIBILITIES

A non-sworn member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

#### **600.4 COLLECTION OR MAINTENANCE OF SPECIFIC INFORMATION**

The collection or maintenance of information about the political, religious or social views, associations or activities of any individual, group, association, organization, corporation, business or partnership shall occur only when the information directly relates to a criminal investigation and there are reasonable grounds to suspect the subject of the information is or may be involved in criminal conduct (ORS 181A.250).

#### **600.5 CUSTODIAL INTERROGATION REQUIREMENTS**

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies.

##### **600.5.1 AUDIO/VIDEO RECORDINGS**

Generally, except where circumstances make it impracticable, custodial interviews regarding felony offenses should be electronically recorded. When such custodial interviews are conducted in a law enforcement facility, electronic recording of the interview is mandatory absent good cause not to record if the interview is conducted in connection with an investigation into aggravated murder, as defined in ORS 163.095, or a crime listed in ORS 137.700 or ORS 137.707 (ORS 133.400).

A custodial interview of a person 17 years of age or under involving an investigation into a misdemeanor or a felony or an allegation that the juvenile being interviewed committed an act that would be a misdemeanor or a felony if committed by an adult shall be recorded, absent good cause not to record the interview, if (ORS 133.402):

- (a) The interview is conducted at a courthouse or at any law enforcement agency authorized to detain juvenile offenders; or
- (b) The interview is conducted anywhere else and the officer is wearing a body-worn camera.

If an interviewee expresses an unwillingness to have the custodial interview electronically recorded but agrees to speak to investigators without such recording, the interviewing officer or detective should document the refusal in his/her report and request that the interviewee sign a written statement or provide a recorded statement of his/her refusal to have the interview recorded.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law (ORS 165.540).

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Criminal Investigations Division supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate, and complete and are made only for authorized and legitimate law enforcement purposes. Electronic recording of a custodial interview shall be preserved until the conclusion of the criminal proceeding or youth adjudication

proceeding, including post-conviction relief and habeas corpus appeals are exhausted, or until the prosecution of the offense is barred by law (ORS 133.400).

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

#### **600.6 DISCONTINUATION OF INVESTIGATIONS**

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
  - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
  - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse, Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

#### **600.7 COMPUTERS AND DIGITAL EVIDENCE**

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

#### **600.8 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES**

Use of social media and any other internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and

If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and Criminal Organizations policies).

#### **600.8.1 ACCESS RESTRICTIONS**

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

#### **600.8.2 INTERCEPTING ELECTRONIC COMMUNICATION**

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

#### **600.9 MODIFICATION OF CHARGES FILED**

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Division Commander or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

**Forfeiture** - The process by which legal ownership of an asset is transferred to a government or other authority.

**Forfeiture reviewer** - The department member assigned by the Chief of Police who is responsible for reviewing all forfeiture cases and for acting as the liaison between the Department and the assigned attorney.

However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Roseburg Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

#### **601.3 ASSET SEIZURE**

### *Asset Forfeiture*

---

#### 601.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Civil forfeiture
  - 1. Property that is subject to a court order (ORS 131A.060).
  - 2. Property that is not subject to a court order if (ORS 131A.065):
    - (a) There is probable cause to believe that the property is subject to forfeiture and the property may constitutionally be seized without a warrant.
    - (b) The seizure is in the course of a constitutionally valid criminal investigative stop, arrest or search, and there is probable cause to believe that the property is subject to civil forfeiture.
    - (c) The property is directly or indirectly dangerous to the health or safety of any person.
    - (d) An owner consents to the seizure.
- (b) Criminal forfeiture
  - (a) Property that is subject to a court order (ORS 131.561).
  - (b) Property that is not subject to a court order when (ORS 133.535; ORS 131.561):
    - (a) The property subject to criminal forfeiture is also evidence of a crime or is illegal to possess.
    - (b) There is probable cause to believe that the property is subject to criminal forfeiture.

Whenever practicable, a court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

#### 601.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture counsel's current minimum forfeiture thresholds should not be seized.
- (b) A conveyance owned by a common carrier or person who did not consent to the offense in question or had no knowledge of the offense (i.e., an "innocent owner") (ORS 131.558).

#### **601.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS**

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Asset Forfeiture*

---

- (a) Complete applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.

The officer will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

#### **601.5 MAINTAINING SEIZED PROPERTY**

The Property and Evidence Office supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.
- (b) All property received for forfeiture is checked to determine if the property has been stolen.
- (c) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.
- (d) Property received for forfeiture is not used unless the forfeiture action has been completed.

#### **601.6 DISPOSITION OF FORFEITED PROPERTY**

Property forfeited through the criminal forfeiture process shall be disposed of in accordance with ORS 131.588 and ORS 131.594, and any applicable intergovernmental agreement. Forfeited cigarettes shall be destroyed, not sold (ORS 131.604).

---

The informant files shall be maintained in a secure area within the Criminal Investigations Division. These files shall be used to provide a source of background information about the informant, enable review and evaluation of information given by the informant, and minimize incidents that could be used to question the integrity of detectives or the reliability of the confidential informant.

Access to the informant files shall be restricted to the Chief of Police, Operations Commander, the Criminal Investigations Division Supervisor, or their designees.

#### **602.3 USE OF INFORMANTS**

Before using an individual as a confidential informant, an officer must receive approval from a supervisor. The officer shall compile sufficient information through a background investigation in order to determine the reliability, credibility and suitability, of the individual, including age, maturity and risk of physical harm.

##### **602.3.1 JUVENILE INFORMANTS**

The use of juvenile confidential informants is discouraged due to a number of risks. They will only be used when the investigation is of such a nature as to justify the risks. The district attorney should be consulted and a parent or legal guardian's written consent shall be secured. Final approval to use a juvenile confidential informant must be obtained from the Chief of Police.

#### **602.4 GUIDELINES FOR HANDLING CONFIDENTIAL INFORMANTS**

All confidential informants are required to sign and abide by the provisions of the departmental Informant Agreement. The officer using the confidential informant shall discuss each of the provisions of the agreement with the confidential informant.

Details of the agreement are to be approved by the employee's supervisor before being finalized with the confidential informant. The CID Commander should be advised of the circumstances.

##### **602.4.1 RELATIONSHIPS WITH CONFIDENTIAL INFORMANTS**

No member of the Roseburg Police Department shall knowingly maintain a social relationship with a confidential informant while off duty, or otherwise become intimately involved with a confidential informant. Members of the Roseburg Police Department shall neither solicit nor accept gratuities nor engage in any private business transaction with a confidential informant.

To maintain officer/informant integrity, the following must be adhered to:

- (a) Officers shall not withhold the identity of an informant from their superiors
- (b) Identities of informants shall otherwise be kept confidential
- (c) Criminal activity by informants shall not be condoned
- (d) Informants shall be told they are not acting as police officers or employees of the Roseburg Police Department, and that they shall not represent themselves as such
- (e) The relationship between officers and informants shall always be ethical and professional

- (f) Social contact shall be avoided unless necessary to conduct an official investigation, and only with prior approval of the Criminal Investigations Division supervisor
- (g) Officers shall not meet with informants unless accompanied by at least one additional officer or with prior approval of the Criminal Investigations Division Supervisor or watch commander. All exchanges of confidential funds between officers and informants must be witnessed by at least one other officer
- (h) In all instances when Department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses. The voucher shall be signed by the informant using either their true name or a pseudonym registered with a signature in the informant packet. The voucher will also include the case number associated with the expenditure and a description of the benefit obtained (search warrant, arrest, recovered property, etc.)
- (i) It shall be the responsibility of the initiating officer, or any officer utilizing the informant, who becomes aware of information which negatively affects the credibility or reliability of the informant to ensure such information is promptly reported to the CID Commander and a brief submitted to the informant's file.

#### **602.5 NARCOTICS INFORMANT PAYMENT PROCEDURES**

The potential payment of large sums of money to any confidential informant must be done in a manner respecting public opinion and scrutiny. Additionally, to maintain a good accounting of such funds requires a strict procedure for disbursements.

##### **602.5.1 PAYMENT PROCEDURE**

The amount of funds to be paid to any confidential informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case.
- The significance, value or effect on crime.
- The amount of assets seized.
- The quantity of the drugs seized.
- The informant's previous criminal activity.
- The level of risk taken by the informant.

The Criminal Investigations Division Supervisor will discuss the above factors with the Operations Division Commander and arrive at a recommended level of payment that may be subject to the approval of the Chief of Police.

##### **602.5.2 CASH DISBURSEMENT POLICY**

The following establishes a cash disbursement policy for confidential informants. No informant will be told in advance or given an exact amount or percentage for services rendered.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Informants*

---

#### 602.5.3 PAYMENT PROCESS

Payments to informants may be made from the department discretionary funds, or via City check request made out to the case agent. A signed receipt will be obtained with all payments with the signatures of the informant, case agent, and CID or Division Commander.

Records of payments shall be documented in the informant's packet as well.

#### 602.5.4 REPORTING OF PAYMENTS

Each confidential informant receiving a cash payment shall be informed of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the confidential informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the confidential informant and by doing so jeopardize any investigation, the safety of peace officers or the safety of the confidential informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

## Eyewitness Identification

### 603.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques.

#### 603.1.1 DEFINITIONS

Definitions related to the policy include:

**Eyewitness identification process** -Any field identification, live lineup or photographic identification.

**Field identification** -A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** -A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

### 603.2 POLICY

The Roseburg Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

### 603.3 INTERPRETIVE SERVICES

Officers should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating officer should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

### 603.4 EYEWITNESS IDENTIFICATION FORM

The Criminal Investigations supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process and any related forms or reports should provide:

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Eyewitness Identification*

---

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An admonishment that the suspect's photograph may or may not be among those presented and that the witness is not obligated to make an identification.
- (f) An admonishment to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (g) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.

The process and related forms should be reviewed at least annually and modified when necessary.

#### **603.5 EYEWITNESS IDENTIFICATION**

Officers are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Officers should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified, or failed to identify, the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

##### **603.5.1 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS**

When practicable, the person composing the lineup and the person presenting the lineup should not be directly involved in the investigation of the case. When this is not possible, the member presenting the lineup must take the utmost care not to communicate the identity of the suspect in any way.

When practicable, the employee presenting a lineup to a witness should not know which photograph or person is the suspect.

All photos should be similarly sized and none should be easily distinguishable from the others. Filler photos (not of the suspect) should generally fit the witness(s) description of the suspect. Because all photos have both common and variable features, the common features should be those that match the witness description. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Eyewitness Identification*

---

The employee presenting the lineup to a witness should do so sequentially and not simultaneously (i.e., show the witness one person at a time). The witness should view all persons in the lineup.

The order of the suspect or the photos and the fillers should be randomized before being presented to each witness.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating officer should contact the appropriate prosecuting attorney before proceeding.

#### 603.5.2 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct photo or live lineup identifications. A field elimination or show-up identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the officer should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
  - 1. The length of time the witness observed the suspect.
  - 2. The distance between the witness and the suspect.
  - 3. Whether the witness could view the suspect's face.
  - 4. The quality of the lighting when the suspect was observed by the witness.
  - 5. Whether there were distracting noises or activity during the observation.
  - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
  - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, officers should bring the witness to the location of the suspect, rather than bring the suspect to the witness.
- (e) A person should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the suspects one at a time.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Eyewitness Identification*

---

- (g) A person in a field identification should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies an individual as the perpetrator, officers should not conduct any further field identifications with other witnesses for that suspect. In such instances officers should document the contact information for any additional witnesses for follow up, if necessary.

#### **603.6 DOCUMENTATION**

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

## Brady Material Disclosure

### 604.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

#### 604.1.1 DEFINITIONS

Definitions related to this policy include:

**Brady information** -Information known or possessed by the Roseburg Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

### 604.2 POLICY

The Roseburg Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Roseburg Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

### 604.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the department case file.

### 604.4 DISCLOSURE OF REQUESTED INFORMATION

If a member of this department is a material witness in a criminal case, a person or persons designated by the Chief of Police shall examine the personnel file and/or internal affairs file of the

---

officer to determine whether they contain *Brady* information. If *Brady* information is located, the following procedure shall apply:

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) The prosecuting attorney or department counsel should be requested to file a motion in order to initiate an in-camera review by the court.
  1. If no motion is filed, the supervisor should work with counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The HR Director, if appropriate, shall accompany all relevant personnel files during any in-camera inspection to address any issues or questions raised by the court.
- (d) If the court determines that there is relevant *Brady* material contained in the files, only that material ordered released will be copied and released to the parties filing the motion.
  1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

#### **604.5 INVESTIGATING BRADY ISSUES**

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

#### **604.6 BRADY PROCESS**

The Chief of Police shall select a member of the Department to coordinate requests for *Brady* information. This person shall be directly responsible to the Administration Division Commander or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the appropriate prosecutors' offices and the City Attorney's office to establish systems and processes to determine what constitutes *Brady* information and the method for notification and disclosure.
- (b) Maintaining a current list of members who have *Brady* information in their files or backgrounds.
  1. Updating the list whenever potential *Brady* information concerning any department member becomes known to the Department or is placed in a personnel or internal affairs file.

# Unmanned Aerial System

## 605.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS. UAS may also be referred to as a drone for purposes of this policy.

### 605.1.1 DEFINITIONS

Definitions related to this policy include:

**Unmanned Aerial System (UAS)** - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording, or any other means.

## 605.2 POLICY

A UAS may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

## 605.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

## 605.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current (OAR 738-080-0045), and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for department operations.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies, and procedures regarding use of the UAS.
- Developing uniform protocols for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents.

### *Unmanned Aerial System*

---

Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.

- Coordinating the completion of the FAA Emergency Operation Request Form in emergency situations, as applicable (e.g., natural disasters, search and rescue, emergency situations to safeguard human life).
- Developing protocols for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing operational protocols governing the deployment and operation of a UAS including but not limited to safety oversight, use of visual observers, establishment of lost link procedures, and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance, and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence is accessed, maintained, stored, and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates, and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.
- Ensuring that the UAS is registered with the Oregon Department of Aviation (ORS 837.360).
- Developing protocols for storage, security, and access to data collected by the UAS (ORS 837.362).
- Developing protocols if a third party is used for the storage of data, including handling, security, and access to the data by the third party (ORS 837.362).
- Developing protocols for disclosing data collected by the UAS through intergovernmental agreements (ORS 837.362).
- Publishing the department policies and procedures regarding the use, storage (including third party storage), accessing, sharing, and retention of data collected by the UAS, including the text of ORS 192.345 on the department website or other publicly accessible system (ORS 837.362).

- Maintaining familiarity with FAA regulatory standards, state laws and regulations, and local ordinances regarding the operations of a UAS.

#### **605.5 USE OF UAS**

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted consistent with FAA regulations.

The UAS shall only be operated by the Department (ORS 837.320; ORS 837.330; ORS 837.335):

- (a) Pursuant to a valid warrant authorizing its use.
- (b) When there is probable cause to believe that a person has committed a crime, is committing a crime, or about to commit a crime, and exigent circumstances exist that make it unreasonable to obtain a warrant authorizing the use.
- (c) With written consent of an individual for the purpose of acquiring information about the individual or the individual's property.
- (d) As part of search and rescue activities, as defined in ORS 404.200.
- (e) When assisting an individual in an emergency if there is a reasonable belief that there is an imminent threat to the life and safety of the individual.
  1. A report shall be prepared documenting the factual basis for the belief.
  2. Within 48 hours of the emergency, a sworn statement shall be filed with the circuit court describing the nature of the emergency and the need for the use of the UAS.
- (f) During a state of emergency declared by the Governor, if:
  1. The UAS is used for preserving public safety, protecting property, or conducting surveillance that will be used to assess and evaluate environmental or weather-related damage, erosion, or contamination.
  2. The UAS is operated only in the geographical area specified in the Governor's proclamation.
- (g) For the purpose of reconstructing a crime scene or accident scene, or a similar physical assessment that is related to a specific investigation, as provided by ORS 837.340.
- (h) For the purpose of training in the use and acquisition of information, as provided in ORS 837.345.

#### **605.6 PROHIBITED USE**

The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.

- To target a person based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.
- To harass, intimidate, or discriminate against any individual or group.
- To conduct personal business of any type.

The UAS shall not be weaponized (ORS 837.365).

The UAS shall not be used in any way that causes interference with an aircraft that is in the air, taking off, or landing (ORS 837.374).

#### **605.7 RETENTION OF UAS DATA**

Data collected by the UAS shall be retained as provided in the established records retention schedule (ORS 837.362).

#### **605.8 REPORTING**

The Records Division supervisor shall ensure that an annual report is provided to the Oregon Department of Aviation that summarizes the frequency of UAS use and the purpose for the use, and indicates how the public can access the department's policies and procedures regarding the use of data resulting from the use of UAS as required by ORS 837.360.

# Sexual Assault Investigations

## 606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

### 606.1.1 DEFINITIONS

Definitions related to this policy include:

**Sexual assault** - Any crime or attempted crime of a sexual nature, to include, but not limited to, offenses defined in ORS 163.305 et seq.

**Sexual Assault Response Team (SART)** - A multidisciplinary team generally composed of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

## 606.2 POLICY

It is the policy of the Roseburg Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

## 606.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with the SART or other multidisciplinary investigative teams as applicable (ORS 147.401).

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Sexual Assault Investigations*

---

#### **606.4 REPORTING**

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

#### **606.5 VICTIM INTERVIEWS**

The primary considerations in sexual assault investigations, which begin with the initial call to Dispatch, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded should be included in a report.

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

##### **606.5.1 POLYGRAPH EXAMINATION OF VICTIMS**

Victims and any complaining witness in a case involving the use of force, violence, duress, menace or threat of physical injury in the commission of any sex crime under ORS 163.305 through ORS 163.575, shall not be required to submit to a polygraph examination as a prerequisite to filing criminal charges (34 USC § 10451; ORS 163.705).

#### **606.6 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE**

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim. When a victim agrees to participate in a medical assessment, the officer shall contact a victim advocate and make reasonable efforts to ensure that the advocate is present and available at the medical facility if such notification has not already been made by medical personnel (ORS 147.404).

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Unless the victim has chosen to remain anonymous, sexual assault kits or biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, shall be submitted for biological testing (ORS 181A.325).

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Sexual Assault Investigations*

---

Victims who choose not to assist with an investigation, do not desire that the matter be investigated or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

#### **606.6.1 COLLECTION AND TESTING REQUIREMENTS**

A sexual assault forensic evidence kit shall be obtained from a medical facility within seven days after the medical facility notifies the Department that the kit has been collected. The sexual assault forensic evidence kit shall be submitted to the Oregon State Police (OSP) for testing within 14 days after the Department receives the kit from the medical facility and accompanied with information sufficient to allow OSP to prioritize testing. Sexual assault kits shall not be submitted in cases where the victim has chosen to remain anonymous (ORS 181A.325).

If a victim chooses to file a sexual assault report at a later time, the sexual assault kit associated with the report shall be reclassified as a non-anonymous kit and submitted for testing to the OSP within 14 days of the reclassification (ORS 181A.325).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

#### **606.6.2 DNA TEST RESULTS**

Members investigating sexual assault cases should notify victims of any DNA test results as soon as reasonably practicable.

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs.

Members investigating sexual assaults cases should ensure that DNA results are entered into databases when appropriate and as soon as practicable.

#### **606.7 DISPOSITION OF CASES**

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Criminal Investigations Division supervisor.

Classification of a sexual assault case as unfounded requires the Criminal Investigations Division supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Sexual Assault Investigations*

---

#### **606.8 CASE REVIEW**

The Criminal Investigations Division supervisor should ensure cases are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.

#### **606.9 RELEASING INFORMATION TO THE PUBLIC**

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Criminal Investigations Division supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

#### **606.10 TRAINING**

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
  1. Initial response to sexual assaults.
  2. Legal issues.
  3. Victim advocacy.
  4. Victim's response to trauma.
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
  1. Interviewing sexual assault victims.
  2. SART.
  3. Medical and legal aspects of sexual assault investigations.

## Forensic Genetic Genealogy

### 607.1 PURPOSE AND SCOPE

This policy provides guidance for the use of forensic genetic genealogy (FGG) to generate investigative leads.

#### 607.1.1 DEFINITIONS

Definitions related to this policy include:

**Combined DNA Index System (CODIS)** - An FBI computer software program that operates deoxyribonucleic acid (DNA) profile databases for law enforcement use.

**DNA typing laboratory** - A laboratory that analyzes biological samples, including extracted DNA, in order to provide various DNA profile types. State or local crime labs are generally not equipped to provide single nucleotide polymorphism (SNP) DNA profiles; therefore, the use of private DNA typing laboratories is often necessary for FGG.

**Extracted DNA** - The DNA isolated from a biological sample remaining after previous DNA testing has been completed.

**Forensic genetic genealogy (FGG)** - The process of obtaining a SNP DNA profile from a biological sample collected during an investigation; uploading the profile to a genetic genealogy site for comparison to the consumer profiles in the site's database to identify genetic relatives; and using the identified genetic relationships, as well as traditional genealogy research, to generate investigative leads.

**Genetic genealogist** - A genealogist who uses DNA testing with traditional genealogical research methods to assist law enforcement or private clients in identifying biological relatives of an individual.

**Genetic genealogy site** - A database of DNA profiles voluntarily submitted by public consumers for the purpose of identifying genetic relatives. The availability of genetic genealogy sites for law enforcement use varies depending on their terms of service.

**Short tandem repeat (STR) DNA profile** - The results of DNA typing in a format that can be processed through CODIS and state DNA databases. This is the type of DNA used in conventional non-FGG law enforcement investigations.

**Single nucleotide polymorphism (SNP) DNA profile** - The results of DNA typing in a format that enables an unknown DNA sample to be compared to the DNA profiles maintained by a genetic genealogy site. This is the DNA type used in FGG.

### 607.2 POLICY

The Roseburg Police Department's use of FGG will be in coordination with prosecutors, the Medical Examiner, and other appropriate resources only in qualifying cases after reasonable conventional investigative methods have been pursued. Members will take reasonable steps to

maintain the integrity of the FGG process and safeguard the privacy rights of individuals whose DNA profiles are analyzed.

#### **607.3 CRITERIA FOR FGG USE**

Before using FGG, the lead investigator should coordinate with the supervisor to determine whether the case meets the following requirements:

- (a) Biological evidence collected as part of the underlying investigation (or extracted DNA from the biological evidence) is available for additional testing and is reasonably believed to be attributable to:
  - 1. The perpetrator of an unsolved violent felony.
  - 2. The unidentified human remains of a suspected homicide victim.
- (b) All reasonable conventional investigative methods have been utilized and all reasonable investigative leads have been pursued (e.g., relevant case information entered in the National Missing and Unidentified Persons System (NamUs) and the Violent Criminal Apprehension Program (ViCAP) national database).
- (c) An STR DNA profile has been developed from the biological evidence collected in the case and, absent unusual circumstances, has been uploaded to CODIS and any applicable state DNA database for comparison with negative results.

#### **607.4 COORDINATION**

Once a preliminary determination has been made that a case may qualify for the use of FGG, the lead investigating member should consult with the appropriate prosecutor to address current and prospective legal issues and determine if a search warrant is required.

In the case of unidentified human remains, the lead investigator should also consult with the Medical Examiner.

#### **607.5 SUBMISSION OF SAMPLE**

The biological evidence or extracted DNA should be submitted to a DNA typing laboratory approved by the Department in order to obtain a SNP DNA profile.

Once a SNP DNA profile has been obtained from the biological evidence or extracted DNA, the lead investigating member should arrange for it to be compared to the SNP DNA profiles contained in one or more genetic genealogy sites to identify possible genetic relatives. The lead investigator should work with a qualified genetic genealogist as needed during this process.

When submitting a SNP DNA profile for comparison, the lead investigator or the authorized designee (e.g., assigned genetic genealogist) shall notify the genetic genealogy site that the request for comparison is from a law enforcement agency and confirm that the site's terms of service permit FGG for the type of case being investigated. The use of the SNP DNA profile and any subsequent comparison shall be limited to the original underlying investigation.

If at any time during the FGG process the case no longer meets the criteria for FGG use, the lead investigator should promptly notify the DNA typing laboratory, genetic genealogy site, and/or

genetic genealogist to cease any further analysis and to return all evidence, data, and materials to the Department.

#### **607.6 ANALYSIS OF FGG DATA**

Once results of a comparison are received from a genetic genealogy site, the information should be evaluated by a genetic genealogist, who will assist the lead investigator in identifying potential investigative leads.

The lead investigator should promptly and diligently pursue each viable lead identified through the FGG process using traditional investigative methods, as appropriate, to:

- (a) Eliminate an individual as a potential suspect in the case.
- (b) Link an individual to the case as a potential suspect.
- (c) Identify human remains.

#### **607.7 COLLECTION OF THIRD-PARTY DNA SAMPLE**

If it is determined that a third-party DNA sample (i.e., from a person not likely to be a suspect in the investigation) should be collected and analyzed for FGG, consent from the third party should be obtained prior to collection.

If there is a reasonable belief that the integrity of the investigation would be compromised by seeking consent from the third party prior to collection, the lead investigator should consult with the prosecutor regarding applicable laws and procedures in both the jurisdiction of the investigation and the jurisdiction where the collection will occur, if different.

The use of a third-party DNA sample shall be limited to the original underlying investigation.

#### **607.8 POST-IDENTIFICATION**

Members shall not rely solely on FGG identification of a potential suspect for probable cause to make an arrest or obtain an arrest warrant. Unless there is sufficient evidence independent of the FGG data to support an arrest, a potential suspect identified through FGG should not be arrested until the suspect's identity is confirmed.

Members shall not rely solely on FGG to identify human remains unless there is sufficient evidence independent of the FGG data to declare the identification or confirmation testing has been completed.

Confirmatory DNA testing should be conducted by collecting a known DNA sample from the potential suspect or, in the case of unidentified human remains, from a close biological relative. This known DNA sample should be submitted for comparison to the original unknown STR DNA profile through conventional methods (e.g., in CODIS).

The lead investigator should consult with the prosecutor to determine the appropriate method of obtaining a known DNA sample.

Once the identity of a suspect or the identity of unidentified human remains has been confirmed through conventional DNA testing, the lead investigator should:

### *Forensic Genetic Genealogy*

---

- (a) Consult with the prosecutor to evaluate the entire investigative file for consideration of criminal charges or further investigation.
- (b) If applicable, consult with the Medical Examiner for an amendment to a certificate of death.

#### **607.9 PRIVACY CONSIDERATIONS**

Members should make reasonable efforts to respect and protect the privacy of non-suspect genetic relatives identified through the FGG process. The names and identifying information of any non-suspect genetic relatives should not be included in official reports, probable cause declarations, or affidavits for search warrants and should not be disclosed unless otherwise required by law or court order.

The lead investigator should formally request that the SNP DNA profile be removed from all genetic genealogy sites upon identity confirmation and should retain a copy of the request for department records. The lead investigator should request that all case-related records and data provided to, or generated by, a genetic genealogist during the FGG process be returned to the Department.

#### **607.10 RETENTION OF DNA SAMPLES AND RELATED RECORDS**

Genetic information, including any derivative profiles and genetic genealogy site user information, should be retained in accordance with the established records retention schedule. The lead investigator should coordinate with the property and evidence technician and provide adequate notice to the appropriate prosecutor's office before destroying any profiles or data obtained from the FGG process.

See the Property and Evidence Policy for guidelines regarding biological evidence, including DNA samples.

Claims for reimbursement for damage or loss of personal property must be made in written form. This written document is submitted to the employee's immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor shall direct a memo to the appropriate Division Commander, which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police, or designee who will then forward the claim to the Finance Department.

## Personal Communication Devices

### 701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

### 701.2 POLICY

The Roseburg Police Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct, will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

### 701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for department-related business or when the use reasonably implicates work-related misconduct.

In accordance with this policy, supervisors are authorized to conduct a limited administrative search of electronic files without prior notice, consent or a search warrant, on department-issued PCDs. Administrative searches can take place for work-related purposes that may be unrelated to investigations of employee misconduct and, as practicable, will be done in the presence of the

affected employee. Prior to conducting any search of personally owned devices, supervisors shall consult with administration. All such searches shall be fully documented in a written report.

#### **701.4 DEPARTMENT-ISSUED PCD**

Depending on a member's assignment and the needs of the position, the Department may issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief of Police or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

#### **701.5 PERSONALLY OWNED PCD**

Employees may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Carrying a personally owned PCD is a privilege, not a right.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used and maintained solely at the employee's expense.
- (d) Employees will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any department business-related communication.
  - 1. Use of a personally owned PCD for work-related business constitutes consent for the Department to access the PCD to inspect and copy the work-related data (e.g., for litigation purposes, public records retention and release obligations, internal investigations).
  - 2. Use of, and data within, a personally owned PCD may be discoverable in cases when there is reason to believe it is associated with work-related misconduct.
  - 3. Searches of a personally owned PCD by the Department should be limited to those matters reasonably associated with the work-related business or work-related misconduct.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief of Police or the authorized designee.
- (f) If reasonably practicable, members should utilize department software for work-related documents, photographs, recordings and other public records created or received on a member's personally owned PCD.
- (g) All work-related documents, photographs, recordings, and other public records created or received on a member's personally owned PCD not utilizing department software should be transferred to the Roseburg Police Department and deleted from

the member's PCD as soon as reasonably practicable, but no later than the end of the member's shift.

Except with prior express authorization from their supervisor, employees are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty.

#### **701.6 USE OF PCD**

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace should be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means requires the express authorization of the Chief of Police or the authorized designee.
- (f) Members will not access social networking sites for any purpose that is not official department business. This restriction does not apply to a personally owned PCD used during authorized break times.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

#### **701.7 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
  - (a) An investigation into improper conduct should be promptly initiated when circumstances warrant.

### *Personal Communication Devices*

---

- (c) Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

#### **701.8 USE WHILE DRIVING**

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating vehicles that are not equipped with lights and siren shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (ORS 811.507). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

#### **701.9 OFFICIAL USE**

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

The following situations are examples of when the use of a PCD may be appropriate:

- (a) Barricaded suspects
- (b) Hostage situations
- (c) Mobile Command Post

The involved officer's Watch Commander will review the accident report and conduct any further investigation necessary for the purpose of determining disciplinary action, other corrective action, or training needs.

The scope of their investigation should be to determine :

1. Was the accident preventable?
2. What, if any, policy considerations should be made?
3. If applicable, were policy and procedure adhered to?
4. If applicable, does policy and procedure need revision?
5. Has proper training been provided?
6. Did the employee follow training as provided?
7. Other considerations

The Watch Commander's report / investigation will be forwarded to the Operations Commander.

The Operations Commander shall advise the Chief of Police and City Risk Manager regarding the disposition of all accidents.

All reports will be forwarded to the Risk Manager and the City's insurance carrier.

When a collision involves a City-owned vehicle or when a member of this department is an involved driver in a collision that occurs in this jurisdiction, and the collision results in serious injury or death, the supervisor should request that an outside law enforcement agency be summoned to investigate the collision.

The member involved in the collision shall complete the City's vehicle collision form. If the member is unable to complete the form, the supervisor shall complete the form.

Any damage to a vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered and forwarded to the Watch Commander.

The Watch Comannder should review the matter to determine if there is any vehicle abuse or misuse.

All unclaimed property shall be inventoried and handled according to the City's Ordinance on Unclaimed Property.

The property officer shall maintain a separate inventory of all cash and valuable property/evidence ensuring that any property/evidence which by its nature may be deemed to be of an extraordinary value is appraised by a qualified appraiser prior to its storage or disposition.

Any employee who first comes into possession of any property, shall retain such property in his/her possession until it is properly tagged and placed in the designated property locker or storage room along with any appropriate report. Care shall be taken to maintain the chain of custody for all evidence.

Caution should be used to ensure that all property in control of RPD is thoroughly inventoried to prevent dangerous and / or perishable items from entering the police building and police storage locations. Property that is not evidence and that is trash or a health hazard or is an open

consumable, should be disposed of so as to not enter the property locations and cause potential contamination to other items or personnel.

Prior to releasing property the releasing officer shall check the property being released to ensure that no unsafe, illegal, or inappropriate items are being released to the person receiving the property.

The property inventory is for safety reasons only and shall not be used as a tool to secure evidence. If potential evidence is discovered during a property inventory, the inventory should stop and an application for a search warrant should be made before continuing the inventory to seize evidence.

If property is known or believed to be evidence, as opposed to property being booked for safekeeping, officers should obtain the owner's consent or a search warrant prior to conducting an inventory.

Employees will provide a receipt for all items of property or evidence that are taken from any person. If no person is present, and the property or evidence is removed from private property or a vehicle, the employee will leave a receipt prominently placed on the private property or the vehicle. An exception to the receipt requirement may be detailed documentation of the property in the appropriate report.

Where ownership can be established as to found property with no apparent evidentiary value, such property may be released to the owner without the need for booking.

#### 800.3.1 PROPERTY BOOKING PROCEDURE

All property must be booked prior to the employee going off-duty unless otherwise approved by a supervisor. Employees booking property shall observe the following guidelines:

- (a) Complete the appropriate report / form describing each item of property separately, listing all serial numbers, owner's name, finder's name, and other identifying information or markings
- (b) The officer shall mark appropriate items of evidence with initials and date
- (c) Complete an evidence/property tag and attach it to each package or envelope in which the property is stored when applicable

#### 800.3.2 NARCOTICS AND DANGEROUS DRUGS

All narcotics and dangerous drugs (Including paraphernalia as defined by Oregon Revised Statutes 475.525(2)) shall be booked separately using a separate Property Record.

The officer seizing the narcotics and dangerous drugs shall place them in the appropriate locker accompanied by the proper forms for the Property Technician.

All property/evidence that by its nature may be potentially hazardous, such as needles/syringes, medical waste or other such items, shall be destroyed where applicable, or packaged and labeled so that others handling this property/evidence are aware of its potential danger. All personnel shall wear the appropriate protective equipment as defined in the Infectious Disease Control Policy when handling any such property/evidence.

#### 800.3.3 EXPLOSIVES/HAZARDOUS SUBSTANCES

Officers who encounter a suspected explosive device shall promptly notify their immediate supervisor or the Watch Commander. The bomb squad will be called to handle explosive-related incidents and will be responsible for the handling, storage, sampling, and disposal of all suspected explosives. In the event of military ordnance, the closest military unit shall be notified and will be responsible for removal of the device.

Explosives will not be retained in the police facility. Only fireworks that are considered stable and safe and road flares or similar signaling devices may be booked into property. All such items shall be stored in proper containers and in an area designated for the storage of flammable materials. The property and evidence technician is responsible for transporting to the Fire Department, on a regular basis, any fireworks or signaling devices that are not retained as evidence.

#### 800.3.4 EXCEPTIONAL HANDLING

Certain property items require a separate process. The following items shall be processed in the described manner:

- (a) Bodily fluids such as blood or semen stains shall be air dried prior to booking and packages should be labeled with a biohazard sticker
- (b) License plates found not to be stolen or connected with a known crime should be booked in. The Property Tech will handle further follow-up and processing of most license plates that have been booked in.
- (c) All bicycles and bicycle frames require a property record. Property tags will be securely attached to each bicycle or bicycle frame.
- (d) All cash should be counted in the presence of a supervisor or another employee and the envelope initialed by the booking officer and the supervisor. The employee's body camera should be activated when practical. The Watch Commander shall be contacted for cash in excess of \$1,000 for special handling procedures, if appropriate.

City property, unless connected to a known criminal case, should be released directly to the appropriate City department. No formal booking is required. In cases where no responsible person can be located, the property should be booked for safekeeping in the normal manner.

#### 800.3.5 COLLECTION AND PRESERVATION OF DNA EVIDENCE

Because DNA evidence can play a key role in establishing guilt or innocence, it is important that such evidence be collected, handled, and preserved in a manner that will maintain its integrity for future testing. Unless impracticable to do so, officers should collect samples of all biological evidence that may reasonably be used to incriminate or exculpate any person as part of any criminal death investigation or a sex crime listed in ORS 163A.005. The property and evidence technician will be responsible to ensure that biological evidence is preserved in an amount and manner that is sufficient to develop a DNA profile.

Collection and preservation should follow established protocols as outlined in the Oregon Physical Evidence Manual.

#### 800.3.6 SEXUAL ASSAULT FORENSIC EVIDENCE (S.A.F.E.)

Chapter 789, Oregon Laws, allows sexual assault victims to have the Oregon State Police Sexual Assault Forensic Evidence kit collected without law enforcement authorization or reporting the assault. The intent of the law was, in part, to protect the identity of the victims and also to help preserve valuable forensic evidence through immediate collection while giving victims additional time to come forward and report the assault. Because the law requires the law enforcement agency with jurisdiction over the collecting medical facility to retrieve and store the evidence the following policy will be adhered to;

1. SAFE kits should be retrieved immediately upon receiving the report whenever possible and always within 2 hours of receiving a call from the medical facility
2. SAFE kits, where the identity of the victim is unknown, will need to be assigned a case number and entered into evidence as part of an Informational Police Report. Methods such as "Possible Sexual Assault" may be used to generate the case number for the report
3. The SAFE kit is numbered and the potential victim will be given the number of their kit by the collecting medical facility. The SAFE kit number shall be specifically referenced in the police report Property Screen in the Owner Applied Number (OAN) box so it can be easily retrieved via a search.
4. The SAFE kit will be stored refrigerated and maintained at RPD for at least 6 months, per law.
5. The Douglas County Sexual Assault Response Team has established a protocol for Douglas County agencies to follow. This protocol establishes an inter-agency agreement so that the law enforcement agency having jurisdiction over where the crime actually occurred will be responsible for seizing the SAFE kit. If jurisdiction cannot be established, or if it is determined that the crime occurred outside of Douglas County, RPD will be the primary responder.

#### 800.3.7 COLLECTION AND PRESERVATION OF SAFE KITS

Under current law, victims of sexual assault may seek medical assessment and choose not to make a report to law enforcement, yet still have evidence collected and preserved. The Roseburg Police Department will collect and maintain the chain of evidence for all Oregon State Police Sexual Assault Forensic Evidence Kits (SAFE Kits) and any associated evidence collected by medical facilities in this jurisdiction for victims of sexual assault, regardless of where the assault may have occurred. Victims who choose to remain anonymous and not make a report shall not be required to do so (ORS 147.397).

The collection and preservation of SAFE Kits from anonymous victims shall be handled by the Criminal Investigations Division, which shall assign a detective to ensure their proper collection and preservation. When a medical facility notifies this department that evidence of a sexual assault has been collected and a SAFE Kit is available, the assigned detective shall be responsible for the following:

- (a) Respond promptly to the medical facility to retrieve the evidence.
- (b) Provide a unique case number to a responsible representative of the medical facility, which will be provided to the victim. The case number will be used to identify all

associated evidence so that a chain of evidence can be maintained in the event the victim later decides to report the assault.

- (c) Ensure that no identifying information regarding the victim, other than the case number, is visible on the evidence packaging.
- (d) Prepare and submit an evidence report and book the evidence in accordance with current evidence procedures.

A SAFE Kit collected for a victim whose identity is not disclosed should be maintained in the same manner as other SAFE Kits, but should not be opened until or unless the victim reports the assault. Opening SAFE Kits may compromise the admissibility of evidence in the event of a prosecution.

#### **800.3.8 STORAGE OF SURRENDERED WEAPONS**

Officers shall accept and store any weapons and ammunition from an individual who has been ordered by a court pursuant to an extreme risk protection order (ORS 166.527) or a protection order or judgment of conviction subject to the provisions of ORS 166.255 to surrender weapons and ammunition. The officer receiving the surrendered items shall prepare a property receipt and provide the individual with a copy. The officer should promptly forward the original receipt to the Records Supervisor for timely filing with the court (ORS 166.537).

#### **800.4 PACKAGING OF PROPERTY**

Certain items require special consideration and shall be booked separately as follows:

- (a) Narcotics and dangerous drugs
- (b) Firearms (ensure they are unloaded and booked separately from ammunition). A flex cuff or similar device should be inserted through the chamber, barrel, or cylinder whenever possible.
- (c) Property with more than one known owner
- (d) Paraphernalia as described in ORS 475.525(2)
- (e) Fireworks and other hazardous materials
- (f) Contraband

#### **800.4.1 PACKAGING CONTAINER**

Employees shall package all property in a suitable container available for its size. Knife boxes should be used to package knives. All packages containing evidence must be sealed with evidence tape, initialed, and dated across the seal.

Needles or syringes will normally be disposed of in a sharps container and will not be submitted to the Property Room; however, when required for evidence in a serious crime or in a major investigation, a syringe tube should be used for packaging.

A property tag shall be securely attached to the outside of all items or group of items packaged together.

#### 800.4.2 PACKAGING NARCOTICS

The officer seizing narcotics and dangerous drugs shall retain such property in their possession until it is properly weighed, packaged, tagged, and placed in the appropriate locker, accompanied by copies of the property record. Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected narcotics. If conducted, the results of this test shall be included in the officer's report.

Narcotics and dangerous drugs shall be packaged in an envelope of appropriate size available in the property room. The booking officer shall initial the sealed/taped envelope in a manner that marks on the envelope and the tape. Narcotics and dangerous drugs should not be packaged with other property in cases where contamination could occur, or any other circumstances that could compromise the integrity of any evidence or property.

A completed property tag shall be attached to the outside of the container. The chain of evidence shall be recorded on the back of this tag.

#### **800.5 PROPERTY ROOM SECURITY**

Access to the Property Room is limited to property and evidence technicians and Division Commanders unless visitors are logged in and out, including the time, date and purpose of entry. All personnel entering the Property Room must be accompanied at all times by a property and evidence technician or Division Commander.

##### 800.5.1 RESPONSIBILITY OF OTHER PERSONNEL

Every time property is released or received, an appropriate entry on the evidence package and case file shall be completed to maintain the chain of possession.

Request for analysis for items other than narcotics or drugs shall be completed on the appropriate forms and submitted to the property and evidence technician. This request may be filled out any time after the booking of property or evidence.

##### 800.5.2 TRANSFER OF EVIDENCE TO CRIME LABORATORY

The transporting employee will check the evidence out of property, indicating the date and time on the property control card and the request for laboratory analysis.

##### 800.5.3 STATUS OF PROPERTY

Each person receiving property will make the appropriate entry to document the chain of evidence. Temporary release of property to officers for investigative purposes, or for court, shall be noted in the case report and file, stating the date, time and to whom released.

The property and evidence technician shall note in the evidence system to whom property is released, and the reason for release. Any employee receiving property shall be responsible for such property until it is properly returned to property or properly released to another authorized person or entity.

The return of the property should be recorded in the evidence system indicating the date, time and person who returned the property.

#### 800.5.4 RELEASE OF PROPERTY

Property may be released to a verified owner at the discretion of the property and evidence technician without further authorization. A property and evidence technician shall release the property upon proper identification being presented by the owner for which an authorized release has been received. A signature of the person receiving the property shall be recorded on the original property form.

All reasonable attempts shall be made to identify the rightful owner of found property or evidence not needed for an investigation. Property not claimed within 60 days after notification of owner of its availability for release will be auctioned, destroyed, or disposed of in accordance with these procedures and existing law.

Unless the owner is known, found property and property held for safekeeping will be held for at least 60 days.

#### 800.5.5 RELEASE OF EVIDENCE

Evidence may only be released with the authorization of the DA's office, CA's office, or the appropriate retention time limits and property laws.

Once a case has been adjudicated or has passed the statute of limitations for prosecution, the property and evidence technician will request a disposition authorization from the DA or CA. However, in most cases, the appropriate prosecutor's office will send notification of final disposition of the evidence. Care should be taken to ensure there are no outstanding warrants for suspects or additional defendants for the same case prior to authorizing release.

Release of evidence shall be made upon receipt of an authorized release form, listing the name and address of the person to whom the property is to be released. The release authorization shall be signed by the Property Technician and must conform to the items listed on the property form or must specify the specific item(s) to be released. Once evidence has been authorized for release and is no longer needed for any pending criminal cases, it shall be considered property and released or disposed of in accordance with those procedures.

#### 800.5.6 DISPUTED CLAIMS TO PROPERTY

Occasionally more than one party may claim an interest in property being held by the Roseburg Police Department, and the legal rights of the parties cannot be clearly established. Such property shall not be released until one party has obtained a valid court order or other undisputed right to the involved property.

All parties should be advised that their claims are civil and in extreme situations, legal counsel for the Roseburg Police Department may wish to file an interpleader to resolve the disputed claim (Oregon Rules of Civil Procedure § 31).

### 803.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the Roseburg Police Department. This policy addresses the protected information that is used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

#### 803.1.1 DEFINITIONS

#### **803.4 ACCESS TO PROTECTED INFORMATION**

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Roseburg Police Department policy or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

##### **803.4.1 ACCESS TO OREGON STATE POLICE OFFENDER INFORMATION**

Access to Oregon State Police (OSP) criminal offender information may be granted when the information is to be used for the administration of criminal justice, employment, or the information is required to implement a federal or state statute, local ordinance, Executive Order, or administrative rule that expressly refers to criminal conduct and contains requirements or exclusions expressly based on such conduct, or other demonstrated and legitimate needs (OAR 257-010-0025).

#### **803.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION**

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Supervisor for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Records Division to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should generally not be transmitted by radio, cellular telephone or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of officers, other department members or the public is at risk. In those instances, cell phones should be used if possible. The transmission should be limited to essential details only, with maximized use of law enforcement codes (10 or 12 code), concealing information identifying individuals and offenses as much as possible. Plain text transmission of an entire record (summary or full) is prohibited.

Nothing in this policy is intended to prohibit broadcasting warrant information.

Individuals requesting to review their own Oregon criminal offender information shall be referred to OSP, Identification Services Section (OAR 257-010-0035).

An individual may review his/her local record on file with the Department under the provisions of ORS 192.345(3), and after complying with all legal requirements.

This department will not release information originated by any other agency (ORS 192.311 et seq). Individuals requesting this information shall be referred to the originating agency.

#### **803.6 MEMBER RESPONSIBILITIES**

Members accessing or receiving protected information shall ensure the information is not accessed or received by persons who are not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk; in or on an unattended vehicle; in an unlocked desk drawer or file cabinet; on an unattended computer terminal).

#### **803.7 LEDS TRAINING**

All members who operate a terminal to access the LEDS network shall complete a LEDS System Training Guide at a level consistent with the member's duties. Each member who operates a terminal to access LEDS must be re-certified by the Department every two years (OAR 257-015-0050).

## Computers and Digital Evidence

### 804.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

### 804.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
  1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
  2. Disconnect the power cable from the back of the computer box (For laptops, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Property Officer: Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, officers should document the following in related reports:
  1. Where the computer was located and whether or not it was in operation.
  2. Who was using it at the time.
  3. Who claimed ownership.
  4. If it can be determined, how it was being used.

# Roseburg Police Department

### *Computers and Digital Evidence*

---

5. When possible, document any user names, passwords, and email addresses of anyone having access to the computer.
6. When possible, establish who had access to the computer aside from the primary owner.
  - (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

#### **804.2.1 BUSINESS OR NETWORK COMPUTERS**

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence. Cases involving networks require specialized training which is available through the Northwest Regional Computer Forensic Lab, the Oregon State Police or another agency having certified examiners.

#### **804.2.2 FORENSIC EXAMINATION OF COMPUTERS**

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to the Computer Forensic Examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

#### **804.3 SEIZING DIGITAL STORAGE MEDIA**

Digital storage media, to include hard discs, floppy discs, CDs, DVDs, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Computers and Digital Evidence*

---

- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request assistance from I.T. staff to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

#### **804.4 SEIZING PERSONAL COMMUNICATION DEVICES**

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

#### **804.5 DIGITAL EVIDENCE RECORDED BY OFFICERS**

Officers handling and submitting evidence recorded by officers and stored digitally using digital cameras, audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

##### **804.5.1 COLLECTION OF DIGITAL EVIDENCE**

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

##### **804.5.2 SUBMISSION OF DIGITAL MEDIA**

The following are required procedures for the submission of digital media used by cameras or other recorders:

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Computers and Digital Evidence*

---

- (a) The recording media (smart card, compact flash card or any other media) shall be booked in or appropriately processed and stored as soon as possible for submission into evidence.
- (b) The property and evidence technician or investigating officer will make a copy of the memory card using appropriate storage media when applicable for the chain of evidence and prosecution of the case. Once it is verified that the images are properly transferred to the storage media, the property and evidence technician or investigating officer will erase the memory card for re-use.

#### 804.5.3 DOWNLOADING OF DIGITAL FILES

Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

## Animal Control

### 805.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for animal control officers and Roseburg Police Department personnel in dealing with animal control related calls for service and to set forth procedures regarding animal control services, the handling of injured animals, and the abatement of animal nuisances.

### 805.2 OFFICER RESPONSIBILITY

During hours when the animal control officer is off-duty, or if the animal control officer is otherwise unavailable, the following animal-related calls for service will be handled by the appropriate on-duty officer.

An officer may be dispatched to animal related calls and should take appropriate actions to control the situation until the arrival of an animal control officer. Due to the hazards of handling animals without proper equipment, a responding officer generally should not attempt to capture and pick up any animal, but should keep the animal under observation until the arrival of an animal control officer. The following are examples of when an officer may consider acting before the arrival of the animal control officer:

- (a) When there is a threat to the public safety.
- (b) When an animal has bitten someone, officers should take measures to confine the animal and prevent further injury.
- (c) When an animal is creating a traffic hazard.
- (d) When the owner/handler has been arrested and there is no other alternative placement for the animal.
- (e) When the animal is gravely injured.

#### 805.2.1 ANIMAL BITE REPORTS

Officers shall obtain as much information as possible for forwarding to the animal control officer for follow-up. An Animal Bite Report must be completed and forwarded to the animal control officer.

Officers shall instruct the owner of a biting animal, if contacted, to keep the animal confined on the property until contacted by the ACO. If the animal is a stray, then every effort shall be made to capture and impound the animal immediately.

### 805.3 INJURED ANIMALS

When any injured domesticated animal is brought to the attention of a member of the Roseburg Police Department, all reasonable attempts shall be made to contact the owner or responsible handler. When the owner or responsible handler cannot be located and the animal is not an immediate danger to the community, it shall be taken to a doctor of veterinary medicine as described below.

### *Animal Control*

---

- (a) During normal business hours, the animal should be taken to an authorized veterinary care clinic
- (b) If after normal business hours, the animal should be taken to the authorized Veterinary Emergency & Critical Care Services Clinic.
- (c) An exception to the above is when the animal is an immediate danger to the community or the owner of the animal is identified and takes responsibility for the injured animal.
  - 1. When the need to euthanize a seriously injured or dangerous animal exists, the decision to euthanize a seriously injured animal will rest with the supervisor.
- (d) Injured wildlife should be referred to the Marine Mammal Center, Oregon Department of Fish and Wildlife or the Oregon State Police, as applicable.
- (e) When handling dead or injured animals police department employees shall attempt to identify and notify the owner of the final disposition of the animal.
- (f) Each incident shall be documented to include, at minimum, the name of the reporting party and veterinary hospital and/or person to whom the animal is released.

#### **805.4 POST-ARREST PROCEDURES**

The arresting officer should make a reasonable effort to ensure that animals or pets under a person's care will be provided with adequate care when that person is arrested. This is only required when there is no person to provide care and the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animals.

Relatives or neighbors may be contacted, with the owner's consent, to care for the animals. If no persons can be found or the owner does not consent, the appropriate animal control authority should be notified.

#### **805.5 RESCUE OF ANIMALS IN VEHICLES**

A member who has a good-faith belief that entry into a motor vehicle is necessary because a domestic animal inside the vehicle is in imminent danger of suffering harm may enter the vehicle to remove the animal (ORS 30.813). Members should:

- (a) Determine that the motor vehicle is locked or there is no other reasonable method for the animal to exit the vehicle.
- (b) Make a reasonable effort to locate the owner before entering the vehicle.
- (c) Take steps to minimize damage to the vehicle, using no more force than necessary to enter the vehicle and remove the animal.
- (d) Refrain from searching the vehicle or seizing items except as otherwise permitted by law.
- (e) Leave notice on or in the vehicle identifying the location where the animal has been taken and the name and Department of the member involved in the rescue.

## **Chapter 9 - Custody**

## Custodial Searches

### 900.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Roseburg Police Department facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

#### 900.1.1 DEFINITIONS

Definitions related to this policy include:

**Custody Search** - An in-custody search of an individual and of his/her property, shoes and clothing, including pockets, cuffs and folds on the clothing, to remove all weapons, dangerous items and contraband.

**Physical body cavity search** - A search that includes a visual inspection and may include a physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of an individual, and the vagina of a female person.

**Strip search** - A search that requires an individual to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks, anus or outer genitalia. This includes monitoring an individual who is changing clothes, where his/her underclothing, buttocks, genitalia or female breasts are visible.

### 900.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

### 900.3 FIELD AND TRANSPORTATION SEARCHES

An officer should conduct a custody search of an individual immediately after his/her arrest, when receiving an individual from the custody of another, and before transporting a person who is in custody in any department vehicle.

Whenever practicable, a custody search should be conducted by an officer of the same sex as the person being searched. If an officer of the same sex is not reasonably available, a witnessing officer should be present during the search when practical.

### 900.4 SEARCHES AT POLICE FACILITIES

Custody searches shall be conducted on all individuals in custody, prior to entry to the Roseburg Police Department facilities. Except in exigent circumstances, the search should be conducted

by a member of the same sex as the individual being searched. If a member of the same sex is not available, a witnessing member should be present during the search whenever reasonably practical.

Custody searches should also be conducted any time an individual in custody enters or re-enters a secure area, or any time it is reasonably believed that a search is necessary to maintain the safety and security of the facility.

#### 900.4.1 PROPERTY

Members shall take reasonable care in handling the property of an individual in custody to avoid discrepancies or losses. Property retained for safekeeping shall be kept in a secure location until the individual is released or transferred.

Some property may not be accepted by a facility or agency that is taking custody of an individual from this department, such as weapons or large items. These items should be retained for safekeeping in accordance with the Property and Evidence Policy.

All property shall be inventoried by description. The inventory should be witnessed by another department member when practical. The inventory should include the case number, date, time, member's Roseburg Police Department identification number and information regarding how and when the property may be released.

#### 900.4.2 VERIFICATION OF MONEY

If possible, all money should be counted in front of the individual from whom it was received; body worn camera(s) shall be activated when handling money. When possible, the individual shall initial the dollar amount on the inventory. Additionally, all money should be placed in a separate envelope and sealed. Negotiable checks or other instruments and foreign currency should also be sealed in an envelope with the amount indicated but not added to the cash total. All envelopes should clearly indicate the contents on the front. The department member sealing it should place his/her initials across the sealed flap. Should any money be withdrawn or added, the member making such change shall enter the amount below the original entry and initial it. The amount of money in the envelope should always be totaled and written on the outside of the envelope.

#### 900.4.3 RECEIPT FOR PROPERTY OR MONEY

The officer or other member charged with such inventories shall ensure that the individual receives a receipt for any money or other property received and should have the individual countersign both the original and duplicate receipt. Members will otherwise comply with ORS 133.455 if the individual is unable to sign.

### **900.5 STRIP SEARCHES**

No individual in temporary custody at any Roseburg Police Department facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the individual has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

#### **900.5.1 SPECIAL CIRCUMSTANCE FIELD STRIP SEARCHES**

- (a) There is probable cause to believe that the individual is concealing a weapon or other dangerous item that cannot be recovered by a more limited search.
- (b) There is probable cause to believe that the individual is concealing controlled substances or evidence that cannot be recovered by a more limited search, and there is no reasonable alternative to ensure the individual cannot destroy or ingest the substance during transportation.

These special-circumstance field strip searches shall only be authorized and conducted under the same restrictions as the strip search procedures in this policy, except that the Watch Commander authorization does not need to be in writing.

#### **900.6 PHYSICAL BODY CAVITY SEARCH**

Physical body cavity searches shall be subject to the following:

- (a) No individual shall be subjected to a physical body cavity search without written approval of the Watch Commander and only upon a search warrant or approval of legal counsel. A copy of any search warrant and the results of the physical body cavity search shall be included with the related reports and made available, upon request, to the individual or authorized representative (except for those portions of the warrant ordered sealed by a court).

#### **900.8 JUVENILES**

No juvenile should be subjected to a strip search or a physical body cavity search at the Department.

The Chief of Police or the authorized designee should establish procedures for the following:

It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. This department's philosophy is to promote a free verbal communication between employees and supervisors.

#### 1002.1.1 GRIEVANCE DEFINED

For the purposes of this procedure a grievance is any difference of opinion concerning terms or conditions of employment, or a dispute involving the interpretation or application of any Department policies or City rules and regulations covering personnel practices or working conditions, by the affected person(s).

Grievances may be brought by an individual affected employee or by a group representative.

### 1002.2 PROCEDURE

If an employee believes that he or she has a grievance as defined above, then that employee shall observe the following procedure:

Refer to current RPEA contract.

The Chief of Police will receive the grievance in writing. The Chief of Police and the City Manager will review and analyze the facts or allegations and respond to the employee within 10 calendar days. The response will be in writing, and will affirm or deny the allegations. The response shall include any remedies if appropriate.

### 1002.3 EMPLOYEE REPRESENTATION

Employees are entitled to have representation during the grievance process. The representative may be selected by the employee from the appropriate employee bargaining group.

## Anti-Retaliation

### 1003.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or collective bargaining agreement.

### 1003.2 POLICY

The Roseburg Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

### 1003.3 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or the City HR Director.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

### 1003.4 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors may include, but are not limited to:

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the appropriate supervisor for investigation pursuant to the Personnel Complaints Policy.

# Reporting of Arrests, Convictions, and Court Orders

## 1004.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Roseburg Police Department. This policy will also describe the notification requirements and procedures that certain retired officers must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

## 1004.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

Oregon and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; ORS 107.095(5); ORS 166.255; ORS 166.270; ORS 166.527).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

## 1004.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

OAR 259-008-0300 prohibits any person convicted of a felony and certain other crimes from being a peace officer in the State of Oregon. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty, or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

While legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust, and shall be reported as provided in this policy.

## 1004.4 REPORTING

All members and all retired officers with identification cards issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal detention, arrest, charge, or conviction in any state or foreign country, regardless of whether the matter was dropped or rejected, is currently pending, or is on appeal, and regardless of the penalty or sentence, if any.

All members and all retired officers with identification cards issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing if they become the subject of a domestic violence restraining order or any court order

that prevents the member or retired officer from possessing a firearm or requires suspension or revocation of applicable DPSST certification.

Any member whose criminal arrest, conviction, or court order restricts or prohibits that member from fully and properly performing his/her duties, including carrying a firearm, may be disciplined. This includes but is not limited to being placed on administrative leave, reassignment, and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member, on his/her own time and at his/her own expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline, up to and including termination.

Retired officers may have their identification cards rescinded or modified, as may be appropriate (see the Retiree Concealed Firearms Policy).

#### **1004.5 DEPARTMENT OF PUBLIC STANDARDS AND TRAINING (DPSST) NOTIFICATION**

An officer or dispatcher who is arrested or who receives a criminal citation to appear, or its equivalent, shall notify DPSST in writing within five business days of the following (OAR 259-008-0010; OAR 259-008-0011):

- (a) The date of the arrest or citation
- (b) The location of the arrest or citation
- (c) The reason for the arrest or citation
- (d) The arresting or citing agency

#### **1004.6 POLICY**

The Roseburg Police Department requires disclosure of member arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Department.

## Drug and Alcohol Use

### 1005.1 DRUG AND ALCOHOL USE

The purpose of this policy is to establish clear and uniform guidelines regarding drug and alcohol use.

### 1005.2 GENERAL GUIDELINES

The Roseburg Police Department recognizes that the use of drugs, alcohol, and other impairing substances which adversely affect job performance may constitute a serious threat to the health and safety of the public, fellow officers and to efficient operation of the department. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Watch Commander or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work.

### 1005.3 DEFINITIONS

**Drugs and Alcohol** - For the purposes of this policy, drugs, prescription medications, alcohol and other impairing substances will all be defined as intoxicants and or controlled substances, excluding any substance lawfully prescribed for the employee's use.

**Drug Alcohol Test** - The compulsory production and submission of urine, breath, or blood by an employee in accordance with procedures contained herein for chemical analysis to detect prohibited drug and/or alcohol use.

**Reasonable Suspicion** - Reasonable suspicion shall be as defined by Oregon Law.

**Under the Influence** - For purposes of this policy, an individual is considered to be "under the influence" of intoxicants and or controlled substance when a detectable amount is found in the individuals's body.

### 1005.4 PROHIBITED CONDUCT

Except as authorized by department policy for job-related reasons, the following conduct is strictly prohibited and may subject an employee to immediate discipline, up to termination:

1. The unlawful buying, selling, transportation, possession, manufacturing, harvesting, providing, or use of intoxicants, controlled substances, or prescription drugs;
2. Failure to report use of prescribed medication, controlled substance(s) and over the counter drugs;

### *Drug and Alcohol Use*

---

3. Failure to notify their supervisor if a controlled substance is unintentionally ingested, or if the employee is made to ingest a controlled substance, so that appropriate medical steps may be taken to ensure the employee's health and safety;
4. Reporting for normally assigned work with a detectable odor of alcohol on the breath; any detectable amount of alcohol in the body which results from the consumption of intoxicants; or when an employee has a detectable amount of any controlled substance which may impair the ability to safely and effectively perform assigned work.
5. This excludes any substance lawfully prescribed for the employee's use unless the employee should use a prescribed substance in an unauthorized manner or under false or fraudulent pretenses.
6. In the event that the department wishes to call out an employee to perform additional duties and the employee has consumed intoxicants, the employee will notify his or her supervisor as to the amount of intoxicants the employee has consumed and the supervisor will decide whether or not the employee will be called out to perform additional duties.
7. Medical marijuana (see Medical Marijuana section).

#### **1005.5 PRECONDITIONS TO DRUG AND ALCOHOL TESTING**

Before any employee may be tested for drugs, alcohol, and other impairing substances, the department shall select a certified laboratory(s) that can demonstrate experience and capability of quality control, documentation, chain of custody, technical expertise, and demonstrated proficiency in urine and blood analysis.

#### **1005.6 GROUNDS FOR TESTING**

1. Random testing of any kind is prohibited.
2. Employees may be required to submit to drug or alcohol testing if reasonable suspicion exists that there is a violation of this policy.
3. The department may test for those commonly used drugs it reasonably suspects an employee may have consumed.
4. The employee discharges a firearm, other than by accident, in the performance of his/her duties.
5. During the performance of his/her duties, the employee drives a motor vehicle and becomes involved in an accident that results in bodily injury to him/herself or another person or substantial damage to property.

#### **1005.7 TESTING MECHANISMS**

The following testing mechanisms performed on members of the department shall be used for detecting intoxicants or controlled substances:

1. Any urine screening shall be performed by the use of Gas Chromatography Mass Spectrometry (GC/MS). If at any time a test exists with a higher rate of reliability than the GC/MS Test, such test shall be used in place of the GC/MS Test.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Drug and Alcohol Use*

---

2. Alcohol testing may include standard field impairment tests, breath test and/or standard laboratory blood alcohol analysis tests.

#### **1005.8 PROCEDURE USED WHEN A URINE SAMPLE IS GIVEN**

The following procedure shall be used whenever an employee is requested to give a urine sample:

1. Prior to testing, the employee will be required to list all prescribed medications, controlled substances, and/or over the counter medication currently being used. Forms for this purpose will be supplied by the testing facility. Prescribed medications or controlled substances listed must be substantiated by written communication from the attending physician.

2. The test shall be administered in such a manner as to protect the authenticity and reliability of the sample and privacy of the individual.

3. Immediately after the sample is given, it will be divided into two (2) equal parts. Each of the two (2) portions of the sample will be separately sealed, labeled, and stored in a secure and refrigerated atmosphere. One of the samples will then be sent or delivered to the department's designated testing laboratory. The other sample will be held at the testing facility for the employee until the employee either instructs that it be sent to their designated lab or destroyed.

4. The sample will first be tested using the screening procedure previously set forth.

5. If the test is positive for the presence of any intoxicants or controlled substances, the employee will be notified of the positive results within twenty-four (24) hours after the department learns of the results and will be provided with copies of all documents pertinent to the test (sent to or from the department by the laboratory). The employee will then have the option (at his or her own expense) of having the untested sample submitted to a laboratory of the employee's own choosing which meets the standards previously specified.

6. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and chain of custody.

#### **1005.9 CONSEQUENCES OF POSITIVE TEST RESULTS**

An employee may be subject to disciplinary action if he/she:

- (a) Fails or refuses to submit to a screening test as requested.
- (b) After taking a screening test that indicates the presence of a controlled or prescribed substance, fails to provide proof, within 72 hours after being requested, that he/she took the controlled or prescribed substance as directed, pursuant to a current and lawful prescription issued in his/her name.
- (c) Violates any provisions of this policy

An employee who has tested positive for the presence of intoxicants or controlled substances pursuant to this policy, may be referred to the Employee Assistance Program (EAP) or to other drug, alcohol, and other impairing substances assessment/resource treatment centers.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Drug and Alcohol Use*

---

An employee's compliance or noncompliance in participating in the Employee Assistance Program or in any other drug or alcohol assistance treatment will be considered in determining what, if any, disciplinary action may be taken.

An employee who tests positive may be subject to unannounced testing or support services after treatment for two (2) years following the positive test. If the employee violates the terms of agreed treatment, or again tests positive during such a period, he/she shall be subject to immediate discipline that may include discharge.

#### **1005.10 INTERFERENCE WITH POLICY**

Any activity which purposely interferes with this substance abuse policy will be grounds for disciplinary action which may include discharge. Examples include, but are not limited to, the following: tainting, tampering, or substitution of blood or urine samples; falsifying information regarding the use of prescribed medications or controlled substances; failure to cooperate with any tests outlined in this policy to determine the presence of intoxicants or controlled substances, and failure to cooperate with any searches.

#### **1005.11 SEARCHES**

For administration of this policy, the department may upon reasonable suspicion, conduct searches on department property of employees and/or assigned department property and/or their personal property, excluding personal vehicles parked on City property. An employee has the right to request an Association representative be present during the search so long as the search is not unreasonably delayed by accommodating this provision. A refusal to submit to a search may result in disciplinary action. This provision is not intended to restrict the department's right to conduct administrative searches of assigned department property for other purposes or searches related to any criminal investigation.

#### **1005.12 USE OF MEDICATIONS**

Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair his/her abilities, without a written release from his/her physician.

#### **Over the Counter Medications:**

With the exception of medical marijuana, nothing in this rule is intended to prohibit the use of a drug taken under supervision by a licensed health care professional, where its use does not present a safety hazard or otherwise adversely impact an employee's performance or city operations.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Drug and Alcohol Use*

---

There will be no discipline to an employee who reports the use of an over the counter medication to his/her supervisor which the employee feels may affect his/her assigned duties. Failure to report the use of an over the counter medication which the employee feels may affect his or her ability to safely perform assigned duties, may subject the employee to disciplinary action.

#### **Prescription Medications:**

With the exception of medical marijuana, nothing in this rule is intended to prohibit the use of a drug taken under supervision by a licensed health care professional, where its use does not present a safety hazard or otherwise adversely impact an employee's performance or city operations.

The use of marijuana, which is a controlled substance under federal law, is expressly prohibited under this policy, even if its medical use is authorized under state law.

An employee utilizing any prescribed medications, or controlled or impairing substances that may affect their ability to safely perform assigned duties must immediately report this treatment to their supervisor. The proper use of medications or controlled substances as part of a prescribed medical treatment program is not grounds for disciplinary action. Failure to report the use of a prescribed medication or controlled substance which the employee has been informed may affect their abilities to safely perform assigned duties, may subject an employee to disciplinary action. In the event there is a question regarding an employee's ability to safely perform assigned duties, clearance from the employee's physician will be required.

#### **1005.13 MEDICAL MARIJUANA**

Use of marijuana, including medical marijuana, on or off duty, is prohibited and may lead to disciplinary action.

Additionally, employees are prohibited from:

- a. Being a Medical Marijuana patient; or
- b. Being Medical Marijuana caregivers; or
- c. Being Medical Marijuana registered growers; or
- d. Maintaining or providing a Medical Marijuana grow site.

#### **1005.14 EMPLOYEE ASSISTANCE PROGRAM (EAP)**

Voluntary employee assistance program(s) may be available to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

## Sick Leave

### 1006.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City personnel manual or applicable collective bargaining agreement (ORS 653.606; ORS 653.611).

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) and the Oregon Family Leave Act, or leave related to protections because of domestic violence, harassment, sexual assault, bias crimes, or stalking (29 USC § 2601 et seq.; ORS 659A.150 et seq.; ORS 659A.270 et seq.).

### 1006.2 EMPLOYEE RESPONSIBILITIES

Sick leave may be used for absences caused by illness, injury, temporary disability (including pregnancy/maternity), or for medical, dental or vision exams or medical treatment of the employee or the employee's immediate family when it is not possible to schedule such appointments during non-working hours.

Sick leave is not considered vacation, and abuse of sick leave may result in discipline and/or denial of sick-leave benefits. Employees on sick leave shall not engage in other employment or self-employment, or participate in any sport, hobby, recreational or other activity which may impede recovery from the injury or illness.

#### 1006.2.1 NOTIFICATION

Employees are encouraged to notify the Watch Commander or appropriate supervisor as soon as they are aware that they will not be able to report to work. At a minimum, employees shall make such notification no less than one hour before the start of their scheduled shift. If an employee is unable to contact the supervisor in the case of an emergency, every effort should be made to have a representative contact the supervisor.

When the necessity for leave is foreseeable, such as an expected birth or planned medical treatment, the employee shall, whenever possible, provide the Department with no less than 30-days notice of the intent to take leave.

### 1006.3 EXTENDED ILLNESS

The City may require an employee to furnish a statement from a doctor or health care professional or provide other acceptable verification of the reason for use of sick leave as a condition to payment of sick leave benefits whenever an employee's absence exceeds three consecutive workdays or whenever the City has a reasonable concern (e.g. questionable patterns of usage) regarding the employee's use of sick leave benefits.

# Roseburg Police Department

### *Sick Leave*

---

#### **1006.4 SUPERVISOR RESPONSIBILITY**

Supervisors should monitor sick leave usage and regularly review the attendance of employees under their command to ensure that the use of sick leave is consistent with this policy. Supervisors should address sick-leave use in the employee's performance evaluation when it has negatively affected the employee's performance or ability to complete assigned duties, and when unusual amounts of sick leave by the employee has had a negative impact on department operations. When appropriate, supervisors should counsel employees regarding the excessive use of sick leave and should consider referring the employee to the Employee Assistance Program.

## Communicable Diseases

### 1007.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

### 1007.2 PROCEDURES FOR CONTACT WITH BLOOD OR BODY FLUIDS

All department personnel who may be involved in providing emergency medical care, or who come in contact with another person's blood or body fluids (e.g., during an altercation or while attending to any injured person), shall follow these procedures and guidelines.

#### 1007.2.1 EXPOSURE CONTROL OFFICER

The Chief of Police will assign a person as the department's Exposure Control Officer (ECO). The ECO shall be responsible for the following:

- (c) Acting as a liaison during OSHA inspections.
- (d) Maintaining an up-to-date list of required training, developing and implementing a training program, maintaining class rosters and quizzes, and periodically reviewing the training program.

Department supervisors are responsible for exposure control in their respective areas. They shall work directly with the ECO and the affected employees to ensure that the proper exposure control procedures are followed.

#### 1007.2.2 UNIVERSAL PRECAUTIONS

All human blood and body fluids such as saliva, urine, semen, and vaginal secretions are to be treated as if they are known to be infectious. Where it is not possible to distinguish between body fluid types, all body fluids are to be assumed potentially infectious.

#### 1007.2.3 PERSONAL PROTECTIVE EQUIPMENT

Personal protective equipment is the last line of defense against communicable disease. Therefore, the following equipment is provided for all personnel to assist in the protection against such exposures:

- Not less than two pair disposable latex gloves (Keeping a box in the car recommended)

- Safety glasses or goggles.
- Rescue mask with a one-way valve.
- Alcohol (or similar substance) to flush skin at emergency site. (Keeping several alcohol hand wipes in the car recommend).

The protective equipment is to be kept in each police vehicle; inspected at the start of each shift and replaced immediately upon returning to the station if used or damaged during the shift, or as otherwise needed.

#### 1007.2.4 IMMUNIZATIONS

All department personnel who, in the line of duty, may be exposed to or have contact with a communicable disease shall be offered immunization, if a vaccine for the specific disease exposure is available and medically appropriate. Such preventive immunization shall be offered at no cost to the employee (ORS 433.407 and ORS 433.416).

Coordination and approval of immunizations under this policy shall be the responsibility of the Exposure Control Officer and / or HR Manager.

#### 1007.2.5 WORK PRACTICES

All personnel shall use the appropriate barrier precautions to prevent skin and mucous membrane exposure whenever contact with blood or body fluid is anticipated.

Disposable gloves should be worn on all medical emergency responses. Disposable gloves should be worn before making physical contact with any patient and/or when handling items (e.g., evidence, transportation vehicle) soiled with blood or other body fluids. Should one's disposable gloves become contaminated with blood or other body fluids, the gloves shall be disposed of as contaminated waste. Care should be taken to avoid touching other items (e.g., pens, books, and personal items in general) while wearing the disposable gloves in a potentially contaminated environment.

All procedures involving blood or other potentially infectious materials shall be done in a way to minimize splashing, spraying, or otherwise generating droplets of those materials.

Eating, drinking, smoking, applying lip balm, and handling contact lenses shall be prohibited in areas where a potential for an exposure exists.

#### **1007.3 EXPOSURE CONTROL OFFICER**

The Chief of Police will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.

- (d) Evaluation of persons in custody for any exposure risk and measures to separate them.
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
  1. Complying with the Oregon Safe Employment Act (ORS 654.001 et seq.).
  2. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).
  3. Exposure control mandates in 29 CFR 1910.1030 including bloodborne pathogen precautions (OAR 437-002-0360).

The ECO should also act as the liaison with the Oregon Occupational Safety and Health Division (OR-OSHA) and may request voluntary compliance inspections. The ECO should annually review and update the exposure control plan and review implementation of the plan.

#### 1007.3.1 USE OF WASTE CONTAINERS

Officers shall dispose of biohazard with the on-scene fire response vehicle, or at the attending clinic/hospital with their approval, or in an appropriately marked biohazard waste container at the station immediately upon arrival.

The biohazard waste container located at the station shall be collapsible, leak-proof, red in color or appropriately labeled with a biohazard warning and routinely emptied.

#### 1007.3.2 DECONTAMINATION OF SKIN AND MUCOUS MEMBRANES

Personnel shall wash their hands immediately (on-scene if possible), or as soon as possible following the removal of potentially contaminated gloves. Antibacterial soap and warm water or an approved disinfectant shall be used to wash one's hands, paying particular attention to the fingernails.

If an employee's intact skin contacts someone else's blood or bodily fluids or other potentially infectious materials, the employee shall immediately wash the exposed part of his/her body with soap and warm water and/or an approved disinfectant, as soon as possible. If the skin becomes grossly contaminated, body washing shall be followed by an approved hospital strength disinfectant. If large areas of the employee's skin are contaminated, the employee shall shower as soon as possible, using warm water and soap and/or an approved disinfectant. Medical treatment should be obtained if necessary.

#### 1007.3.3 SHARPS AND ITEMS THAT CUT OR PUNCTURE

All personnel shall avoid using or holding sharps (needles) unless needed to do so while assisting a paramedic, or collecting them for evidence. Unless required for evidentiary reasons related to evidence preservation, employees are not to recap sharps. If recapping is necessary, a one-handed method shall be employed to avoid a finger prick. Disposal, when practicable, shall be into a puncture proof biohazard container.

All sharps and items that cut or puncture (e.g., broken glass, razors, and knives) shall be treated cautiously to avoid cutting, stabbing, or puncturing one's self or any other person. In addition, if a sharp object contains known or suspected blood or other bodily fluids, that item is to be treated as a contaminated item. If the item is not evidence, touching it with the hands shall be avoided. Rather, use a device such as tongs, or a broom and a dustpan to cleanup debris. If the material must be hand held, protective gloves must be worn.

#### 1007.3.4 DISPOSABLE PROTECTIVE EQUIPMENT

Contaminated disposable supplies (gloves, dressings, CPR mask) shall be transported with the patient or suspect in the ambulance or police vehicle. The waste material shall then be disposed of in a biohazard waste container at the hospital or police station. Disposable gloves are to be worn while placing the waste into the waste biohazard container, placing the gloves in with the waste when through.

#### 1007.3.5 DECONTAMINATION OF PERSONAL PROTECTIVE EQUIPMENT

After using any reusable personal protective equipment, it shall be washed or disinfected and stored appropriately. If the personal protective equipment is non-reusable (e.g., disposable gloves), it shall be discarded in a biohazard waste container as described in [Policy Manual § 1016.34](#).

Any personal protective equipment that becomes punctured, torn, or loses its integrity, shall be removed as soon as feasible.

Contaminated reusable personal protective equipment that must be transported prior to cleaning it shall be placed into a biohazard waste bag and transported in the ambulance, paramedic truck or police vehicle. Gloves shall be worn while handling the biohazard waste bag and during placement into the biohazard waste container, and then included in with the waste.

#### 1007.3.6 DECONTAMINATION OF NON-DISPOSABLE EQUIPMENT

Contaminated non-disposable equipment (e.g., flashlight, gun, baton, clothing, portable radio) shall be decontaminated as soon as possible. If it is to be transported, it shall be done by first placing it into a biohazard waste bag.

Grossly contaminated non-disposable equipment items shall be transported to a hospital, fire station, or police station for proper cleaning and disinfecting. Porous surfaces such as nylon bags and straps should be brushed and scrubbed with a detergent and hot water, laundered and allowed to dry. Non-porous surfaces (e.g., plastic or metal) should be brushed and scrubbed with detergent and hot water, sprayed with a bleach solution, rinsed, and allowed to dry. Delicate equipment

(e.g., radios) should be brushed and scrubbed very carefully using a minimal amount of a type of germicide that is approved by Environmental Protection Agency (EPA) .

While cleaning equipment, pay close attention to handles, controls, portable radios, and corners (tight spots).

Contaminated equipment should be cleaned using an approved EPA germicide or a 1:100 solution of chlorine bleach (one-quarter-cup of bleach per one gallon of water) while wearing disposable gloves and goggles. Large particles of contaminants such as, vomit, feces, blood clots, etc. should first be removed (using a disposable towel or other means to prevent direct contact) and properly disposed of.

#### 1007.3.7 DECONTAMINATION OF CLOTHING

Contaminated clothing such as uniforms and undergarments should be removed as soon as feasible and rinsed in cold water to prevent the setting of bloodstains. If the clothing may be washed in soap and hot water, do so as soon as possible. If the clothing must be dry cleaned, place it into a biohazard waste bag. The ECO will secure a dry cleaner that is capable of cleaning contaminated clothing, and inform them of the potential contamination. This dry cleaning will be done at the Department's expense.

Contaminated leather boots shall be brushed and scrubbed with detergent and hot water. If the contaminant soaked through the boot, the boot shall be discarded.

#### 1007.3.8 DECONTAMINATION OF VEHICLES

Contaminated vehicles and components such as the seats, radios, and doors shall be washed with soap and warm water and disinfected with an approved germicide as soon as feasible.

### **1007.4 POST-EXPOSURE REPORTING AND FOLLOW-UP REQUIREMENTS**

In actual or suspected exposure incidents, proper documentation and follow-up action must occur to limit potential liabilities and ensure the best protection and care for the employee(s).

#### 1007.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (29 CFR 1910.1030; OAR 437-002-0360):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or department vehicles, as applicable.
- (b) Wearing department-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.

- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.
  - 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking or smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

#### 1007.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (29 CFR 1910.1030; OAR 437-002-0360).

Other preventive, no-cost immunizations shall be provided to members who are at risk of contracting a communicable disease if such preventive immunization is available and is medically appropriate. A member shall not be required to be immunized unless such immunization is otherwise required by federal or state law, rule or regulation (ORS 433.416).

#### 1007.4.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Any employee who received exposure or suspected exposure should be seen by a physician (or qualified health care provider) as soon as possible.

When an officer in the performance of his/her official duties sustains a substantial BBP exposure, the ECO will seek to have the source person tested for HIV and Hepatitis B or C by causing the circuit court to be petitioned for an order compelling the testing. The petition must set forth the facts and circumstances of the contact and the reasons the officer and a medically trained person representing the officer, if available, believe the exposure was substantial and the testing would be appropriate. The officer should provide information sufficient to identify and locate, if possible, the alleged source (ORS 433.085(1)(2)).

If the ECO is unavailable to assist the officer with the completion of the petition and with follow-up attempts to seek testing of the person who was the source of the exposure, it is the responsibility of the exposed employee's supervisor to provide such assistance.

If the testing is ordered by the court, the results shall be made available to those persons authorized under ORS 433.045(4) and to the officer, the physician designated by the officer to

receive the results, the Oregon Health Authority (OHA), the subject person and any physician designated by the subject person to receive the results (ORS 433.085(4)).

The health care professional should provide the ECO and/or the City's Risk Manager with a written opinion/evaluation of the exposed employee's situation. This opinion should only contain the following information:

- If an Hep B Virus (HBV) is indicated for the employee.
- If the employee received an HBV.
- Confirmation that the employee received the evaluation results.
- Confirmation that the employee was informed of any medical condition resulting from the exposure incident that will require further treatment or evaluation.
- Whether communicable disease testing of the person who was the source of the exposure is warranted, and, if so, what diseases should be included in testing.

All other findings or diagnosis shall remain confidential and are not to be included in the written report.

#### 1007.4.4 COUNSELING

The Department will make counseling and consultation available to the exposed employee (and his/her family if necessary).

#### 1007.4.5 CONFIDENTIALITY OF REPORTS

Most of the information involved in the process must remain confidential. The ECO shall ensure that all records and reports are kept in the strictest confidence.

The ECO shall be responsible for maintaining records containing the employee's HBV status and the results of examinations, medical testing and follow-up procedures that took place as a result of an exposure.

The Risk Manager shall be responsible for maintaining the name and social security number of the employee and copies of any information provided to the consulting health care professional as a result of an exposure.

This information is confidential and shall not be disclosed to anyone without the employee's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

#### **1007.5 POST-EXPOSURE CONFIRMATION PROCEDURES**

Members who have been exposed to or contract a disease as a result of a duty-related event shall be treated according to existing health benefits, insurance coverage, and collective bargaining provisions. (OAR 839-006-0200 and ORS 659A.112).

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Communicable Diseases*

---

Members who test positive for HIV or HBV may continue working as long as they maintain acceptable performance and do not pose a safety and health threat to themselves, the public or other members of the Department.

- (a) The Roseburg Police Department shall make all decisions concerning the member's work status solely on the medical opinions and advice of the agency's health care officials.
- (b) The Roseburg Police Department may require a member to be examined by the department health care officials to determine if he/she is able to perform his/her duties without hazard to him/herself or others.
- (c) All members of the Roseburg Police Department agency shall treat employees who have contracted a communicable disease fairly, courteously and with dignity.

#### 1007.5.1 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Contacting the Oregon Health Authority to seek voluntary consent for source testing for HIV (ORS 433.065).
- (c) Petitioning for a court order to compel source testing for HIV or other communicable diseases as defined by ORS 431A.005, if a good faith effort to obtain voluntary consent is requested from the source person and not obtained (ORS 433.080; ORS 431A.570).
- (d) Working with the district attorney if the person is charged with a criminal offense that may involve exposure to a communicable disease (ORS 135.139).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

It is the policy of the Roseburg Police Department to prohibit the use of tobacco by employees while on-duty or at any time the employee is acting in an official capacity for the Department.

### 1008.3 EMPLOYEE USE

### 1008.4 ADDITIONAL PROHIBITIONS

Visitors and the public shall not be allowed to smoke in any department facility (ORS 433.845).

## Personnel Complaints

### 1009.1 PURPOSE AND SCOPE

The purpose of this procedure is to provide guidelines for reporting, investigation and disposition of complaints regarding the conduct of members and employees of this department.

This policy describes the safeguards that apply when an employee is under investigation concerning a matter that may lead to economic sanctions or dismissal from employment, and when that employee will be interviewed regarding the matter. The policy is meant to ensure that any disciplinary action taken against a non-probationary employee occurs with just cause.

#### 1009.1.1 DEFINITIONS

**Disciplinary action** - An action taken against a non-probationary employee by the Roseburg Police Department to discipline the employee, including dismissal, demotion, suspension without pay, reduction in salary, and written reprimand (ORS 236.350 (1)).

**Employee** - Any paid, non-probationary member of the Roseburg Police Department with a property interest in his/her employment at the Roseburg Police Department.

**Probationary employee** - Sworn employees are probationary for 18 months. Qualified lateral officers are probationary for 12 months. Non-sworn employees are probationary for 12 months.

**Just cause** - A cause reasonably related to the employee's ability to perform required work. The term includes a willful violation of reasonable work rules, regulations or written policies (ORS 236.350 (2)).

**Personnel complaint** - Any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state or local law.

Inquiries about employee conduct which, even if true, would not qualify as a personnel complaint may be handled informally by a department supervisor and shall not be considered complaints.

This policy does not apply when a supervisor questions an employee in the normal course of an informal verbal admonishment or when the supervisor has other routine or unplanned contact with an employee. Nor does this policy apply to an investigation concerned solely with alleged criminal activities.

#### 1009.1.2 CLASSIFYING PERSONNEL COMPLAINTS

Personnel complaints may be classified in one of the following categories:

**Informal** - A matter in which the complaining party is satisfied that appropriate action has been taken by a department supervisor of rank greater than the accused employee. The responsible supervisor shall have the discretion to handle the complaint in any manner consistent with this policy.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Personnel Complaints*

---

**Formal** - A matter in which the complaining party requests further investigation or when a department supervisor determines that further action is warranted. Such complaints may be investigated by a department supervisor of rank greater than the accused employee.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor, such matters need not be documented as personnel complaints, but may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

#### **1009.2 SUPERVISOR RESPONSIBILITY**

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation. Supervisors shall also maintain the ability to question an employee in the normal course of duty, counseling, instruction, informal verbal admonishment or other routine or unplanned contact.

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the employee's immediate supervisor. The Chief of Police or authorized designee may, however, direct that another supervisor investigate. That supervisor shall be responsible for the following:

- (a) A supervisor receiving a formal complaint involving allegations of a potentially serious nature shall ensure that the Watch Commander and Operations Commander are notified as soon as practicable.
- (b) A supervisor receiving or initiating any formal complaint shall ensure that the personnel complaint has been investigated as fully as possible.
  - 1. During the preliminary investigation of any complaint, the supervisor should make every reasonable effort to obtain names, addresses and telephone numbers of additional witnesses.
  - 2. Photographs of any injuries alleged by the complainant, as well as accessible areas of non-injury, should be taken once immediate medical attention has been provided.
  - 3. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the employee's Division Commander who will initiate appropriate action.
- (c) A supervisor dealing with an accused employee shall ensure that the procedural rights of the employee are followed.
- (d) When the nature of a personnel complaint relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination, the supervisor receiving the complaint shall promptly contact the Department of Human Resources and the Operations Commander for direction regarding the investigation and/or addressing the complaint.

#### **1009.3 ASSIGNMENT TO ADMINISTRATIVE LEAVE**

When a complaint is of a serious nature or when the circumstances reasonably dictate an undue risk or interruption for the Department operations, the employee, other employees or the public, a supervisor may assign the accused employee to inactive duty pending completion of the investigation or the filing of administrative charges.

##### 1009.3.1 ADMINISTRATIVE LEAVE

An employee placed on administrative leave may be subject to the following guidelines:

- (a) The employee shall continue to receive regular pay and benefits, pending the imposition of any discipline.
- (b) An employee may be required by a supervisor to relinquish any badge, department identification, assigned weapon(s) and any other department equipment.
- (c) An employee may be ordered to refrain from taking any action as a department employee or in an official capacity. The employee shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (d) An employee may be temporarily reassigned to a different shift (generally normal business hours) during the pendency of the investigation. The employee may be required to remain available for contact at all times during such shift and report as ordered.
- (e) It shall be the responsibility of the assigning supervisor to promptly notify the employee's Division Commander.
- (f) At such time as any employee placed on administrative leave is returned to full and regular duty, the employee shall be returned to his/her regularly assigned shift with all badges, identification card and other equipment returned.

#### **1009.4 ALLEGATIONS OF CRIMINAL CONDUCT**

When an employee of this department is accused of potential criminal conduct, a supervisor, detective, or outside agency maybe assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police and Operations Commander shall be notified as soon as practical when an employee is formally accused of criminal conduct. In the event of serious criminal allegations, the Chief of Police may request a criminal investigation by an outside law enforcement agency.

An employee accused of criminal conduct shall retain all of the rights and privileges afforded a civilian. The employee may not be administratively ordered to provide any information to a criminal detective.

#### 1009.4.1 COMPLAINTS ALLEGING PROFILING

Complaints related to profiling should be clearly marked to assist in reporting as required in the Bias-Based Policing Policy (ORS 131.920).

#### **1009.5 ADMINISTRATIVE INVESTIGATION OF COMPLAINT**

Except as necessary to gain a general overview and sufficient facts of an incident to assess the necessity of an inquiry, or in order to obtain pertinent public safety information, an officer shall not be required to answer specific questions until he/she has been told of the facts and the nature of the investigation in a manner that is reasonably sufficient to inform the officer of the circumstances surrounding the allegations.

The following procedures and those set forth in ORS 236.360 shall be followed with regard to the accused non-probationary employee(s):

- (a) Unless the seriousness of an investigation requires otherwise, interviews of accused employees shall be conducted when the employee is on-duty or during the employee's normal waking hours. If the interview is conducted while the employee is off-duty, the employee shall be appropriately compensated (ORS 236.360(2)(a)).
- (b) No more than two interviewers at a time may ask questions of an accused employee (ORS 236.360(2)(c)).
- (c) Interviews may not last an unreasonable amount of time, taking into consideration the gravity and complexity of the matter under investigation.

- (e) The interviewers shall inform the employee of their authority to compel a statement and of the identity of the investigators and all persons present during the interview (ORS 236.360 (2)(d)).
- (f) No employee shall be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers. An employee being interviewed may not be threatened with punitive action. However, during a compelled interview solely for non-criminal purposes, an employee who refuses to respond to questions or refuses to be interviewed must be informed that refusal may lead to disciplinary action (ORS 236.360 (2)(h)). Nothing administratively ordered may be provided to a criminal investigator.
- (g) When practicable, the interviewer should record all interviews of employees and witnesses. An employee may record his/her own interview. If the employee has been previously interviewed, a copy of that recorded interview, written statement or transcript (if prepared) shall be provided to the employee prior to any subsequent interview (ORS 236.360 (2)(h)).
- (h) If the allegations involve potential criminal conduct, the employee shall be advised of his/her constitutional rights. This admonishment shall be given administratively even if the employee was advised of these rights during any separate criminal investigation. Specifically, the employee must be informed of the right to consult with criminal defense counsel with respect to the criminal charge (ORS 236.360 (2)(j)).

- (i) All employees subjected to interviews that could result in punitive action may have a representative of the employee's choosing present at the interview (ORS 236.360 (2)(b)). However, in order to maintain the integrity of each individual employee's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) In a disciplinary or administrative investigation, the employee's chosen representative cannot be required to disclose, or be subject to disciplinary action for refusing to disclose, statements made by the employee to the representative for purposes of the representation (ORS 236.360 (2)(k)).
- (k) All employees shall provide complete and truthful responses to questions posed during interviews.
- (l) No employee may be compelled to submit to a polygraph examination nor shall any refusal to submit to such examination be mentioned in any investigation.

#### 1009.5.1 ADMINISTRATIVE SEARCHES

Any employee may be compelled to disclose personal financial information pursuant to proper legal process, if such information tends to indicate a conflict of interest with official duties or if the employee is assigned to, or being considered for, a special assignment with a potential for bribes.

Employees shall have no expectation of privacy in or when using offices, desks, lockers, vehicles, telephones, computers, radios or other communications provided by the Department.

Assigned lockers, offices, desks, vehicles and storage spaces are the property of the employer and may be administratively searched by a supervisor for work-related purposes

All other non-assigned areas (shared desks, common office space, shared vehicles) may be administratively searched by a supervisor.

An investigative search of such areas shall only be conducted with the approval of the Chief of Police or authorized designee.

#### 1009.5.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

  - 1. A public safety officer should be given an order to answer questions in an administrative investigation that might incriminate the public safety officer in a criminal matter only after the public safety officer has been given a *Garrity* advisement. Administrative investigators should consider the impact that compelling a statement from the public safety officer may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
  - 2. No information or evidence administratively coerced from a public safety officer may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

- (k) In a disciplinary or administrative investigation, the public safety officer's chosen representative cannot be required to disclose, or be subject to disciplinary action for refusing to disclose, statements made by the public safety officer to the representative for purposes of the representation.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

Disciplinary action may not be taken against any non-probationary employee without just cause (ORS 236.360 (4)). The Chief of Police or designee shall ensure the following before any disciplinary action against an employee is taken:

- (a) Notification is made to the employee in writing of the charges against the employee and the proposed disciplinary action (ORS 236.360 (5)(a)).
- (b) The employee is given an opportunity to respond to the charges at an informal hearing, which may be recorded, that is attended by the person or persons having authority to impose the proposed disciplinary action (ORS 236.360 (5)(b)).

#### **1009.7.1 CONFIDENTIALITY OF PERSONNEL FILES**

All investigations of personnel complaints shall be considered confidential peace officer personnel files. The contents of such files shall not be revealed to other than the involved employee or authorized personnel, except pursuant to lawful process.

In the event that an accused employee (or the representative of such employee) knowingly makes false representations regarding any internal investigation, and such false representations are communicated to any media source, the Department may disclose sufficient information from the employee's personnel file to refute such false representations.

Disciplinary action resulting from sustained complaints shall be maintained in the employee's personnel file. Complaints, and any investigative reports may be maintained by the employee's supervisor or Operations Commander apart from the employee's personnel file.

#### **1009.10 RETENTION OF PERSONNEL INVESTIGATION FILES**

3. A copy of any final decision including the underlying facts and the imposed discipline.

## Safety Belts

### 1010.1 PURPOSE AND SCOPE

The use of seat belts and other safety restraints significantly reduces the chance of death or injury in case of a traffic collision. This policy establishes guidelines for seat belt and child safety seat use to assure maximum operator and passenger safety, thus minimizing the possibility of death or injury as the result of a motor vehicle crash. This policy will apply to all employees operating or riding in department vehicles.

### 1010.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department, while on or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to utilize safety restraints may be made only in situations where their use would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

#### 1010.2.1 TRANSPORTING SUSPECTS AND / OR PRISONERS

ORS 811.215 (6) exempts any person who is being transported in the custody of a police officer or law enforcement agency from the safety belt requirement outlined in ORS 811.210.

However, based on officer discretion and / or circumstances present at the time of the transport, it is recommended that all suspects and / or prisoners be secured in a seated position in the rear seat of patrol vehicles with a prisoner restraint system or safety belt.

#### 1010.2.2 TRANSPORTING CHILDREN

A properly installed, approved child restraint system should be used for all children of an age, height or weight for which such restraints are required by law (ORS 811.210).

Children under the age of 13 should be transported in the rear seat. In the event that the appropriate restraints are unavailable, officers should arrange for alternate transportation.

### 1010.3 INOPERABLE SEAT BELTS

No person shall operate a department vehicle in which the seat belt in the driver's position is inoperable.

No person shall modify, remove, deactivate or otherwise tamper with the vehicle safety belts, except for vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police or designee.

Employees who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

## Body Armor

### 1011.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

### 1011.2 POLICY

It is the policy of the Roseburg Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

### 1011.3 ISSUANCE OF BODY ARMOR

Body armor is issued to all officers when the officer begins service at the Roseburg Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

A body armor replacement schedule ensures that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

#### 1011.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Officers shall only wear agency-approved body armor.
- (b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.
- (e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.
- (f) External vests: Currently, sworn officers have the option to wear an external ballistic vest carrier as part of their duty uniform. The City retains the right to determine which accessories will be authorized to be worn on the carrier and will communicate that information to all eligible members. The standard issue name tag and badge are required on the external carrier when worn over the regular uniform shirt. The carrier, as well as the authorized accessories, will be initially purchased by the RPEA

and will be replaced by the City if they become damaged, non-serviceable, and / or unprofessional in appearance.

#### 1011.3.2 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

When an employee sustains work-related injuries caused by another person and is then approached by such person or an agent, insurance company, or attorney and offered a settlement of claims, that employee shall take no action other than to make a written report of this contact to his/her supervisor as soon as possible.

## Temporary Modified-Duty Assignments

### 1023.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules, current collective bargaining agreements or memorandums of understanding. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

### 1023.2 POLICY

Subject to operational considerations, the Roseburg Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

### 1023.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the Oregon Family Leave Act (OFLA) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Roseburg Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

### 1023.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

Employees seeking a temporary modified-duty assignment should submit a written request to their Division Commanders or the authorized designees. The request should, as applicable, include a certification from the treating medical professional containing:

#### **1023.5 ACCOUNTABILITY**

#### **1023.7 PREGNANCY**

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)).

##### **1023.7.1 NOTIFICATION**

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the City's personnel rules and regulations regarding family and medical care leave.

# Employee Speech, Expression and Social Networking

## 1024.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department (ORS 181A.689).

Nothing in this policy is intended to prohibit or infringe upon any communication, speech, or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

### 1024.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all internet services, including the world wide web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

## 1024.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Roseburg Police Department will carefully balance the individual employee's rights against the department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

## 1024.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of the Roseburg Police Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- (e) Speech or expression that is contrary to the canons of the Criminal Justice Code of Ethics as adopted by the Roseburg Police Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee (or any other act that would constitute a misuse of public information in violation of ORS 162.425).

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

#### 1024.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

A notice of restrictions on political activities by employees will be posted and maintained by the Department in a place that is conspicuous to all employees as required by law (ORS 260.432).

Employees retain their right to vote as they choose, to support candidates of their choice, and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty. However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command, or advise another employee to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes (5 USC § 1502).

#### **1024.5 PRIVACY EXPECTATION**

Members forfeit any expectation of privacy with regard to e-mails, texts or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Police for additional guidance).

The Department reserves the right to access, audit and disclose for whatever reason any message, including attachments, and any information accessed, transmitted, received or reviewed over any technology that is issued or maintained by the Department, including the department e-mail system, computer network or any information placed into storage on any department system or device.

This includes records of all key strokes or web-browsing history made at any department computer or over any department network. The fact that access to a database, service or website requires a user name or password will not create an expectation of privacy if it is accessed through department computers, electronic devices or networks. However, the Department may not require a member to disclose a personal user name or password, or open a personal social website, except when access is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (ORS 659A.330)

## Line-of-Duty Deaths

### 1026.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Roseburg Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy for a non-line-of-duty member death, or in situations where members are injured in the line of duty and the injuries are life-threatening.

#### 1026.1.1 DEFINITIONS

Definitions related to this policy include:

**Line-of-duty death** - The death of an officer during the course of performing law enforcement-related functions while on- or off-duty, or a non-sworn member during the course of performing assigned duties.

For an officer, a line-of-duty death includes death that is the direct and proximate result of a personal injury sustained in the line of duty (34 USC § 10281).

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

### 1026.2 POLICY

It is the policy of the Roseburg Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

### 1026.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Watch Commander and Dispatch.
  1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Watch Commander should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Watch Commander or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Line-of-Duty Deaths*

---

- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

#### **1026.4 NOTIFYING SURVIVORS**

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Watch Commander or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting child care or other immediate needs.

# Roseburg Police Department

## Roseburg PD Policy Manual

### *Line-of-Duty Deaths*

---

- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Roseburg Police Department members may be apprised that survivor notifications are complete.

#### 1026.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

#### 1026.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shifts. Members reporting for duty from their residences should be instructed to contact their supervisors as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

## Lactation Break Policy

### 1027.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to members desiring to express breast milk for the member's infant child.

### 1027.2 POLICY

It is the policy of the Roseburg Police Department to provide reasonable break time and appropriate facilities to accommodate any member desiring to express breast milk for the member's nursing child 18 months or younger in compliance with state law and the Fair Labor Standards Act (29 USC § 218d and ORS 653.077).

### 1027.3 LACTATION BREAK TIME

A rest period should be permitted each time the member has the need to express breast milk (29 USC § 218d; OAR 839-020-0051). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid.

Members desiring to take a lactation break shall notify the dispatcher or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations.

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

### 1027.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 218d).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.
